

Connie Scotti, CPA

SENIOR MANAGER - INTERNATIONAL TAX

Connie is a Senior Manager in the International Tax Service Group and works on some of the firm's most complex engagements—coordinating global services and consulting with taxpayers on the worldwide tax implications and planning opportunities for their international assignments and business ventures.

Connie works closely with international legal and accounting professionals to coordinate cross-border planning and compliance for individuals, trusts, estates, and closely-held businesses. She serves as an integrated international business advisor and works at optimizing the worldwide effective tax rate and reducing foreign taxes through tax efficient financing, efficient cash management, and repatriation of earnings to the U.S.

Connie received her BS in Business Management with an Accounting concentration from the California State University, Los Angeles, and her Masters in Business Taxation from the University of Southern California.
