

# Host a Wine Auction Pre-Party!

You can help make the Wine Auction a social highlight! Be a "host with the most" and throw an online pre-party for the **5th Annual Santa Monica Wine Auction on Sunday, May 3.**

Even in these challenging times, the needs for our students are very real. Now more than ever, we're so grateful for champions of Santa Monica students like you.

Be your fun self and Zoom it up your way! Have co-hosts, create a theme, use some props, or play a game to kick off the fun. Plus, there's no post-party mess to clean up and you can Zoom in your party slippers!

We hope you will:

- Gather your friends to have a fun, social activity before the main event starts at 7 p.m. Relax and have a glass together!
- Make sure everyone is registered to bid on GiveSmart at [smwineauction.org](http://smwineauction.org).
- Take a fun screen shot of your Zoom party and e-mail it to [tova@smedfoundation.org](mailto:tova@smedfoundation.org) by 6:30 pm. Your Zoom party screen shot will be featured in our pre-show slideshow!
- Get everyone over to the Wine Auction at [smwineauction.org](http://smwineauction.org) at 6:50pm for the main event.

**If you plan to host a pre-party, please contact [tova@smedfoundation.org](mailto:tova@smedfoundation.org).**
