

CSSDAR Junior Shoppe Catalog

March 2021

Thank you for Supporting Junior Shoppe!

The NSDAR Junior Shoppe was created with the goal to raise financial support for the Helen Pouch Memorial Fund. This fund allows the National Junior Membership Committee to support DAR Schools, the National Junior Committee Project, and the Junior Membership Classroom Grant program.

The purchase of Junior Sales products is vital to continuing the vision of Helen Pouch by allowing Junior Members to participate in the work of DAR Goals: Historic Preservation, Education, and Patriotism.

Please Note: The Daughters of the American Revolution has updated its logo. Junior Shoppe items displaying the former logo will continue to be sold until all of the items have been sold. As a product is reordered, it will be redesigned to reflect the new logo. The catalog will then be updated with new products and designs as they become available.
