

## Meal Payments and Fees in the Campus Parent Portal

Infinite Campus is our school-wide student information system designed to manage attendance, grades, schedules, assessments and other information about our students. Parents/guardians have access to Campus Parent Portal which is a confidential and secure website that allows parents/guardians to log in and view their child's progress in school. There is also an app available for both iOS and Android devices.

### Food Service

To view your student's meal balance, simply click on "Food Service" from the left navigation.

Here you can view all of the fees as well as click on "Add to Cart" to pay the fees. If you have more than one student, click the drop-down menu at the top right to select a different student.
