

SCHOOL YEAR SEASON
*...Open Enrollment &
 Continuous...*

First of all, *Thank You* for considering us!

We have been in business for 16 years as of this September and have had the pleasure of teaching 1000's of London children over the years. Some of which now work for us! That is the best compliment we can receive! We love what we do & we trust that you will see that!

As of March 2022 we will be offering CONTINUOUS ENROLLMENT with a Monthly Focus. This gives your child a chance to grow and develop with the program and gives YOU an opportunity to hold the spot in your class. When your child ages up we will work with you to move them up into another class and continue to challenge them. Our waitlist has 100's of kids waiting to get in... so once you're in, you can stay in!

Students will need their own 'KID KIT' which will give them their own set of small equipment to bring to class and use weekly; eliminating the sharing of small equipment and keeping you and your child safe. It is \$30+tax. Each age group contains slightly different equipment. If your child is aging UP from Parent/Child to PreK, OR you plan to use a PreK kit for a Parent/Child class; you can upgrade for \$5+tx.

It is not required for Gradeschool.
