

As New York State transitions from fossil fuel to clean energy, Champlain Hudson Power Express is ready to power New Yorkers into the future with clean, renewable hydropower.

We are humbled to see the vast number of letters supporting our innovative transmission solution, designed to bring safe, secure, affordable, clean power to New York City. We ask that you consider each public statement that has been provided by New Yorkers from every walk of life during the project's lifespan. This includes:

Organized Labor & Business Organizations

- 8 letters of support from leadership of NYS labor unions including: IBEW, NYS Laborers, Operating Engineers, ELEC & Building and Trades
- 700+ letters from individual members of NY Laborers
- 30+ letters from members of IBEW
- 8 letters from NYS Chambers of Commerce and the New York State Business Council

700+

expressions of support from organized labor

Tribal, Municipal, Elected Official & Public Support

- Letter of support from Mohawk Council of Kahnawake in Canada, a project partner
- 38 resolutions of municipal support
- 13 letters of support from NYS county industrial development agencies
- 18 letters of support from elected officials across New York State
- 130+ letters of support from members of the public who care deeply about the environment and New York's future

200+

statements of support

Environmental Organizations & Academic Institutions

- 16 letters from organizations advancing environmental awareness and support in NYS including: NYLCV, Citizens Campaign for the Environment and Urban Green Council
- 9 letters from prestigious New York higher-education academic institutions

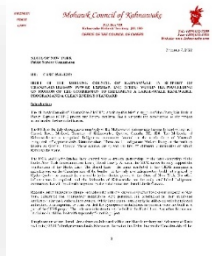

20+

letters of support from advocacy organizations

Along with the hundreds of comments of support, nearly 65% of New Yorkers are in favor of this project. Today, we share this call for clean energy projects to be built now and, on their behalf, ask that for the residents, businesses, union workers and elected officials of New York State, you support Champlain Hudson Power Express which is ready now.
