3. Proceed with account creation

The screenshot shows a progress bar with three steps: 'About you' (selected), 'Sign-in details', and 'Add payment, confirm & complete order'. Below the progress bar, the heading 'Let's get you started' is followed by a message: 'Looks like you need to create a new account. Let's get you started! Continue as [redacted]@gmail.com.' Two buttons are visible: 'Set up account' (highlighted with a red arrow) and 'Change my email'.

4. Enter your personal information

- You may enter anything for the company name field and 1 person for company size

The screenshot shows a form with the following fields and options:

- First name *: [input field]
- Middle name (Optional): [input field]
- Last name *: [input field]
- Business phone number *: [input field]
- Company name *: [input field with 'myself' selected]
- Company size *: [dropdown menu with '1 person' selected]
- Country or Region *: [dropdown menu with 'United States' selected]

Below the form, there is a checkbox for receiving information from Microsoft and its partners, with a link to the Privacy Statement. A blue 'Next' button is at the bottom.

5. Verify your phone number

Text me
 Call me

Country code: (+1) United States
Phone number: 4244619571

We don't save this phone number or use it for any other purpose.

[Send verification code](#) [Back](#)

6. Set your username, domain name, and password

- The domain name can be anything, such as family last name (e.g. **thejohns**)

Username * 1 @ Domain name * 2 .onmicrosoft.com [Save](#)

Password * 3 [👁](#)

Confirm password * 4 [👁](#)
