

COVID-19 Update

FCS Board Work Session
November 19, 2020

Fulton County Board of Health Epidemiology Report

COVID-19 Cases – 11/17/2020

SUMMARY

- As of November 17, 2020, Fulton County has recorded **34,615 cases of the 2019 novel coronavirus (COVID-19)** and **652 confirmed COVID-19 deaths**. 78 deaths are currently being reviewed by GA DPH to confirm cause of death.
- Of the **2,300 new cases** between October 28 and November 10, the central portion of the county (Atlanta) accounted for 44% while the northern and southern parts accounted for 37% and 15% respectively.
- By city, new COVID-19 case rates range from 121.6 per 100,000 persons (Hapeville) to 480.0 per 100,000 persons (Mountain Park – see footnote on pg. 2). [**Fulton County Diagnoses Rates (per 100,000 persons): Cumulative – 3149.2; Incidence –209.2**]. See map showing incidence case rate by ZIP code on Pg.17.
- Among all persons diagnosed with COVID-19 in Fulton County **since June 1, 6.0% required hospitalization and 1.3% died**.
- Of all testing done in Fulton County between October 26 and November 8, **the percent positivity rate was 5.3%**.

Union City, GA

Monday, November 30 and Tuesday, December 1 to be Universal Remote Learning Days District Wide

Nov 19 – Dec 11

Commitment Survey

Dec 14 – Dec 18

Schools Plan with
Responses

If parents do not complete the commitment survey, the student's learning group will remain the same as it stood on December 14.

We are requesting parents to make a 9-week commitment.

There is the possibility that students may not keep the same teacher(s) for Semester 2.
