FCS Dropout Prevention: SAFE Center Redesign & Expansion

FCS Student Support Model

We will **prioritize safe environments** for face-to-face instruction.

We will utilize the FCS Bridge to Success plan to **recover from learning disruption**.

We will **establish transformative approaches to literacy instruction**.

We will **develop our leaders** throughout the organization using High Quality Professional Learning.

We will **improve and expand existing program options** for students, staff, and parents.

We will **ensure continuity of district operations**.
