

Mann Rd. bridge replacement
On or after June 6

- Two-way detour
- One-way ramps
- Closure

This inset map shows the Mann Rd. bridge replacement project area. It includes a legend with three items: a green arrow for 'Two-way detour', a yellow arrow for 'One-way ramps', and a red line for 'Closure'. The map shows Mann Rd. running north-south, with a closure indicated by a red line. Detours are shown with green arrows: one going east on Mann Rd. to Thompson Rd., then south on Thompson Rd. to High School Rd., and west on High School Rd. back to Mann Rd. Another detour goes north on Mann Rd. to Kentucky Ave., then west on Kentucky Ave. to Mooresville Rd., and south on Mooresville Rd. back to Mann Rd. Highway shields for 67 and 465 are also present.

Local Road Closures

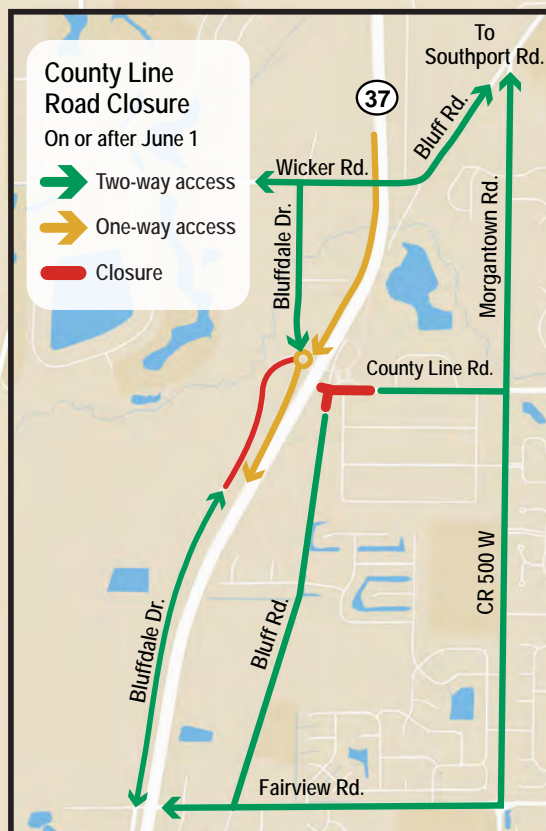

- Closed

This inset map shows local road closures. It includes a legend with one item: a red line for 'Closed'. The map shows a grid of roads including Concord St., Epler Ave., Belmont Ave., Banta Rd., Edgewood Ave., Kopetsky Dr., and Harding St. A red line indicates a closure on Belmont Ave. between Epler Ave. and Edgewood Ave. Highway shields for 465 and 37 are also present.

County Line Road Closure
On or after June 1

- Two-way access
- One-way access
- Closure

This inset map shows the County Line Road Closure project area. It includes a legend with three items: a green arrow for 'Two-way access', a yellow arrow for 'One-way access', and a red line for 'Closure'. The map shows County Line Rd. running east-west, with a closure indicated by a red line. Access is shown with green arrows: one going north on County Line Rd. to Wicker Rd., then west on Wicker Rd. to Bluffdale Dr., and south on Bluffdale Dr. back to County Line Rd. Another access goes south on County Line Rd. to Fairview Rd., then west on Fairview Rd. to Bluff Rd., and north on Bluff Rd. back to County Line Rd. A one-way access is shown with a yellow arrow going east on County Line Rd. to Morgantown Rd., then north on Morgantown Rd. to Bluff Rd., and west on Bluff Rd. back to County Line Rd. Highway shields for 37 and 465 are also present.
