

2022 PEBB Premium Surcharge Attestation Change Form

Use this form to report a change that affects your premium surcharge for tobacco use or spouse or state-registered domestic partner. State-registered domestic partner is defined in Washington Administrative Code 182-12-109.

Changes that result in a premium surcharge will begin the first day of the month after the status change. If that day is the first of the month, the change to the surcharge begins on that day. Changes that result in removing a premium surcharge will begin the first day of the month after your attestation is received. If that day is the first of the month, the change to the surcharge starts on that day. **Exception:** If you are required to attest to the spouse or state-registered domestic partner (SRDP) coverage premium surcharge during the PEBB Program’s annual open enrollment, the change will become effective January 1, 2022.

1 Tobacco use premium surcharge

A \$25-per-account premium surcharge is required in addition to your monthly medical premium if you or a dependent (age 13 and older) enrolled on your PEBB medical plan uses a tobacco product. Tobacco use is defined as any use of tobacco products within the past two months. It does not include the religious or ceremonial use of tobacco.

Events that require a change:

- You must change your tobacco use attestation when your or a dependent’s tobacco use status changes. Two examples of status changes are quitting or starting smoking.
- The premium surcharge **will not** apply if you and all enrolled dependents ages 18 and older who use tobacco products are currently enrolled in the free tobacco cessation program through your PEBB medical plan, and any enrolled dependents ages 13 to 17 who use tobacco products have accessed resources at **teen.smokefree.gov**.
- You **do not** have to attest for dependents ages 12 and younger. You do not need to attest when the dependent turns age 13 unless the dependent uses, or starts using, tobacco products.

List yourself and each dependent age 13 and older enrolled on your PEBB medical coverage. If you check **Yes** or leave the checkboxes blank for yourself or any dependent age 13 or older, you will be charged the \$25 tobacco use premium surcharge in addition to your monthly medical premium.

Spouse or state-registered domestic partner coverage premium surcharge

 If you do not have a spouse or state-registered domestic partner (SRDP) enrolled on your PEBB medical plan, skip this section.

A \$50 premium surcharge will be required in addition to your monthly medical premium if you enroll a spouse or SRDP, and they have chosen not to enroll in another employer-based group medical that is comparable to Uniform Medical Plan (UMP) Classic. The comparison must be to UMP Classic, even if you are not enrolled in that plan.

Events that require a change:

You may have to reattest to this premium surcharge during the PEBB Program's annual open enrollment. See "Surcharges" on HCA's website at hca.wa.gov/erb to learn about these situations. Outside of the annual open enrollment, you must also change your attestation **no later than 60 days** after the date your spouse's or SRDP's employer-based group medical status changes. You must also provide proof of the qualifying event.

 If you enroll a spouse or SRDP on your PEBB medical plan and you check **Yes** or leave the checkboxes below blank, you will be charged the \$50 premium surcharge.
