## ILLUSTRATING PEAKLIFE FOR HIGH PERFORMANCE

National Life's top-notch IUL products are available on WinFlex. Following these guidelines can help ensure easy access to National Life's high-performance IUL product, PeakLife.

### Illustrations on National Life's Products in WinFlex

- Access an application at [www.winflexweb.com](http://www.winflexweb.com) to add National Life as a carrier;
- Include your agency name and National Life agent code, both are required for approval;
- For marketers and sub-agencies, use the company or agency name/code that you are associated with, do not leave blank;
- If an application is denied, the applicant will receive a personalized email from [KPrince@NationalLife.com](mailto:KPrince@NationalLife.com) within three (3) business days with additional steps needed for approval;
- Once approved, you'll have access to illustrate our IUL products, including FlexLife and PeakLife.
- Note that you must include our full illustration when showing a WinFlex illustration to a consumer

### Running Illustrations in WinFlex

- The default bonus level is set to Enhancer Plus.
- Set the bonus level to Enhancer Max for better comparisons with other maximally illustrated designs.
