Jeffrey A. Styron: Final Debarment Order

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is issuing an order under the Federal Food, Drug, and Cosmetic Act (FD&C Act) debaring Jeffrey A. Styron for a period of 5 years from importing articles of food or offering such articles for importation into the United States. FDA bases this order on a finding that Mr. Styron was convicted of a felony count under Federal law for conduct relating to the importation into the United States of an article of food. Mr. Styron was given notice of the proposed debarment and an opportunity to request a hearing within the timeframe prescribed by regulation. As of September 29, 2021 (30 days after receipt of the notice), Mr. Styron has not responded. Mr. Styron's failure to respond and request a hearing constitutes a waiver of Mr. Styron's right to a hearing concerning this matter.

SUPPLEMENTARY INFORMATION

## I. Background

Section 306(b)(1)(C) of the FD&C Act (21 U.S.C. 335a(b)(1)(C)) permits FDA to debar an individual from importing an article of food or offering such an article for import into the United States if FDA finds, as required by section 306(b)(3)(A) of the FD&C Act, that the individual has been convicted of a felony for conduct relating to the importation into the United States of any food. On March 9, 2021, Mr. Styron was convicted as defined in section 306(l)(1)(A) of the FD&C Act, in the U.S. District Court for the Eastern District of North Carolina, when the court accepted Mr. Styron's plea of guilty and entered judgment against him for the offense of Lacey Act False Labeling and Aiding and Abetting in violation of 16 U.S.C. 3372(d), 3372(d)(1), 3372(d)(2), 3373(d)(3)(A)(i), 3373(d)(3)(A)(ii), and 18 U.S.C. 2.

FDA's finding that the debarment is appropriate is based on the felony conviction referenced herein. The factual basis for this conviction is as follows: As contained in the Plea Agreement filed in his case on September 3, 2020, Mr. Styron admitted that he knowingly made or submitted and caused to be made or submitted a false record, account, label for, or identification of any fish or wildlife, as set forth in the Criminal Information. The Criminal Information, filed July 22, 2020, sets forth that Mr. Styron was an owner-operator of Garland Fulcher Seafood Company, Inc. (GFS) and the manager and supervisor of the company's facility in North Carolina. GFS was in the business of purchasing, processing, packaging, and selling seafood, including crabmeat. Beginning at least as early as January 2014 and continuing through December 2017, Mr. Styron and his company were unable to satisfy customer demand for domestically harvested blue crab. Mr. Styron caused the company to purchase foreign crabmeat from South America and Asia. Mr. Styron then directed his employees to repack foreign crabmeat into containers labeled "Product of the USA," which was then sold to customers as jumbo domestically harvested "fresh" blue crab. Mr. Styron knew that the crabmeat sold during that time period was labeled and represented as domestically harvested crabmeat when, in truth and in fact, it was or contained foreign crabmeat. Within this time period, at his direction GFS

purchased and repackaged thousands of pounds of foreign jumbo crabmeat from South America and Asia. The foreign jumbo crabmeat was repacked into containers labeled “Product of USA.”

As a result of this conviction FDA sent Mr. Styron, by certified mail on August 18, 2021, a notice proposing to debar him for a period of 5 years from importing articles of food or offering such articles for import into the United States. The proposal was based on a finding under section 306(b)(1)(C) of the FD&C Act that Mr. Styron’s felony conviction of violating the Lacey Act False Labeling and Aiding and Abetting in violation of 16 U.S.C. 3372(d), 3372(d)(1), 3372(d)(2), 3373(d)(3)(A)(i), 3373(d)(3)(A)(ii), and 18 U.S.C. 2 constitutes conduct relating to the importation into the United States of an article of food because the offense involved Mr. Styron and his company falsely labeling crabmeat that was imported from a number of foreign countries as crabmeat that was a “Product of USA.”

The proposal was also based on a determination, after consideration of the relevant factors set forth in section 306(c)(3) of the FD&C Act, that Mr. Styron should be subject to a 5-year period of debarment. The proposal also offered Mr. Styron an opportunity to request a hearing, providing Mr. Styron 30 days from the date of receipt of the letter in which to file the request, and advised Mr. Styron that failure to request a hearing constituted a waiver of the opportunity for a hearing and of any contentions concerning this action. Mr. Styron failed to respond within the timeframe prescribed by regulation and has, therefore, waived his opportunity for a hearing and waived any contentions concerning his debarment (21 CFR part 12).

## II. Findings and Order

Therefore, the Assistant Commissioner, Office of Human and Animal Food Operations, under section 306(b)(1)(C) of the FD&C Act, under authority delegated to the Assistant Commissioner, finds that Mr. Styron has been convicted of a felony count under Federal law for conduct relating to the importation into the United States of an article of food and that he is subject to a 5-year period of debarment.

As a result of the foregoing finding, Mr. Styron is debarred for a period of 5 years from importing articles of food or offering such articles for import into the United States, effective (see DATES). Pursuant to section 301(cc) of the FD&C Act (21 U.S.C. 331(cc)), the importing or offering for import into the United States of an article of food by, with the assistance of, or at the direction of Jeffrey A. Styron is a prohibited act.

Any application by Mr. Styron for termination of debarment under section 306(d)(1) of the FD&C Act should be identified with Docket No. FDA-2021-N-0346 and sent to the Dockets Management Staff (see ADDRESSES). The public availability of information in these submissions is governed by 21 CFR 10.20.

Publicly available submissions will be placed in the docket and will be viewable at <https://www.regulations.gov> or at the Dockets Management Staff (see ADDRESSES) between 9 a.m. and 4 p.m., Monday through Friday, 240-402-7500.

Dated: December 9, 2021.

Lauren K. Roth,

Associate Commissioner for Policy.
