SUPPLEMENTARY INFORMATION: CPSC seeks to renew the following currently approved collection of information:

Title: Safety Standard for Automatic Residential Garage Door Operators

OMB Number: 3041-0125

Type of Review: Renewal of collection

Frequency of Response: On occasion

Affected Public: Manufacturers and importers of automatic residential garage door operators.

Estimated Number of Respondents: An estimated 17 firms that conduct performance tests and maintain records based on the test results to retain UL certification and verify compliance with the rule.

Estimated Time per Response: Based on staff's review of industry sources, each respondent will spend an estimated 40 hours annually on the collection of information related to the rule.

Total Estimated Annual Burden: 680 hours (17 firms x 40 hours).

General Description of Collection: On December 22, 1992, the Commission issued rules prescribing requirements for a reasonable testing program to support certificates of compliance with the Safety Standard for Automatic Residential Garage Door Operators (57 FR 60449).

These regulations also require manufacturers, importers, and private labelers of residential garage door operators to establish and maintain records to demonstrate compliance with the requirements for testing to support certification of compliance. 16 CFR part 1211, subparts B and C.

Request for Comments

CPSC solicits written comment from all interested persons about the proposed collection of information. CPSC specifically solicits information relevant to the following topics:

- Whether the collection of information described is necessary for the proper performance of CPSC's functions, including whether the information would have practical utility;
- Whether the estimated burden of the proposed collection of information is accurate;
- Whether the quality, utility, and clarity of the information to be collected could be enhanced; and
- Whether the burden imposed by the collection of information could be minimized by use of automated, electronic, or other technological collection techniques, or other forms of information technology.

Alberta E. Mills,

Secretary,

Consumer Product Safety Commission.
