2. **PARTICIPATION:** Use of specific NASPO ValuePoint cooperative contracts by agencies, political subdivisions and other entities (including cooperatives) authorized by an individual state's statutes to use state contracts are subject to the prior approval of the respective State chief procurement official. Issues of interpretation and eligibility for participation are solely within the authority of the State chief procurement official. Pursuant to this Participating Addendum, the Cooperative Purchasing Master Agreement may be utilized by the following ("Purchasing Entities" or "Purchasers"):

### 3. **PARTICIPATING STATE MODIFICATIONS OR ADDITIONS TO COOPERATIVE PURCHASING MASTER AGREEMENT:**

3.1. **CONTRACT SALES REPORTING:** Contractor shall report total contract sales quarterly to Enterprise Services, as set forth below.

- (a) **REPORTING.** Contractor shall report quarterly Contract sales in Enterprise Services' [Contract Sales Reporting System](#). Enterprise Services will provide Contractor with a login password and a vendor number. Notwithstanding any provision to the contrary, Contractor shall report to Enterprise Services total contract sales, delineated by purchaser, made by each individual authorized dealers/resellers or subcontractor and also report total contract sales, delineated by purchaser, on a consolidated Contractor 'roll-up' basis. Contractor shall maintain records supporting such reports in accordance with the Master Agreement's records retention requirements.
- (b) **DATA.** Each sales report must identify every authorized Purchasing Entity by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The "Miscellaneous" option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasing Entities specified herein during the term of this Participating Addendum. Refer sales reporting questions to the Primary Contact set forth below. If there are no contract sales during the reporting period, Contractor must report zero sales.
- (c) **DUE DATES FOR CONTRACT SALES REPORTING.** Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all sales invoiced during the applicable calendar quarter:

For Calendar Quarter Ending	Contract Sales Report Due
March 31	April 30
June 30	July 31
September 30	October 31
December 31	January 31

3.2. **VENDOR MANAGEMENT FEE:** Contractor shall pay to Enterprise Services a vendor management fee ("VMF") of 1.5 percent on the purchase price for all contract sales (the purchase price is the total invoice price less applicable sales tax) authorized by this Participating Addendum.

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:  
$$\text{Amount owed to Enterprise Services} = \text{Total contract sales invoiced (not including sales tax)} \times .0150.$$
- (b) The VMF must be rolled into Contractor's current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.
- (c) Enterprise Services will invoice Contractor quarterly based on contract sales reported by Contractor. Contractor shall not remit payment until it receives an invoice from Enterprise Services. Contractor's VMF payment to Enterprise Services must reference the following:

- This Washington Master Contract No.: **00318**
  - The NASPO Cooperative Purchasing Master Agreement No.: **00318**
  - The year and quarter for which the VMF is being remitted, and
  - Contractor's name as set forth in this Contract, if not already included on the face of the check.
- (d) Contractor's failure accurately and timely to report total net sales, to submit usage reports, or remit payment of the VMF to Enterprise Services, may be cause for suspension or termination of this Participating Addendum or the exercise of any other remedies as provided by law.
- (e) Without limiting any other remedy available to Enterprise Services, Contractor shall reimburse Enterprise Services for any underpayment of the VMF, at a rate of 125% of such fees found as a result of the examination of the Contractor's records (e.g., if Contractor underpays the VMF by \$500, Contractor would be required to pay to Enterprise Services  $\$500 \times 1.25 = \$625$ ).
- (f) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases.
- (g) For purposes of the VMF, the parties agree that the initial management fee is included in the pricing. Therefore, any increase or reduction of the management fee must be reflected in contract pricing commensurate with the adjustment.

**3.3. CONTRACTOR REPRESENTATIONS AND WARRANTIES:** Contractor makes each of the following representations and warranties as of the effective date of this Participating Addendum and at the time any order is placed pursuant to the Master Contract. If, at the time of any such order, Contractor cannot make such representations and warranties, Contractor shall not process any orders and shall, within three (3) business days notify Enterprise Services, in writing, of such breach.

- (a) **COMPLIANCE WITH LAW; TAXES, LICENSES, & REGISTRATION.** Contractor shall comply with all applicable law. Prior to making any sales hereunder, if Contractor is not already registered, Contractor shall register to conduct business in the State of Washington and promptly acquire and maintain all necessary licenses and registrations and pay all applicable taxes and fees. In addition, for all sales to Purchasers in the State of Washington, if Contractor does not currently do so, Contractor shall calculate, collect, and remit, as appropriate, the applicable state and local sales tax on all invoices.
