## **Paycor Earning Codes During COVID-19**

If Paycor is your payroll processor, please note new earnings codes related to Emergency Sick Leave and Emergency Family Leave. The following codes are designed to be used for these tracking purposes.

### **Paycor earnings codes to support this legislation:**

1. ESL – Emergency Sick Leave for taking care of yourself (annual max of 10 days and \$5,110). Tax credit to employer from Federal taxes is 100% of pay using this code.
2. EFSL – Emergency Sick Leave for taking care of someone in your family (annual max of 10 days and \$2,000). Tax credit to employer from Federal taxes is two-thirds of pay using this code.
3. EFMLA – Emergency Family Leave for childcare (annual max of 10 weeks paid and \$10,000). Tax credit to employer from Federal taxes is two-thirds of pay using this code.
