Revised: September 13, 2021

What is Title I?

Hembree Springs Elementary School is identified as a Title I school as part of the Every Student Succeeds Act of 2015 (ESSA). Title I is designated to support State and local school reform efforts tied to challenging State academic standards in order to re-inforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parent and family engagement. **All Title I schools must jointly develop with all parents a written Parent And Family Engagement Plan.**

Parent and Family Engagement Plan

What is it? This Parent and Family Engagement Plan describes how Hembree Springs Elementary School will provide opportunities to improve parent and family engagement to support student learning. Hembree Springs Elementary School is committed to the goal of increasing the number of parents involved in influencing the success of all students through academic support and school activities and programs. This plan describes the different ways that Hembree Springs will support parent and family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed and revised? Hembree Springs Elementary School welcomes input and comments from all parents and family members in the school at any time regarding all parts of this plan. This plan is posted on our school website for parents to view and send feedback throughout the year. Feedback can be sent at any time using the feedback form available online or requesting a paper form with the Title I Parent Liaison. The school also distributes an annual parent survey online and a hard copy and hosts two Parent Input Meeting in the Spring to ask parents to review and revise this plan. These same input/feedback opportunities are offered to parents regarding the Title I Schoolwide Plan, the School-Family Compact, and the reserved Title I funds for parent and family engagement activities. Any comments or feedback showing the Title I Schoolwide Plan is not satisfactory to parents will be submitted to the District Title I Office. All feedback is considered before the Title I documents for the new year are finalized and approved. Each year the PFEP is updated to meet the changing needs of parents and the school. All parents are welcomed to be part of the decision-making process by completing the feedback form, annual survey and by attending the Parent Input Meetings.

Who is it for? All students of Hembree Springs Elementary School and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Hembree Springs will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available? The plan is first discussed at our Annual Title I Parent Meeting at the beginning of the school year. This plan is sent home with all our students in Friday's folders or via email during the month of October at our Parent/Teacher Conferences. The plan is also available on the school website in the *About* section under *Title I*. The District requests the PFEP also be available in the community at Enclave and Rosemont Apartment offices.

Parent and Family Engagement Program and Activities*

Hembree Springs Elementary School will host the following meetings and events to build the capacity for strong parent and family engagement to support a partnership among the school, families, and the community to improve student academic achievement.

Open House / Curriculum Information Day– August 6th, 2021

At this event your child will meet his/her teacher and find out what curriculum is used at the school, what your children will be learning this year, hear about the grade level standards, assessments and expectations from his/her teacher, learn how you can support your student and help him/her have a great year.

Annual Title I Parent On line Meeting – September 16, 2021

All parents are invited to attend this meeting and be informed about the school Title I program for the year including our Parent and Family Engagement Plan, school goals, the School-Family Compact, and the parents' rights to be involved.

Additional Parent Meetings and Workshops

- Digital Resources and Digital Citizenship
- Literacy / Reading Curriculum and Support
- Infinite Campus & Classroom Utilization
- Family Math Night
- Transition to Middle School
- Kindergarten Sneak Peek & Parent Orientation
- Summer Learning

Scheduled Parent-Teacher Conferences - Fall 2021

Parent Teacher conferences to offer updates on your child's progress and review the School-Family Compact

Annual Input and Evaluation Meeting – Spring 2022

Opportunity for all parents and community to evaluate the Title I program at the school and give input for the development of the program for the following year. Use for the 1% reserved funds allotted for parent and family engagement activities will also be discussed.

Please pay attention to newsletters, fliers, and websites for any additions or changes to this list, as COVID restrictions have mandated many meetings will be offered online.*

School-Family Compact

As part of this plan, Hembree Springs Elementary School and our families will develop a School-Family Compact, which is an agreement that parents, teachers, and students will develop together and explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compact will be reviewed and updated and its impact evaluated annually based on feedback from parents and teachers obtained during our Parent Input Meeting in spring and with the use of the Annual Parent and Family Engagement Survey and other/any feedback offered during the year. All parents will receive a copy of the school-family compact and can request additional copies with the Title I Parent Liaison. The Compact is also available online on the school website.

2021-22 Fulton County Schools Goals

Ensure that all FCS students graduate prepared to pursue their chosen paths - whether college, career or military- and to succeed on those paths after high school by focusing on 4 top priorities over the next 5 years:

- ⇒ Student Achievement– Prepare students with strong academic foundations and the skills needed to navigate life beyond graduation
- ⇒ People and Culture– Provide a welcoming environment and positive school and district culture for students, families and employees
- ⇒ Community Collaboration– Engage families, community members and civic organizations as active partners
- ⇒ Fiscal Responsibility– Manage and protect public funds and assets through efficient and effective use of available resources

School Measures to provide Required Assistance

Hembree Springs will take the following measures to promote and support parents and family members as an important foundation of the school in order to strengthen the school and reach our school goals. We will -

- Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school website and included in the school newsletter for all parents.
- Share information in English and Spanish during parent meetings and conferences for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- Each semester the staff receives training on the value and utility of contributions of our parents, how to reach out, communicate and work with parents as equal partners. And how to better build ties between home and school. Continuous methods are provided for the staff throughout the school year.
- Communicate with all families on a regular basis regarding the Title I programs and activities using various methods as phone messages, emails, flyers, school newsletter and school website.
- Provide Parents conferences with grade level teachers and discuss the School Compact and student progress.
- Provide necessary materials and handouts for parents at conferences, meetings, and in the *Parent Resource Center* to help parents support student learning at home.
- Share information and hold meetings for local Pre-K programs and parents with kids transitioning to kindergarten and middle school to help prepare them and their child for a successful transition.
- Host and/or collaborate with the community to offer classes such as technology and English as a second language to help further enhance parents' various educational levels as well as the Harms of Copyright Piracy.
- Offer childcare for students during parent meetings and workshops in the evening hours.
- Conduct parent meetings in the morning and evening to facilitate attendance by most parents and post electronic presentations and handouts, when available, in the school website.
- Use the Parent Resource Center as a place to keep presentations and materials for parents unable to attend parent meetings and to offer individual or small group redelivery of presentations during the day if requested by parents.
- Collect feedback from parents at all events in order to respond to parents' requests for additional support for parental involvement activities, and allow parents the opportunity to give input on the use of the 1% parent engagement funds.
- Encourage parents to volunteer at the school.

The residential facilities for students in the Hembree Springs Elementary School attendance area are included in the family engagement correspondence and activities.

National PTA Standards for Family-School Partnerships

Hembree Springs Elementary following the steps of the Georgia Department of Education, has adopted the National Parent Teacher Association (PTA) Standards for Family-School Partnerships as the school's model in engaging parents, students and the community. These standards are:

1) *Welcoming All Families*

Families are active participants in the life of the school, and feel welcomed, valued, and connected to each other, to school staff, and to what students are learning and doing in class.

2) *Communicating Effectively*

Families and school staff engage in regular, two-way, meaningful communication about student learning.

3) *Supporting Student Success*

Families and school staff continuously collaborate to support students learning and healthy development both at home and at school, and have regular opportunities to strengthen their knowledge and skills to do so effectively.

4) *Speaking Up for Every Child*

Families are empowered to be advocates for their own and other children, to ensure that students are treated fairly and have access to learning opportunities that will support their success.

5) *Sharing Power*

Families and school staff are equal partners in decisions that affect children and families and together inform, influence, and create policies, practices, and programs.

6) *Collaborating with Community*

Families and school staff collaborate with community members to connect students, families, and staff to expanded learning opportunities, community services, and civic participation.
