GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
291	Multiple	\$52,920,917		260	6,235,765
	Jul-12	\$2,419,773		18	
	Jul-13	\$3,621,952		20	
	Jul-14	\$7,625,169		42	
	Jul-15	\$8,557,976		50	
	Jul-16	\$9,139,353		47	
	Jul-17	\$13,563,317		72	
	Jul-18	\$14,028,280		80	
	Aug-19	\$14,343,523		90	
	Aug-20	\$12,432,972		103	
	Jul-21	\$7,560,201		57	
	Jan-22	\$7,807,202		54	
	Jul-22	\$6,010,234		34	
	Jan-23	\$5,935,200		39	
	Sep-23	\$3,320,935		7	
	Jan-24	\$7,732,266			
Abington	Dec-17	\$164,900	to fund energy conservation measures, EMS, VFDs, and administrative support, in Town Hall and Library	X	17,094
	Jul-21	\$198,140	to fund energy conservation measures, weatherization, LED lighting, air source heat pump, destratification fans, and administrative assistance, in municipal facilities including Frolio, Beaver Brook, Woodsdale, other schools, and Senior Center	X	
	Sep-23	\$200,000	to fund energy conservation measures, heat pump and administrative assistance, in municipal facilities including Senior Center		
Acton	May-10	\$150,794	to fund energy conservation, lighting, HVAC analysis, DHW heater, vending misers, and energy education, in municipal facilities including Library, Town Hall, Public Safety Facility, Davis Memorial; and Acton-Boxborough Regional School District	X	23,846
	Jul-12	\$140,738	to fund energy efficiency measures, demand control ventilation, unit ventilator controls, weatherization, and HVAC re-commissioning, in municipal facilities including RJ Grey , Conant, Douglas, Gates Elementary Schools and Administration	X	
	Jul-14	\$229,819	to fund energy conservation measures in the Memorial Library and five schools	X	
	Jul-15	\$245,000	to fund energy conservation measures, LED streetlights, lighting, HVAC upgrades, and thermostats in municipal facilities including Parker Damon Building, Douglas and Conant Elementary, RJ Grey Junior High, and Acton-Boxborough RHS	X	
	Jul-17	\$244,924	to fund energy conservation measures, interior LED lighting, in municipal facilities including Parker Damon Building, Acton-Boxborough Regional High School, and RJ Grey Junior High School	X	
	Jul-18	\$249,984	to fund energy conservation measures, LED lighting retrofits and insulation jackets, in municipal facilities including DPW, Town Hall, Fire Stations 1, 2, 3, Acton-Boxborough Regional High School, Parker Damon, and Administration Building	X	
	Aug-19	\$139,219	to fund energy conservation measures, LED lighting and controls, in municipal facilities including Public Safety and Recreation (50 Audubon) Buildings and Acton-Boxborough Regional High School	X	
	Aug-20	\$91,553	to fund energy conservation, lighting, retrocommission, hybrid vehicle, and EV charging station, in municipal facilities including Parker Damon, RJ Grey Jr High, Acton-Boxborough RHS and other buildings, and town vehicle fleet and infrastructure	X	
	Jul-21	\$93,921	to fund energy conservation measures, hybrid vehicle, electric vehicle lease, weatherization, and lighting, in municipal facilities including town vehicle fleet, Memorial Library, 468 Main St., Acton-Boxborough Regional High School, and Parker Damon	X	
	Jan-23	\$100,000	to fund energy conservation measures, weatherization, in municipal facilities including Administration Building, Parker Damon Building, RJ Grey Junior High School, and Public Safety Facility	X	
	Jan-24	\$100,000	to fund energy measures, weatherization, hybrid / electric vehicles, in Town Hall and Recreation Center		
Acushnet	Dec-13	\$154,225	to fund energy conservation measures in school and several municipal buildings	X	10,553
	Jul-15	\$206,014	to fund energy conservation, HVAC, lighting and controls, misers, weatherization, DCV, in municipal facilities including Town Hall, Parting Ways, Emergency Medical Services, Ford Middle and Elementary Schools, Council on Aging, and DPW garages	X	
	Jul-17	\$131,003	to fund energy conservation measures, weatherization, lighting, HVAC fuel conversion, and LED streetlights, in municipal facilities including Town Hall, EMA Building, Fire Station #1 & #2, and Golf Course Maintenance Building	X	
	Jul-18	\$132,287	to fund energy measures, insulation, lighting, and streetlights, in Parting Ways, Police Station, and Council on Aging	X	
	Aug-19	\$171,494	to fund energy conservation, LED lighting / controls, in municipal facilities including Elementary and Ford Middle Schools	X	
	Aug-20	\$153,358	to fund energy conservation , LED lighting / controls, in municipal facilities including Elementary and Ford Middle Schools	X	
	Jul-22	\$74,850	to fund energy conservation measures, pipe insulation, weather-stripping, air sealing, LED lighting, and administrative assistance, in municipal facilities including Highway, Ford Middle School, and town vehicle fleet	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Adams	Dec-15	\$166,865	to fund an HVAC Engineering Study for Memorial School/Community Center, ASHRAE Level II energy audits for Town Hall, Police Station, and Library, and LED streetlight and exterior lighting conversion for downtown and other areas	X	8,100
	Aug-19	\$15,000	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall	X	
	Jan-22	\$140,486	to fund energy conservation measures, LED lighting, weatherization and administrative assistance, in municipal facilities including Dept of Public Works, Wastewater Treatment Plant, and Town Hall	X	
Agawam	Feb-17	\$207,970	to fund energy conservation measures, LED lighting, HVAC upgrades, refrigeration, energy management system, and variable frequency drives, in municipal facilities including James Clark School and Roberta Doering Middle Schools	X	28,494
	Aug-19	\$201,133	to fund energy conservation measures, EMS and air handling unit controls, and lighting, in municipal facilities including Granger Elementary School, Library, and DPW	X	
	Aug-20	\$177,396	to fund energy conservation measures, LED lighting, EC motors, evaporator fan controls, cooler miser, and VFDs, in municipal facilities including High and Junior High Schools	X	
Amesbury	Dec-13	\$173,775	to fund a HVAC assessment at the Middle School, purchase of two BigBelly compactors, purchase of an electric vehicle and charging station at the Water Department, services, and the following energy conservation measures: an LED retrofit of period streetlights in the downtown; and exterior lighting upgrades at the Cashman, Middle, and High Schools.	X	17,269
	Jul-15	\$225,865	to fund the following energy conservation measures at the Amesbury Middle School: installation of a new energy management system, destratification fans in the gym, and vending misers, and repair of heating system steam traps	X	
	Jul-17	\$250,000	to fund energy conservation measures in municipal facilities including Amesbury High School, Middle School, and Cashman Elementary School. The energy conservation measures funded by this grant are: weatherization, HVAC controls upgrades, transformer upgrades, and installation of variable frequency drive pumps	X	
	Jul-18	\$250,000	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Aug-20	\$84,131	to fund energy conservation measures, fan motor VFDs, demand control ventilation, and DDC upgrade on rooftop air handlers, in municipal facilities including Middle, High, and Cashman Schools	X	
	Sep-23	\$135,577	to fund energy conservation measures, LED lighting, weatherization and insulation, and administrative assistance, in municipal facilities including Middle and High Schools		
Amherst	Jul-12	\$302,000	to fund the conversion of the town's streetlights from high pressure sodium to LED technology.	X	39,378
	Jul-14	\$102,541	to fund energy conservation measures in Town Hall and the North Fire Station	X	
	Jul-16	\$175,971	to fund energy conservation measures, electric vehicle purchase and EV charging station, AHU controls and elevator vents, boiler replacement, propane furnace, LED lighting and controls, in municipal facilities including Town Hall, Police Station, Conservation Field Office, Cherry Hill Golf buildings and town vehicle fleet	X	
	Aug-20	\$125,449	to fund energy conservation measures, LED lighting and idle reduction technology for vehicles, in municipal facilities including Munson Library, Police, Town Hall, and town vehicle infrastructure	X	
Andover	May-10	\$160,329	to fund a municipal lighting retrofit project at six school buildings: the Doherty Middle School, High Plain Elementary School/Wood Hill Middle School, Sanborn Elementary School, South Elementary School, West Elementary School and at two municipal buildings: Public Safety Center and Town House.	X	36,517
	Jul-12	\$220,599	to fund the following energy efficiency measures in municipal buildings: retrocommissioning of the Public Safety Center, Memorial Hall Library, Town Offices, Andover High School, and Andover Town House; installation of LED exterior lighting and air sealing in the Public Safety Center; installation of demand control ventilation in Memorial Hall Library, Andover High School, and Andover West Middle School; and installation of variable frequency drives in the High School.	X	
	Jul-15	\$191,901	to fund the following energy conservation measures: in the High School, air sealing to improve the building envelope, exterior LED lighting retrofit and interior LED lighting and controls in school hallways, and plug load management controls; In West Middle and West Elementary Schools, interior LED lighting and controls in school hallways; and replacement of two pumps and motors in the Bancroft Pump Station	X	
	Jul-17	\$156,440	to fund energy conservation measures in municipal facilities including Doherty Middle School, Sanborn Elementary School, and the High School's Collins Center for the Performing Arts. The energy conservation measures funded by this grant are smart LED retrofits and LED theatrical lighting and controls	X	
	Jul-18	\$142,625	to fund energy conservation measures, LED lighting retrofit and Building Operator Certification training, in municipal facilities including High School-Collins Center, Doherty Middle School, and West Fire Station	X	
	Aug-20	\$146,770	to fund energy conservation measures, LED lighting, in municipal facilities including Collins Center and West Middle School	X	
	Jul-22	\$94,494	to fund energy conservation measures, weatherization, in municipal facilities including Sanborn Elementary, South Elementary, and West Middle Schools	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Aquinnah	Feb-20	\$125,562	to fund energy conservation measures, engineering services, hybrid vehicle lease, lighting, mini-split heat pump, hot water upgrade, weatherization, and heat pump hot water heater, in municipal facilities including Town Hall, Town Office Complex, Cultural Center, Fire House, The Cliffs, and vehicle fleet	X	450
Arlington	May-10	\$200,188	to fund conversion to high-efficiency LED streetlights; and replacement of steam traps; and an upgrade for energy management system at the Hardy School.	X	45,617
	Jul-12	\$250,000	to fund the following energy efficiency measures in municipal buildings: Heating Ventilation and Air Conditioning upgrades in Arlington High School and installation of ten variable frequency drives and associated electrical connections and control equipment in the Bishop, Brackett, Ottoson, Peirce, Robins, and Hardy schools.	X	
	Jul-14	\$247,894	to fund administration costs and energy conservation measures in the Ottoson Middle and Arlington High Schools	X	
	Jul-15	\$240,000	to fund energy conservation measures, energy management system, boiler updates, heating system modifications, exterior LED lighting retrofits, Fault Detection and Diagnostic System software, refrigeration controls, efficient condensing boiler, and programmable thermostats, in municipal facilities including Bishop Elementary, Brackett Elementary, Ottoson Middle, Peirce Elementary, Andover High, and Hardy Elementary Schools.	X	
	Jul-16	\$247,639	to fund the following energy conservation measures: in Town Hall, installation of a web-based Energy Management System, interior and exterior LED lighting retrofit, and step-down transformer upgrades; in Hardy Elementary School, install boiler 3-way valve for building hot water temperature and exterior LED lighting retrofit; and interior and/or exterior LED lighting retrofits in four schools and two municipal facilities	X	
	Jul-17	\$179,698	to fund energy conservation measures in municipal facilities including town vehicle fleet, Brackett School, Dallin School, and Ottoson School. The energy conservation measures funded by this grant are: LED lighting upgrades, gym air handler variable frequency drive and controls, and purchase of electric vehicles	X	
	Jul-18	\$210,290	to fund energy conservation measures, floating head control, door weatherization, LED lighting, and electric vehicle acquisition, in municipal facilities including Ed Burns Arena, Ottoson, Bishop, Hardy and High Schools, and town vehicle fleet	X	
	Aug-19	\$98,052	to fund energy conservation measures, LED lighting, interior and exterior , in municipal facilities including Ottoson Middle School, Jefferson Cutter House, and Bishop Elementary School	X	
	Aug-20	\$100,000	to fund energy conservation measures, LED lighting, in municipal facilities including Hardy and Peirce Schools	X	
	Jul-21	\$99,632	to fund energy conservation measures, LED lighting and attic insulation, in municipal facilities including Peirce and Brackett Elementary Schools and Community Safety Building	X	
	Jul-22	\$100,000	to fund energy conservation measures, attic insulation, LED lighting, and air source heat pump, in municipal facilities including Town Hall, Media/Dallin Library, and Brackett Elementary School	X	
	Sep-23	\$100,000	to fund energy conservation measures, heat pump systems, insulation, and LED lighting, in municipal facilities including Jarvis House, Community Media / Dallin Branch Library, and Cyrus E. Dallin Elementary School		
Ashburnham	Dec-14	\$150,825	to fund energy conservation measures, HVAC assessment, lighting, HVAC upgrades, weatherization, and DHW upgrade, in municipal facilities including Stevens Library, Public Safety, and Town Hall	X	6,341
	Jul-17	\$217,300	to fund energy conservation measures in municipal facilities including Stevens Memorial Library. The energy conservation measures funded by this grant are installation of heat pumps, an oil to electric fuel conversion	X	
	Aug-19	\$20,254	to fund energy conservation measures, heat pump water heating system and EV charging station, in municipal facilities including Public safety Building and vehicle fleet infrastructure	X	
	Aug-20	\$10,405	to fund energy conservation measures, demand flow control system and hybrid vehicle purchase, in municipal facilities including Stevens Memorial Library and town vehicle fleet	X	
	Jan-22	\$20,000	to fund energy conservation measures, hybrid police and fire vehicles, in municipal facilities including vehicle fleet	X	
	Jan-23	\$10,000	to fund energy conservation measures, hybrid cruiser, in municipal facilities including town vehicle fleet	X	
Ashby	Dec-13	\$133,350	to fund administrative costs and ASHRAE Level II energy audits for Town Hall, Police and Fire Stations, Library, Highway Building #1 & #2; and implementation of the following energy conservation measures: in Town Hall, Police Station, Fire, and Highway #2, insulation and weatherization measures, and in DPW, exterior storm windows and replacement of garage doors	X	3,170
	Jul-17	\$100,981	to fund energy conservation measures in municipal facilities including Town Hall and the Public Library. The energy conservation measures funded by this grant are: high efficiency boilers and programmable thermostats	X	
	Aug-19	\$114,353	to fund energy conservation measures, insulation, LED lighting, storm windows, refrigeration upgrades, and administrative costs, in municipal facilities including Highway Building #1, Library, Elementary School	X	
	Jan-22	\$4,467	to fund energy conservation measures, programmable thermostats, weather-stripping, pipe insulation, in municipal facilities including Fire Station, Highway Buildings #1 & #2, and Town Hall	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Ashfield	Dec-11	\$141,025	to fund energy conservation measures in municipal facilities including DPW Garage, Town Hall, Fire Station, Library, WWTP and Police. The energy conservation measures funded are: weatherization, lighting, furnace replacement and fuel conversion, HVAC upgrades, tankless water heaters, and energy audits	X	1,691
	Aug-19	\$24,453	to fund energy conservation measures, EMS repair and upgrade, weatherization, hybrid vehicle purchase, certification training, and administrative costs, in municipal facilities including Town Garage, Library, Police Dept.	X	
Ashland	Jul-12	\$164,325	to fund technical and administrative assistance, energy conservation measures: an LED streetlight pilot; replacement of the hot water system at the Middle School; and exterior lighting at the Middle, Warren, Mindless, and Pittaway schools, DPW, Public Library, Community Center Pavilion, Fire HQ, Center Street Fire and Police Stations	X	18,560
	Jul-14	\$250,000	to fund conversion of streetlights to LED technology	X	
	Jul-16	\$224,100	to fund installation of a new energy efficient boiler at Mindess School	X	
	Aug-20	\$70,976	to fund energy conservation measures, LED lighting and EV charging station, in municipal facilities including Town Hall and town vehicle infrastructure	X	
Athol	May-10	\$171,523	to fund energy efficiency improvements at the senior center and fire #2 station, energy modeling and a renewable energy district energy heating and cooling alternatives study for a shared system for town hall and library, a new propane furnace at the South Street Well Process building, streetlight replacements with energy efficient LED technology, a solar hot water system at the fire #2 station, and some grant administrative costs.	X	11,905
	Jul-13	\$232,349	to fund an energy management system for the DPW garage and Water Treatment Facility and a variable refrigerant flow HVAC system at the Public Library	X	
	Jul-15	\$71,962	to fund the following energy conservation measures: weatherization measures, pipe insulation and boiler temperature reset controller for the heating hot water system at the Millers River Environmental Center; weatherization measures and pipe insulation for the heating hot water system at the DPW Highway Garage; exterior lighting retrofits to LEDS at the Fire Station; and interior and exterior lighting retrofits to LEDS at the Police Station	X	
	Jul-18	\$116,762	to fund energy conservation measures, LED lighting upgrades and heating efficiency improvements, in municipal facilities including DPW Compound, Police Station, and Town Hall	X	
	Aug-20	\$20,998	to fund energy conservation measures, EV charging station and LED lighting, in municipal facilities including Miller's River Environmental Center, Animal Control Facility, and town vehicle infrastructure	X	
	Jan-22	\$94,675	to fund energy conservation measures, LED lighting and controls, weather-stripping, weatherization, pipe insulation, and administrative assistance, in municipal facilities including Town Hall, Senior Center, and Uptown Fire #2	X	
	Jan-24	\$39,989	to fund energy conservation measures, weatherization, in municipal facilities including Police Station		
Attleboro	Feb-20	\$244,370	to fund energy conservation measures, lighting, RTU with gas heat, and energy management system, in municipal facilities including Sports Complex, Fred Briggs Pool, South Attleboro and Twin Village Fire Stations, and City Hall	X	46,580
	Jan-22	\$181,587	to fund energy conservation measures, weatherization, in municipal facilities including Annex Building, City Hall, South and Briggs Fire Stations, Police Station, and Recreation Dept	X	
	Sep-23	\$110,050	to fund energy conservation measures, weatherization, in municipal facilities including Fire Dept HQ, Fire Dept Training Center, Parks & Forestry Administration Building, and Twin Village Fire Station	X	
Auburn	Jul-12	\$165,550	to fund administrative costs and the following energy conservation measures: an interior lighting retrofit, freezer/cooler controls, an upgrade of the EMS system and HVAC systems including installation of VFDs and exhaust fans in the High School; interior lighting retrofits in Fire, Highway, Police, Town Hall and the Library; and building envelope improvements in Town Hall, Town Manager's Office, Library, and Fire Headquarters.	X	16,830
	Jul-15	\$157,095	to fund the following energy conservation measures: at Town Hall, an oil to natural gas heating system conversion, mechanical upgrades and installation of an energy management system; and at the Police Station, installation of variable frequency drives	X	
	Jul-16	\$184,549	to fund energy conservation measures, heating system controls, variable frequency drives, lighting, and weatherization, in municipal facilities including High School, Public Library, and three schools	X	
	Jul-17	\$213,804	to fund energy conservation measures in municipal facilities including Auburn High School, Bryn Mawr Elementary School, and the Public Library. The energy conservation measures funded by this grant are: lighting upgrade, retro-commissioning, steam trap replacement, and building automation system and rooftop unit CO2 controls	X	
	Jul-18	\$229,599	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Aug-20	\$55,282	to fund energy conservation measures, AHU, VFDs, motors, control valves, in municipal facilities including Middle School	X	
	Jul-22	\$100,000	to fund energy conservation measures, weatherization and heat pump, in municipal facilities including Town Hall Annex	X	
	Jan-24	\$155,244	to fund energy conservation measures, VRF heat pump system, in municipal facilities including Bryn Mawr School		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Ayer	Jul-11	\$151,175	to fund energy conservation measures, administrative intern, HAVC heating upgrade, VFD on well pump, thermostat conversion to DDC and sensors, smart strips, lighting, LED streetlights, in municipal facilities including streetlight, Police Dept., WWTP, Spectacle Pond well, and Town Hall	X	8,400
	Jul-16	\$152,875	to fund the following energy conservation measures: a town wide LED streetlight conversion; installation of a variable frequency drive on Spectacle Pond Well 1 pump; and interior and/or exterior lighting upgrades at three municipal facilities	X	
	Aug-19	\$174,576	to fund energy conservation measures, energy management system, boiler, LED lighting, variable frequency drive and certification training, in municipal facilities including Library, Police Station, Town Hall, and Wastewater Treatment Plant	X	
	Jul-21	\$92,037	to fund energy conservation measures, hybrid police cruiser, LED lighting, weatherization, and administrative assistance, in municipal facilities including town vehicle fleet, Police Station, Fire Station, and Library	X	
	Jan-24	\$151,530	to fund energy conservation measures, air sealing, insulation, weather-stripping, heat pump HW heater, heat pump RTU, heat pump ductless, and administrative assistance, in municipal facilities including Town Hall, Police Station, WWTP, and Fire Station		
Barre	Dec-11	\$143,575	to fund energy conservation measures, design services, administrative costs, No Idle signs, lighting, weatherization, building automation system, variable frequency drives and motors, in municipal facilities including Fire Stations #1 & #2, Woods Memorial Library, and Administration Building	X	5,526
	Jul-17	\$116,136	to fund energy conservation measures, lighting and administrative support, in municipal facilities including Town Offices, Town Hall, Public Library, Station #1, Station #2, Senior Center, Well #3, and DPW	X	
	Jul-18	\$33,383	to fund EV charging station and fuel conversion (oil 2 electric) and administrative costs in Fire Station 1 and vehicle infrastructure	X	
	Aug-19	\$96,976	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall, Woods Memorial Library, and Senior Center	X	
Becket	May-10	\$141,326	to fund energy conservation measures, energy audits, weatherization, lighting, fuel conversion, design services, in municipal buildings including Town Hall and Highway Garage	X	1,932
	Aug-20	\$31,600	to fund energy conservation measures, weatherization and heat pump, in municipal facilities including Fire Station #1 and #2	X	
Bedford	Jul-11	\$148,150	to fund energy conservation measures at the Department of Public Works and multiple school buildings, including energy efficiency lighting and variable frequency drives on heating circulation pumps.	X	14,155
	Jul-13	\$199,778	to fund phase one of a streetlight upgrade to LED technology	X	
	Jul-15	\$238,415	to fund energy conservation measures, streetlight conversion, HVAC controls, variable frequency drives, and demand control ventilation, in municipal facilities including Police Dept, Public Library, and Davis Elementary and John Glenn Middle Schools	X	
	Jul-18	\$212,995	to fund energy conservation measures, LED lighting upgrades, in municipal facilities including Town Center and Davis Elementary School	X	
	Aug-19	\$182,330	to fund energy conservation measures, lighting, in municipal facilities including Lane Elementary School, John Glenn Middle School, and Bedford High School	X	
	Jan-23	\$50,000	to fund energy conservation measures, LED lighting, in municipal facilities including High School and Lane Elementary School	X	
Belchertown	May-10	\$160,917	to fund the buy-down of an energy management services contract for municipal buildings; specifically implementation cost of a comprehensive direct digital controlled energy management system at Chestnut Hill Elementary School.	X	15,279
	Jul-15	\$51,338	to fund the installation of an Electronic Fuel Management System and software for municipal vehicles and establishment of a behavioral-based program and the following energy conservation measures: at the Old Town Hall, installation of a new efficient boiler; and installation of new exterior storm windows at the Freedom Center Building and Recreation Center Building	X	
	Jul-17	\$193,962	to fund energy conservation measures in fourteen municipal facilities. The energy conservation measures funded by this grant are LED lighting conversions	X	
	Jul-18	\$46,897	to fund energy conservation measures, HVAC heat pump system and LED lighting, in municipal facilities including Family Center	X	
	Aug-19	\$79,460	to fund energy conservation measures, boiler replacement, in municipal facilities including Belchertown High School	X	
Bellingham	Feb-20	\$166,294	to fund energy conservation measures, interior and exterior lighting, and project management costs, in municipal facilities including Bellingham High and Stall Brook Schools	X	16,905
	Jan-23	\$80,573	to fund energy conservation measures, LED lighting, in municipal facilities including South Elementary School	X	
Belmont	Dec-14	\$151,850	to fund energy conservation measures, EMS upgrades and retrocommissioning, in municipal facilities including Belmont High and Chenery Middle Schools	X	26,838
	Jul-17	\$250,000	to fund energy conservation measures, boiler replacements, retro-commissioning controls, and weatherization, in municipal facilities including Burbank and Butler Schools, and Public Library	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Berlin	Jul-12	\$140,350	to fund the following energy conservation measures: at the Memorial School, building envelope improvements and an HVAC energy management system; at Public Safety/Town Offices, installation of an AHU-1 economizer and upgrade of HVAC energy management system; and at Town Hall, replacement of refrigerator.	X	3,674
	Jul-14	\$120,962	to fund energy conservation measures in Town Hall, Berlin Memorial School, and the Municipal/Public Safety Building	X	
	Jul-16	\$123,211	to fund the following energy conservation measures: at Berlin Memorial School, building weatherization, UV and HVAC cleaning, retro-commissioning, and analytics software; and at the Municipal Building, retro-commissioning, and analytics software	X	
	Aug-19	\$69,635	to fund energy conservation measures, LED lighting and certification training, in municipal facilities including Memorial School	X	
Bernardston	Dec-15	\$131,290	to fund energy conservation measures, lighting, boiler, hot water unit, and mini-splits, in municipal facilities including Library, Fire Station; Town Hall; Council of Aging; and DPW Garage	X	2,106
	Jan-22	\$13,805	to fund energy conservation measures, air source heat pump and insulation, in municipal facilities Garage/Highway Dept	X	
Beverly	Dec-11	\$206,285	to fund an energy management system and ventilation and air conditioning and equipment upgrades at multiple schools.	X	42,446
	Jul-13	\$205,219	to fund the following energy conservation measures: in North Beverly Elementary School, upgrades to the air conditioning and heating plant systems, and unit ventilator controls; and in Beverly Commons Park, an LED streetlight retrofit	X	
	Jul-14	\$239,790	to fund energy conservation measures in McKeown Elementary School	X	
	Jul-15	\$128,455	to fund the following energy conservation measures: continuing commissioning software and consulting services at Beverly High School and a heating plant system upgrade at Cove Elementary School	X	
	Jul-16	\$195,143	to fund energy conservation measures, lighting, HVAC controls, variable frequency drives, HVAC DDC and DCV improvements, in municipal facilities including High School Field House and Hannah Elementary School	X	
	Jul-17	\$250,000	to fund energy conservation, LED streetlight conversion, in town wide streetlights	X	
	Aug-20	\$62,535	to fund energy conservation measures, EMS upgrade, in municipal facilities including Cove Elementary School	X	
	Jan-23	\$500,000	to fund energy conservation measures, Decarbonization Project, in municipal facilities including Main Library		
Billerica	Dec-18	\$225,098	to fund energy conservation measures, streetlight conversion to LED technology, in municipal facilities including streetlights	X	41,453
	Jan-22	\$180,332	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Public Library, Town Hall, Police Station, Fire HQ, Council on Aging, and Letchworth Water Treatment Plant	X	
Blackstone	Dec-13	\$151,075	to fund energy conservation measures, interior and exterior lighting, DHW heater, and weatherization, in municipal facilities including Municipal Center and Library	X	9,177
	Aug-20	\$10,845	to fund energy conservation measures, EV charging station, LED lighting and administrative assistance, in municipal facilities including Public Library and town vehicle infrastructure	X	
	Jan-22	\$199,421	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including AFM School, JFK School, Blackstone-Millville High School, and Fire Stations 2 & 3	X	
	Jan-24	\$200,000	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall, DPW, and Hartnett Middle School		
Blandford	Feb-17	\$131,061	to fund energy conservation measures, lighting and variable frequency drives, in municipal facilities including Town Hall, Water Treatment Plant, Highway Garage, Library, Post Office, Historical Building	X	1,210
	Aug-20	\$110,764	to fund energy conservation, EMS, weatherization and administrative, in municipal facilities including Town Offices and Library	X	
Bolton	Feb-17	\$141,060	to fund energy conservation measures in municipal facilities including Bolton Public Library and Florence Sawyer Elementary School, energy conservation measures funded are: boiler and primary pump replacement and weatherization	X	5,676
	Aug-19	\$220,668	to fund energy conservation measures, building automation system upgrade, LED lighting, and weatherization, in municipal facilities including Florence Sawyer Elementary School and Public Safety Building	X	
	Jul-21	\$127,573	to fund energy conservation measures, weatherization, unit heaters, demand control ventilation, and LED lighting, in municipal facilities including DPW Town Barn, Fire and Safety Building, Town Hall and Emerson School	X	
Boston	Dec-10	\$1,000,000	to fund the following energy conservation measures: auto igniters for natural gas streetlights, lighting controls at municipal ball fields, and an upgrade of the energy management system for Copley Library and four library branches.	X	654,776
	Jul-13	\$143,052	to fund administration costs and the installation of energy management systems in eight branch libraries	X	
Bourne	Jun-22	\$171,000	to fund energy conservation measures, Energy Management System, in municipal facilities including but not limited to the		20,709
Boxford	Dec-18	\$131,640	to fund energy conservation measures, weatherization, infrared heaters, air source heat pump, and RTU replacement, in municipal facilities including Police Station, West Fire and East Fire stations	X	8,141
	Aug-20	\$200,000	to fund energy conservation measures, heat pump with fuel conversion and hybrid vehicle purchase, in municipal facilities including Town Hall and town vehicle fleet	X	
	Jul-22	\$61,305	to fund energy conservation measures, weatherization and hybrid police interceptor, in municipal facilities including East and West Fire Stations and town vehicle fleet	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Braintree	Apr-21	\$202,590	to fund energy conservation measures, AHU replacement, weatherization and energy conservation measures to be determined, in municipal facilities including but not limited to 74 Pond St. Youth Center		38,822
Brewster	Feb-20	\$143,381	to fund energy conservation measures, energy manager, programmable thermostats, variable frequency drive, energy management system with DCV, heat pump water heater, demand control ventilation, economizer, heat pumps, and lighting, in municipal facilities including Town Hall, Natural Resources, Police, Council on Aging, and Ladies Library	X	10,456
Bridgewater	Dec-11	\$200,800	to fund energy conservation measures, energy audits, lighting, building control upgrade, vending misers, in municipal facilities including Police Station, Library, and Fire Substation	X	28,805
	Jul-15	\$217,630	to fund energy conservation measures, PLC control upgrades, motors / VFDs, lighting, thermostats, EMS controls, in municipal facilities including DWTP main office, pump rooms, wells, Senior Center, Fire Station 2, Public Library, and Police Station	X	
	Jul-16	\$197,070	to fund energy conservation measures, administrative costs, weatherization, mechanical insulation, thermostats, destratification fans, LED lighting, variable frequency drives, energy management system, in municipal facilities including Memorial Building, Highway Dept., Golf Course, Library, Wastewater Treatment Plant, Fire Station 1, Senior Center and Police Station	X	
	Jul-17	\$171,291	to fund energy conservation measures, thermostats, weatherization, variable frequency drives, energy management system upgrades, destratification fans, and boiler replacement, in municipal facilities including Town Hall, Olde Scotland Links Golf Course, DPW/Highway, Library, and Senior Center	X	
	Jul-18	\$21,600	to fund energy conservation measures, electric vehicle acquisition, electric vehicle charging stations, and administrative costs, in municipal facilities including town vehicle fleet	X	
	Aug-19	\$200,000	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Sep-23	\$113,590	to fund energy conservation measures, weatherization, insulation, Building Operator Certification Training, and administrative assistance, in municipal facilities including Public Library, Police Station, and Senior Center Building	X	
Brimfield	Dec-17	\$134,500	to fund energy conservation measures in municipal facilities including Brimfield Elementary School, measures funded are: HVAC upgrade, lighting, weatherization, mechanical insulation and administrative assistance	X	3,690
Brockton	Feb-17	\$526,000	to fund energy conservation measures, lighting upgrades to LEDs including controls, in municipal school facilities including Brockton High, North, Downey, East Middle, Ashfield, Hancock, Kennedy, Gilmore, Huntington, and Keith schools	X	105,446
	Aug-19	\$239,310	to fund energy conservation measures, LED lighting, certification training, and administrative and technical support , in municipal facilities including Davis Elementary School, Brockton High School, Raymond Elementary School, and School Administration Building	X	
	Jul-21	\$196,881	to fund energy conservation measures, lighting, mechanical insulation, and administrative assistance, in municipal facilities including Hancock and Downey Elementary Schools, West Middle School, and East, South, North, and West Junior High	X	
	Jan-23	\$198,263	to fund energy conservation measures, EV charging stations (31) and administrative assistance, in municipal facilities including city vehicle infrastructure		
Brookline	Jul-11	\$215,050	to fund energy conservation measures, feasibility study for solar PV, engineering services, LED Streetlight conversion, interior and exterior LED lighting upgrades, jockey boilers, and grant administration costs, in municipal facilities including Main and Coolidge Corner Libraries, and Pierce, Lawrence and Brookline High Schools	X	62,726
	Jul-15	\$214,840	to fund the following energy conservation measures: interior lighting retrofit with LEDs at Brookline High School and the Tappan Street Gym and Pool; and conversion of exterior lighting in town parks and open spaces to LEDs	X	
	Jul-16	\$145,363	to fund the following energy conservation measures: a streetlight LED conversion at the Emerald Necklace Park-Rt 9 Crossing; and interior LED lighting upgrades at Driscoll School, the Senior Center, and the Eliot Recreation Center	X	
	Jul-17	\$233,247	to fund energy conservation measures, lighting lamp and ballast retrofits, kitchen exhaust upgrades, electric vehicle charging stations, and LED streetlight conversion, in municipal facilities including Coolidge Corner and Putterham Library branches, Baker School, Heather School, and Brookline High School	X	
	Aug-19	\$212,537	to fund energy conservation measures, LED lighting, in municipal facilities including Public Safety Building, Public Health Center, Main Library, New Lincoln School, and Soule Recreation Center	X	
	Jan-22	\$22,500	to fund energy conservation, EV charging station and EV vehicle, in municipal facilities including vehicle fleet and infrastructure	X	
Buckland	Jul-11	\$134,150	to fund consultant services for development of bid documents and project oversight of a two-phase project in Town Hall; building envelope improvements including insulation and siding, and mechanical retro-commissioning of existing HVAC system	X	1,816
	Jul-17	\$69,236	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Police Station	X	
	Jul-18	\$26,325	to fund energy conservation, window inserts and administrative costs, in municipal facilities including Police and Town Hall	X	
	Aug-19	\$41,339	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including municipally owned streetlights	X	
	Jan-22	\$5,000	to fund energy conservation measures, hybrid police cruiser, in municipal facilities including vehicle fleet	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Burlington	Feb-20	\$172,250	to fund energy conservation measures, rooftop unit replacement, in municipal facilities including Public Library	X	25,989
	Jul-21	\$154,069	to fund energy conservation measures, weatherization, in municipal facilities including Fox Hill, Francis Wyman, Pine Glen, and Memorial Elementary Schools, and Marshall Simonds Middle School	X	
	Jan-23	\$129,078	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall and Town Hall Annex	X	
Cambridge	May-10	\$283,770	to fund energy conservation measures, HVAC upgrades, lighting, and energy revolving fund in municipal facilities, including Haggerty School, Area IV and Frisoli Youth Centers, Solomon Garage, High School, Morse Elementary School, and DPW	X	117,090
	Jul-12	\$98,043	to fund efficiency upgrades to the Heating Ventilation and Air Conditioning system and the Energy Management system at the Peabody School and Gately Youth Center.	X	
	Jul-13	\$234,888	to fund an engineering design and the following energy conservation measures at the Citywide Senior Center; replacement and commissioning of three air handling units and installation of an energy management system.	X	
	Jul-17	\$250,000	to fund energy conservation measures in municipal facilities including Lombardi Building and vehicle fleet. The energy conservation measures funded by this grant are: air handling unit replacement and expanded building management system controls, and vehicle hybrid retrofits	X	
	Jul-18	\$125,409	to fund energy conservation measures, vehicle hybrid retrofits and idle reduction technologies, in municipal facilities including city vehicle fleet	X	
	Jan-23	\$97,461	to fund energy conservation measures, retro-commissioning and battery electric snowplow loan, in municipal facilities including Alice K Wolf, Main Library, and city vehicle fleet		
Canton	Dec-17	\$158,315	to fund energy conservation measures in municipal facilities including Town Hall, Luce School, Kennedy School, Canton High School, Hansen School, and Galvin School, measures funded are LED lighting	X	24,470
	Aug-19	\$206,681	to fund energy conservation measures, lighting and weatherization, in municipal facilities including Central Fire Station, Fire Station 2, Hanson Elementary School, Dean Luce Elementary School	X	
	Aug-20	\$200,000	to fund energy conservation measures, EMS replacement and LED lighting, in municipal facilities including Town Hall, Hansen and Luce Elementary Schools	X	
	Jan-23	\$85,814	to fund energy conservation measures, AHU replacement, in municipal facilities including Memorial Hall		
Carlisle	Jul-11	\$139,300	to fund energy conservation measures, HS education program, solar PV array, EMS, exterior lighting, lighting controls, plug load, vending misers, in municipal facilities including Town Hall, Carlisle Public Schools, and various municipal buildings	X	5,181
	Jul-14	\$48,763	to fund energy conservation measures in three municipal buildings, Gleason Library, and Carlisle School	X	
	Jul-15	\$116,059	to fund energy conservation measures, HVAC controls, retro-commissioning, lighting with controls, refrigeration controls, variable frequency drives, water heater, and an electricity to natural gas heating system conversion, in municipal facilities including Gleason Library, Town Hall, Carlisle School, and Brick Building	X	
	Jul-16	\$197,267	to fund energy conservation measures, interior and exterior lighting, heat pump, faucet aerators, thermostats, weatherization, in municipal facilities including town-owned streetlights, WWTP, Town Hall, and DPW	X	
	Jul-18	\$171,968	to fund energy conservation measures, HVAC improvements, sensors and controls, LED lighting with controls, de-stratification fans, control valves and electronically commutated motor, anti-idle technology, and electric vehicle charging station, in municipal facilities including Spalding and Carlisle Schools, Town Hall, DPW, Gleason Library, and town vehicle fleet	X	
	Sep-23	\$72,260	to fund energy conservation measures, weatherization and Building Operator Certification Training, in municipal facilities including Elementary School, Gleason Library, and Town Hall		
Carver	Feb-20	\$157,670	to fund energy conservation measures, interior and exterior LED lighting, in municipal facilities including Middle High School, Public Library, Carver School Administration Building and Operations & Maintenance Garage	X	11,668
	Jul-21	\$160,191	to fund energy conservation measures, LED lighting with controls and administrative assistance, in municipal facilities including Town Hall and Middle-High School	X	
	Jan-23	\$199,984	to fund energy conservation, LED lighting & controls, air sealing/insulation, door weather stripping, and administrative assistance, in municipal facilities including Middle/High School, Fire #3 & #2, School Administration Building, and Public Library	X	
Charlmont	Dec-18	\$129,074	to fund energy conservation measures, boiler upgrade, weatherization, lighting, and energy conservation measures to be determined, in municipal facilities including Highway Garage, Town Hall, and Fire Station		1,184

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Charlton	Feb-17	\$166,570	to fund energy conservation measures, boiler replacement, weatherization, energy management system, and an EV charging station, in the town vehicle infrastructure, Police Dept., Activity Center, and Town Hall	X	13,317
	Aug-19	\$190,334	to fund energy conservation measures, lighting, variable frequency drives, motors, blowers and administrative and technical support, in municipal facilities including Library, Town Hall, and Wastewater Treatment Plant	X	
	Jul-21	\$199,006	to fund energy conservation measures, hybrid cruiser purchase, LED lighting, air source heat pumps, hot water circulation, condenser water pump, and chilled water pump VFDs, weatherization, and administrative assistance, in municipal facilities including town vehicle fleet, Police Station, Sewer Dept., Library, Heritage Elementary and Charlton Middle Schools	X	
	Jan-23	\$192,817	to fund energy conservation measures, battery electric vehicle, air sealing, LED lighting, and administrative assistance, in municipal facilities including town vehicle fleet and Heritage School	X	
	Jan-24	\$94,422	to fund energy conservation measures, walk-in cooler controls, transformer, LED lighting, and administrative assistance, in municipal facilities including Middle School		
Chatham	Feb-20	\$134,040	to fund energy conservation measures, LED lighting, and energy conservation measures to be determined, in municipal facilities including but not limited to Library, DPW, and Town Annex		6,703
Chelmsford	May-10	\$187,224	to fund a 30 kilowatt (kW) roof-mounted solar photovoltaic (PV) system at the Parker Middle School.	X	35,933
	Jul-14	\$128,732	to fund replacement of rooftop unit at the High School	X	
	Jul-15	\$178,400	to fund energy conservation measures, energy management system and EMS modifications, in municipal facilities including Center Elementary and McCarthy Middle schools, Senior Center, and Library	X	
	Jul-16	\$242,735	to fund energy conservation measures, LED lighting, Havoc control and integration, weatherization, and pneumatic to DDC, in municipal facilities including McCarthy Middle, Center Elementary, and Chelmsford High schools	X	
	Jul-17	\$196,114	to fund energy conservation measures, energy analytics software, LED lighting and retro-commissioning, in municipal facilities including Chelmsford High School, Senior Center, and Police Station	X	
	Jul-18	\$188,009	to fund energy conservation measures, chiller replacement, LED lighting, and HVAC upgrades, in municipal facilities including Police Station, Senior Center, and CPS Administration	X	
	Aug-19	\$89,297	to fund energy conservation measures, building automation system expansion and weatherization, in municipal facilities including Police Station and North Town Hall	X	
	Aug-20	\$100,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Town Offices and McCarthy Middle School	X	
	Jan-22	\$17,782	to fund energy conservation measures, steam trap repairs, transformers, hybrid vehicle, and Building Operator Certification training, in municipal facilities including South Row Elementary School, High School, and vehicle fleet	X	
Chelsea	Feb-17	\$312,460	to fund energy conservation measures, engineering study (chiller), lighting, boiler, and steam traps, in municipal facilities including Police, Central and Engine #1 Fire Stations, E911 Ops Center, City Hall, High School, Library, and DPW Garage	X	38,889
	Aug-20	\$140,000	to fund energy conservation measures, boiler replacement, DDC controls, VFD, and LED lighting, in municipal facilities including City Hall and Senior Center	X	
	Jul-21	\$200,000	to fund energy conservation measures, battery storage & solar PV, in municipal facilities including Police		
Cheshire	Feb-20	\$134,040	to fund energy conservation measures, LED crosswalk signage, Solar powered trash cans, EV charging station, weatherization, heat pump DHW heater, vend miser, boiler, programmable thermostats, and lighting, and energy conservation measures to be determined, in municipal facilities including Community Center, Elementary School, Town Hall, DPW Garage, Fire Station and vehicle infrastructure		3,236
Chester	Dec-17	\$130,170	to fund energy conservation measures, solar PV, insulation, energy audits, and administrative support, in municipal facilities including DPW buildings, Town Hall, and Fire Station #1	X	1,221
Chesterfield	Dec-11	\$140,000	to fund energy conservation measures, energy audits, pilot residential Clean Energy Fund, administrative support, heating system upgrades, window/door replacement, weatherization, waste oil furnace, and water heater, in municipal facilities including Fire House, Senior Center, and Highway	X	1,178
Chicopee	Feb-17	\$367,160	to fund energy conservation measures, lighting, lighting controls, and building management system, in municipal facilities including City Hall and City Hall Annex	X	55,190
Chilmark	Feb-20	\$126,430	to fund energy conservation measures, mini-split heat pump and administrative costs, in municipal facilities including Elementary School		1,248
Clarksburg	Feb-17	\$141,590	to fund energy conservation measures in municipal facilities including Town Hall and Clarksburg Elementary School, measures funded are: LED lighting, attic and mechanical insulation, and furnace replacement	X	1,649
	Jul-21	\$95,298	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall and Elementary School	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Clinton	Apr-21	\$164,753	to fund weatherization, LED lighting, transformers, and administrative assistance, in municipal facilities including Clinton Elementary and High Schools, Town Hall, Bigelow Library, Highway Garage, and Parks & Recreation Center	X	15,381
Cohasset	Dec-15	\$141,460	to fund exterior lighting retrofits in three schools and one municipal facility	X	8,373
	Jul-17	\$166,215	to fund energy conservation measures, optimization, demand control ventilation, and motors and variable frequency drives, in municipal facilities including Middle-High and Deer Hill Elementary Schools, and Police-Fire Station	X	
	Aug-19	\$193,122	to fund energy conservation measures, boiler, heaters, lighting, air sealing and administrative costs, in municipal facilities including Middle/High School, Water and Wastewater Treatment Plants, and Fire / Police Station	X	
	Aug-20	\$135,298	to fund energy conservation measures, BMS controls integration, boiler and DHW boiler replacement, EV charging station, and administrative assistance, in municipal facilities including Middle/High School, Library, and town vehicle infrastructure	X	
	Jan-22	\$188,600	to fund energy conservation measures, energy management system upgrades, in municipal facilities including High and Middle Schools	X	
	Jan-24	\$196,006	to fund energy conservation measures, integrated building controls and administrative assistance, in municipal facilities including Joseph Osgood Elementary School, and Deer Hill Elementary School		
Colrain	Dec-18	\$129,880	to fund energy conservation measures, solar PV installations, project management, and energy conservation measures to be determined in municipal facilities including Highway Dept. and Transfer Station		1,615
Concord	Dec-13	\$147,400	to fund a high efficiency condensing boiler, hot water heater and building controls upgrades, and an LED streetlight conversion at Peabody School and town streetlights	X	18,184
	Jul-15	\$244,000	to fund the installation of four new efficient condensing boilers to upgrade the heating system at Sanborn Middle School	X	
	Jul-16	\$187,500	to fund the following energy conservation measures: LED lighting upgrade at four schools and four facilities; and individually tuned LEDs implemented by Concord Municipal Light and Power	X	
	Jul-18	\$116,557	to fund LED lighting, electric vehicle acquisition, hybrid vehicle conversion, and building management system, in municipal facilities: 55 Church St, Public Works, HWCC, Water & Sewer, Town House, and Hunt Recreation Ctr	X	
	Aug-19	\$138,885	to fund energy conservation measures, hybrid upfit, EV charging stations, HVAC upgrade, building control upgrade, pool cover, lighting, and streetlights in municipal facilities including Beede Swim & Fitness Center and Fire/Police HQ	X	
Conway	Jul-12	\$139,650	to fund energy conservation measures, consultant services, weatherization study, lighting, and weatherization, in municipal facilities including Town Hall	X	1,768
Cummington	Dec-17	\$127,245	to fund energy conservation measures, heat pump, lighting, and energy conservation measures to be determined, in municipal facilities including but not limited to: Community House, Safety Complex, and Highway Garage		819
Dalton	Dec-14	\$142,725	to fund energy conservation measures, energy audits, consulting services, vehicle purchases, streetlight audit, lighting, building control upgrade, weatherization, and DHW heater, in municipal facilities including Town Hall, library, Senior Center, and Cemetery garage	X	6,290
	Jul-18	\$238,726	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Aug-20	\$4,753	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Senior Center and Cemetery Office	X	
	Sep-23	\$11,409	to fund energy conservation measures, weatherization and insulation, in municipal facilities including Highway Garage		
Dartmouth	Feb-17	\$223,750	to fund a conversion from oil to natural gas fuel with the installation of new condensing boilers and indirect water heaters in Dartmouth High School and decorative post-top streetlights around parking lot of Council of Aging	X	34,005
	Jul-18	\$232,504	to fund energy conservation measures, pipe insulation, steam trap insulation, LED lighting, weatherization, and boiler replacement, in municipal facilities including Town Hall, Maintenance Garage, Potter, DeMello, Middle, High, Cushman, and Quinn Schools, Southworth Library, DCTY Headquarters, and Administration Building	X	
	Aug-20	\$200,000	to fund energy conservation measures, heating system fuel conversion, LED lighting, and weatherization, in municipal facilities including Middle School, Smith Neck Recreation Center, Community TV, Oxford Creamery, and Council on Aging	X	
	Jul-21	\$172,720	to fund energy conservation measures, energy management system (EMS) upgrades, exterior LED lighting, variable frequency drives (return and supply), and EV charging stations (2), in municipal facilities including town EV infrastructure, Southworth Library, Apponagansett Park, and High School	X	
	Jan-23	\$105,381	to fund energy conservation measures, variable frequency drives, heat pump systems, and mechanical insulation, in municipal facilities including Potter, DeMello, Quinn, and Cushman Elementary Schools	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Dedham	Dec-10	\$179,800	to fund replacement of streetlights with LED technology.	X	25,240
	Jul-14	\$248,634	to fund conversion of streetlights to LED technology	X	
	Jul-21	\$30,567	to fund energy conservation measures, LED lighting, building operator certification training, and administrative assistance, in municipal facilities including Dept. of Public Works, and Main Library	X	
	Jan-23	\$200,000	to fund energy conservation measures, LED lighting, variable refrigerant flow (VRF) system, battery electric vehicles (3), EV charging stations (2), and administrative assistance, in municipal facilities including Middle School, Public Works, and town vehicle fleet and infrastructure		
Deerfield	Jul-11	\$142,950	to fund consultant services to study replacement of windows at Town Hall, a Community Energy Conservation Project, installation of three pole-mounted Solar PV arrays at the Old Deerfield Wastewater Treatment Plant, and the following energy conservation measures: installation of street light modifications and midnight shut offs via photocells and at the Elementary School, installation of walk-in refrigeration controls and variable frequency drives	X	5,115
	Jul-18	\$166,082	to fund energy conservation measures, LED lighting, condensing boilers, fresh air system improvements, faucet aerators, refrigerator repair, and administrative costs, in municipal facilities including Elementary School	X	
	Aug-20	\$103,527	to fund energy conservation measures, LED streetlights, EV charging station, and hybrid vehicle purchase, in municipal facilities including town owned streetlights, town vehicle fleet and infrastructure	X	
Dennis	Feb-20	\$160,170	to fund energy conservation measures, indirect hot water heater, weatherization, Wi-Fi thermostats, lighting, and energy conservation measures to be determined, in municipal facilities including Golf Club House, and Senior Center		14,903
Dighton	Dec-18	\$143,636	to fund energy conservation measures, lighting, controls, and weatherization, in municipal facilities including Senior Center, Public Library, Main and North Fire Stations, Town Hall, Old Town Hall, Middle and Elementary Schools, and Highway Garage	X	8,150
	Jul-22	\$68,513	to fund energy conservation measures, heat pump, mechanical insulation, EV charging station, and administrative assistance, in municipal facilities including Library, Middle and Elementary Schools, and town vehicle infrastructure	X	
Douglas	Dec-17	\$145,940	to fund energy conservation measures in municipal facilities including municipally owned streetlights, measures funded are LED streetlight conversion and administrative support	X	9,049
	Aug-19	\$220,989	to fund energy conservation measures, HVAC improvements and air source heat pump, weatherization, LED lighting, and administrative support, in municipal facilities including Police Station, Municipal Center and Primary School	X	
	Jan-22	\$104,666	to fund energy conservation measures, LED lighting, weatherization and administrative assistance, in municipal facilities including Fire Dept, Senior Center, and High School	X	
	Sep-23	\$28,099	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including High School	X	
Dover	Feb-17	\$137,145	to fund the following energy conservation measures in Dover Town Hall, Protective Services, Chickering School, the Public Library, and Highway Department: conversion of interior and exterior lighting to LEDs	X	5,892
	Aug-19	\$109,142	to fund energy conservation measures, weatherization, HVAC upgrades, and LED streetlight conversion , in municipal facilities including Protective Services, Town Hall, Library, and municipally-owned streetlights	X	
	Jul-22	\$500,000	to fund energy conservation measures, decarbonization project, in municipal facilities including Community Center		
Dracut	Dec-18	\$204,971	to fund energy conservation measures, lighting and lighting controls, and energy conservation measures to be determined, in municipal facilities including Richardson Middle School, Englesby Elementary School, Council on Aging, Fire Station 2, Parker Library and Police Dept.	X	32,159
	Jan-23	\$197,610	to fund energy conservation measures, heat pump water heaters (2), weatherization, LED lighting with controls, and weatherization, in municipal facilities including Parker Library, Council on Aging, Englesby Elementary School, DPW Annex, Fire #1, and Fire #2	X	
Dudley	Dec-14	\$169,800	to fund energy conservation measures, lighting, EMS, VSD and motors, HVAC upgrades, IdleRight, administrative costs, and measures to be determined, in municipal facilities including Municipal Complex, Police and Highway	X	11,884
	Aug-20	\$191,170	to fund energy conservation measures, VFD, EMS, LED lighting, weatherization, and administrative assistance, in municipal facilities including Elementary, Mason Road, and Middle Schools, and Municipal Complex	X	
	Jan-22	\$199,215	to fund energy conservation measures, energy management system controls, LED lighting, pipe insulation, and administrative assistance, in municipal facilities including Municipal Complex, Crawford Memorial Library, and Middle School	X	
	Jan-24	\$80,394	to fund energy conservation measures, air source heat pump, weatherization, and administrative assistance, in municipal facilities including Highway Dept., Fire Dept., and Crawford Memorial Library		
Dunstable	Feb-20	\$130,610	to fund energy conservation measures, streetlight conversion, lighting, weatherization, vehicle lease and purchase, and HVAC, in municipal facilities including Library, vehicle fleet, Police Station, town-owned streetlights	X	3,341
	Jan-24	\$5,000	to fund energy conservation measures, hybrid vehicle, in municipal facilities including town vehicle fleet

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Duxbury	Dec-17	\$139,705	to fund energy conservation measures, energy management system with DDC controls and software, in municipal facilities Chandler and Alden Schools	X	16,116
	Aug-19	\$250,000	to fund energy conservation measures, transformers, variable frequency drives/motors, in municipal facilities including Alden Elementary/ Performance Arts Center, Chandler Elementary, Old Town Hall (Annex) , Evergreen Chemical Treatment Plant, WWTP, Damon Pump Station, Free Library, Percy Walker Pool, Steele Athletic Building	X	
	Aug-20	\$161,105	to fund energy conservation measures, EV charging station, boiler replacement, and weatherization, in municipal facilities including Free Library, Alden and Chandler Schools, and town vehicle infrastructure	X	
	Jul-22	\$48,678	to fund energy conservation measures, weatherization, in municipal facilities including Alden Elementary and Performing Arts Center	X	
East Bridgewater	Jun-22	\$160,000	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including but not limited to: Community Center, Fire Station, Public Library, and Town Hall	X	14,465
	Jan-24	\$200,000	to fund energy conservation measures, transformer, LED lighting, motors and variable frequency drives, weatherization, and administrative assistance, in municipal facilities including Mitchell Middle School, Junior/Senior High School, Town Hall, and Public Library		
East Longmeadow	Jul-23	\$160,170	<i>Applicant period for grant projects is currently open; projects to be determined</i>		16,370
Eastham	Jun-22	\$139,000	grant to fund energy conservation measures, weatherization and energy conservation measures to be determined, in municipal facilities including but not limited to: Council on Aging, Dept. of Public Works, Police, Town Hall, and Harbormaster		5,832
Easthampton	May-10	\$174,985	to fund replacement of streetlights with LED technology	X	16,022
	Jul-14	\$147,653	to fund energy conservation measures, weatherization, mechanical insulation, HVAC controls, efficient motors, steam trap repair, in municipal facilities including White Brooke Middle, Pepin, Maple and Center Elementary Schools	X	
	Aug-19	\$68,700	to fund energy conservation measures, EV charging station, HVAC improvements and furnace replacement, in municipal facilities including Wastewater Treatment Facility, Lovefield Street Pump Station, and vehicle infrastructure	X	
	Jan-22	\$15,000	to fund energy conservation measures, EV vehicles, in municipal facilities including vehicle fleet	X	
Easton	Dec-10	\$168,300	to fund energy conservation measures, RTUs, HVAC upgrades, and lighting, in municipal facilities including Fire/Police Station, Town Hall, Water Division Garage, and Middle and High Schools	X	25,247
	Jul-13	\$250,000	to fund insulated garage door retrofit at the DPW/Fire facility and an LED streetlight project	X	
	Jul-15	\$200,000	to fund the following energy conservation measures: an upgrade of the energy management systems at Easton Middle and Oliver Ames High Schools	X	
	Jul-17	\$127,456	to fund energy conservation measures, refrigeration upgrades, and DHW and HVAC upgrades, in municipal facilities including Fire Station # 1 & #2	X	
	Aug-19	\$168,189	to fund energy conservation measures, variable refrigerant flow system, weatherization, and LED lighting, in municipal facilities including Frothingham Hall	X	
	Jul-21	\$76,189	to fund energy conservation measures, LED lighting, in municipal facilities including Police/Fire #1 and Fire #3	X	
	Jul-22	\$89,069	to fund energy conservation measures, air source heat pump and EV charging station (2), in municipal facilities including Town Hall and town vehicle infrastructure		
Edgartown	Jun-22	\$132,000	to fund energy conservation measures, LED lighting and WWTP pumps, in municipal facilities Elementary School and WWTP	X	5,302
Egremont	Dec-15	\$138,570	to fund energy conservation measures, roof PV solar, weatherization, lighting, window inserts, and fuel conversion HVAC upgrade, in municipal facilities including Police, Highway Garage, Fire #1 & #2, Library, Water, Town Hall and Transfer Station	X	1,371
	Jul-18	\$7,635	to fund energy conservation measures, refrigerator replacement and hot water heater replacement, in municipal facilities including Town Hall and Free Library	X	
	Jan-24	\$199,913	to fund energy conservation measures, air source heat pump, in municipal facilities including Town Hall		
Erving	Feb-17	\$142,905	to fund energy conservation measures, lighting, hybrid vehicle purchase, and EV charging station installations, in municipal facilities including Senior Center and Police	X	1,667
Essex	Dec-15	\$130,270	to fund energy conservation measures, weatherization, fuel conversion, heat pumps, storm windows (part of large renovation), in municipal facilities including Town Hall and Library Complex	X	
	Jul-17	\$176,145	to fund energy measures, lighting, BAS baseline, and steam traps, in Essex Elementary School	X	
	Jul-18	\$155,039	to fund energy conservation measures, BAS expansion and LED lighting, in municipal facilities including Elementary School	X	
	Aug-19	\$28,929	to fund energy conservation measures, streetlight conversion, in municipal facilities including town-owned streetlights	X	
	Jul-21	\$132,897	to fund energy conservation measures, building automation system, final phase, in municipal facilities including Elementary	X	
	May-23	WITHDREW FROM THE GREEN COMMUNITY PROGRAM			

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Everett	Dec-14	\$307,175	to fund administrative costs and conversion of the city's streetlights to LED technology	X	48,557
	Jan-24	\$200,000	to fund energy conservation measures, air source heat pump, weatherization, and infrared heaters, in municipal facilities including DPW Office Area and Garage		
Fairhaven	Dec-18	\$174,535	to fund energy conservation measures, energy management system upgrade and lighting in municipal facilities including Council on Aging/Recreation Center, and Fairhaven High School	X	15,909
	Jul-21	\$181,105	to fund energy conservation measures, transformers, building controls and VFDs, LED lighting, and administrative assistance, in municipal facilities including High School	X	
	Jan-24	\$125,810	to fund energy conservation measures, weatherization, pipe insulation, and administrative assistance, in municipal facilities including Hastings Middle School, Fairhaven High School, Police and Fire Buildings		
Falmouth	Apr-21	\$188,214	to fund LED lighting and energy conservation measures to be determined, in municipal facilities including but not limited to the following: East Falmouth and North Falmouth Libraries, North Falmouth Fire and Fire Headquarters, School Administration Building, East Falmouth Elementary, North Falmouth Elementary, Teaticket Elementary, and Lawrence Jr. High Schools		33,128
Fitchburg	Feb-17	\$306,265	to fund lighting, control ventilation, DHW boiler, HVAC controls, weatherization, variable frequency drives and motors, infrared heaters, and streetlight conversion, in municipal facilities including streetlights, Longsgo Middle School, DPW, and Water Plants	X	41,732
	Aug-19	\$248,564	to fund energy conservation measures, lighting, in municipal facilities including Fitchburg High School, South Street Elementary and Longsgo Middle Schools	X	
	Jul-21	\$151,283	to fund electronically commutated (EC) motor, walk-in refrigerator controls, and steam trap survey & repairs, in municipal facilities including Fire Headquarters, Goodrich K Center, Longsio Middle, Memorial Intermediate, Reingold Elementary, South St. Elementary East & West, and High Schools	X	
Framingham	Dec-13	\$301,900	to fund a lighting design study for the Main Library and lighting conversion to LED fixtures throughout the Library	X	71,265
	Jul-16	\$250,000	to fund RTU and chiller replacements, in municipal facilities including Callahan Senior Center and Police	X	
	Jul-18	\$100,000	to fund energy conservation measures, boiler replacement and HVAC improvements, in municipal facilities including Fire HQ	X	
	Aug-19	\$211,305	to fund HVAC improvements, EMS, lighting, mechanical insulation, and VFDs, in municipal facilities including Fire Station 1 & 7, Cushing Maintenance, Parks & Recreation facilities, Cushing Academy & Middle Facility, Stapleton Elementary, Juniper Hill Elementary, and Walsh Middle Schools	X	
	Aug-20	\$200,000	to fund energy conservation measures, refrigeration upgrade, heat recovery unit upgrade, kitchen hood controls rooftop unit upgrade and steam trap upgrade, in municipal facilities including Barbieri, Cameron Middle, Walsh Middle, and High School	X	
	Jul-21	\$90,318	to fund energy conservation measures, steam pipe insulation, controls optimization, and variable frequency drives, in municipal facilities including Memorial Hall, Police Headquarters, and Cameron Middle School	X	
	Jan-23	\$59,600	to fund energy conservation measures, air source heat pumps and heat pump water heater, in municipal facilities including Memorial Building	X	
Franklin	Dec-17	\$183,020	to fund energy conservation measures in municipal facilities including municipally owned streetlights, measures funded are LED streetlight conversion	X	33,036
	Aug-20	\$30,000	to fund energy conservation measures, EV vehicle purchase and EV charging station, in municipal facilities including town vehicle fleet and infrastructure	X	
	Jan-22	\$150,902	to fund energy conservation measures, EV vehicles, LED lighting, and transformers, in municipal facilities including vehicle fleet, Horace Mann, Remington, and Keller Sullivan Schools	X	
Gardner	Dec-10	\$206,100	to fund energy conservation measures, solar PV assessments for sites, heating system evaluation, several HVAC upgrades, air sealing, and window replacements, in municipal facilities including High School, Senior Center, and City Hall	X	21,191
	Jul-15	\$72,850	to fund storm window replacement in City Hall Annex	X	
	Jul-18	\$95,257	to fund energy conservation measures, pump rebuild and VFDs, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including Water Treatment Facility and city vehicle fleet	X	
	Aug-20	\$4,559	to fund energy conservation measures, LED lighting, in municipal facilities including Snake Pond Water Treatment and Town Wastewater Treatment Plants	X	
Georgetown	Feb-20	\$140,270	to fund energy conservation measures, weatherization, in municipal facilities including Public Safety/Maintenance Garage, Penn Brook Elementary School, and Town Hall	X	8,416
	Jan-22	\$199,999	to fund energy conservation measures, weatherization and retro-commissioning, in municipal facilities including Middle Senior High School, Perley Pre-School, Council on Aging, and Administration Buildings, Public Library, and Renn Brook School	X	
	Jan-23	\$71,944	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Municipal Light Department and Public Works	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Gill	Jul-12	\$139,900	to fund residential Energy Saving Campaign, idle reduction units, bike racks, energy audits, geothermal feasibility study, weatherization, hot water heater, air source heat pump, window inserts, LED streetlight conversion, in municipal facilities including Town Hall, Riverside Municipal Building, Slade Library, and town-owned streetlights	X	1,536
	Jul-18	\$68,465	to fund energy conservation measures, insulation, lighting, air source heat pump, window inserts, and administrative costs, in municipal facilities including Slate Memorial Library, Town Hall, and Riverside Municipal Building	X	
	Aug-20	\$53,400	to fund energy conservation measures, air source heat pump and EV charging station, in municipal facilities including Town Hall and town vehicle infrastructure	X	
	Jan-23	\$42,480	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Public Safety Complex		
Gloucester	Dec-10	\$198,200	to fund energy conservation measures, administrative support, technical services, idle right, IR camera, AHU controls, boiler controls, VFDs, automation controls, and lighting in municipal facilities including O'Maley Middle and High Schools and Library	X	29,952
	Jul-14	\$250,000	to fund a energy system upgrade and conversion from oil to gas at O'Maley Middle School	X	
	Jul-15	\$240,000	to fund a complete city wide LED streetlight conversion	X	
	Jul-17	\$207,443	to fund energy conservation measures, retro-commissioning and energy management system in municipal facilities including Beeman Elementary, O'Maley Middle and High Schools	X	
	Aug-19	\$112,852	to fund energy conservation measures, LED lighting and energy management system improvements, in municipal facilities including Gloucester High School	X	
	Jan-22	\$92,807	to fund energy conservation measures, energy management system upgrades and LED lighting, in municipal facilities including Talbot Ice Rink, O'Maley Middle School, Veteran's Center, and Central, Magnolia, West Gloucester, and Bayview Fire Stations	X	
	Jan-24	\$144,311	to fund energy conservation measures, kitchen hood controls, air source heat pumps, weatherization, mechanical insulation, weather-stripping, and walk-in refrigerator controls, in municipal facilities including Beeman Elementary, Plum Cove, Middle, and High Schools, Bayview Fire Station, and Visitor Center		
Goshen	Dec-14	\$141,400	to fund energy conservation measures, lighting, weatherization, solar PV, and administrative costs, in municipal facilities including Town Hall, Fire Hall, Town Offices, and the Highway Garage	X	950
Grafton	Dec-17	\$157,485	to fund energy conservation measures, weatherization, lighting, and EMS upgrade, in municipal facilities including Municipal Center, Grafton High School, the new Police Station, and Fire facilities	X	19,756
	Aug-19	\$165,923	to fund energy conservation measures, LED streetlights, in municipal facilities including streetlights	X	
	Jul-21	\$200,000	to fund energy conservation measures, weatherization, energy management system and controls, hybrid cruiser purchase, in municipal facilities including Middle School and town vehicle fleet	X	
Granby	Jul-11	\$144,125	to fund administrative costs, a roof mounted 10.3 kW solar PV system for the new library, energy audits for five buildings, purchase of a plug-in hybrid vehicle, electric vehicle charging stations (2) and signage	X	6,061
	Jul-18	\$248,702	to fund plug load controls, retrocommissioning, weatherization, lighting, heat pump, EC pumps, pipe insulation, DCV, t-stats, and administrative costs, in municipal facilities Highway, Old Library, Safety Complex, Senior Center, and Junior-High School	X	
	Aug-20	\$155,218	to fund energy conservation measures, heat pump, LED lighting, hot water boiler controls, VFD, pumps, and administrative assistance, in municipal facilities including DPW Highway and Jr./Sr. High School	X	
Granville	Feb-17	\$135,571	to fund energy conservation measures, air source heat pump, lighting, and administrative support, in municipal facilities including Fire, Highway, Town Hall, and Library	X	1,533
Great Barrington	Jul-12	\$142,700	to fund energy conservation measures, lighting, retro-commissioning, weatherization, mechanical insulation, and administrative costs, in municipal facilities including Mason and Ramsdell libraries, Police Station, Fire Station, Senior Center, and Town Hall	X	7,164
	Aug-20	\$158,978	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Housatonic Community Center, Town Hall, and Police	X	
Greenfield	May-10	\$202,066	to fund energy conservation measures, lighting and sensors, energy staff position, feasibility study on electrical aggregation, and community energy efficiency program, in municipal facilities including Greenfield Middle School	X	17,652
	Jul-12	\$40,000	to fund eight residents to receive up to \$5000 toward energy efficiency measures in conjunction with the municipality's Community Development Block Grant Rehab Program for low to moderate income residents.	X	
	Jul-14	\$199,754	to fund LED streetlight conversion and building envelope improvements in Green River School	X	
	Jul-17	\$224,610	to fund energy conservation measures, heating and air conditioning system upgrades and rooftop unit replacements, in municipal facilities including Town Hall, Middle and Four Corners Schools	X	
	Aug-19	\$125,593	to fund energy conservation measures, replace rooftop units, in municipal facilities including Police Dept.	X	
	Jul-22	\$100,302	to fund energy conservation measures, air source heat pump, EV charging station, and battery electric vehicle (2), in municipal facilities including Wastewater Plant and town vehicle fleet / infrastructure		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Groton	Feb-20	\$138,830	to fund energy conservation measures, LED lighting, weatherization, appliances, retro-commissioning, EC motors, and administrative costs in municipal facilities including Town Hall, Center Fire and Police Stations, Country Club, and Public Library	X	11,147
	Jan-22	\$99,393	to fund energy conservation measures, LED lighting with controls and Building Operator Certification training, in municipal facilities including Central Fire Station and Public Library	X	
	Jan-24	\$31,688	to fund energy conservation measures, air sealing, weather-stripping, pipe insulation, and heat pump HW heater, in municipal facilities including Middle Schools North and South		
Hadley	Jul-23	\$139,250	<i>Applicant period for grant projects is currently open; projects to be determined</i>		5,272
Halifax	Dec-14	\$154,200	to fund energy conservation measures, lighting and EMS controls in municipal facility Halifax Elementary School	X	7,749
	Aug-19	\$135,717	to fund energy conservation measures, LED lighting, weatherization, appliances, and grant support, in municipal facilities including Highway/DPW Garage, Police Dept., Water Dept, Public Library, Fire Dept, Town Hall, and Council on Aging	X	
	Jul-21	\$188,596	to fund energy conservation measures, LED lighting, weatherization, destratification fans, and administrative assistance, in municipal facilities including Town Hall, Elementary School, Recycling Center, Library, DPW Garage, and Water Dept	X	
	Jan-23	\$200,000	to fund energy conservation measures, weatherization, air source heat pumps, and administrative assistance, in municipal facilities including Fire Station, Town Hall, Water Dept. and Administration Building	X	
Hamilton	May-10	\$144,819	to fund energy conservation measures at the Town Hall, Council on Aging, Recreation Department and Public Safety Building.	X	7,539
	Jul-14	\$225,695	to fund a town wide conversion of streetlights to LED technology and exterior lighting retrofits at Town Hall and Public Safety	X	
	Jul-16	\$224,800	to fund HVAC tie-in to BAS, in municipal facilities Hamilton-Wenham Regional High School and Miles River Middle School	X	
	Aug-19	\$14,805	to fund LED lighting, in municipal facilities Hamilton Wenham Recreation Center	X	
	Aug-20	\$110,312	to fund LED lighting and grant support, in municipal facilities including Public Safety and HWRHS	X	
	Jul-21	\$150,208	to fund energy conservation measures, weatherization, baseline EMS and VFDs, LED lighting, and administrative assistance, in municipal facilities including Elementary School and Hamilton Wenham Regional High School	X	
	Jul-22	\$164,209	to fund energy conservation measures, AHU optimization and retro-commissioning, weatherization, LED lighting, and administrative assistance, in municipal facilities including Public Safety Building and Buker Elementary School	X	
Hanover	May-10	\$148,598	to fund energy conservation measures, hybrid public safety vehicle, steam trap replacement, boiler, exterior doors, in municipal facilities including Salmond School, Town Hall, and Fire Station #4	X	14,871
	Jul-13	\$194,058	to fund energy conservation measures, refrigeration controls, weatherization, exterior lighting, and retrocommissioning, in municipal facilities including Middle, Cedar, Center, and Sylvester Elementary Schools, Fire and Police Headquarters, Salmond Administration Building, and John Curtis Free Library	X	
	Jul-14	\$183,041	to fund administration costs and energy conservation measures in Cedar, Sylvester, and Middle Schools and the Salmond Administration Building	X	
	Jul-15	\$158,936	to fund energy conservation measures, BOC training, boiler, boiler controls, and lighting, in municipal facilities including Fire, Water Treatment Plant, Senior Center, Public Works, Highway and Cedar, Center, Middle and High Schools	X	
	Jul-16	\$135,748	to fund energy conservation measures, DCV and lighting, in municipal facilities including Middle School and Public Library	X	
	Jul-17	\$224,125	to fund energy conservation measures, interior storms windows, lighting, retro-commissioning, and energy analytics, in municipal facilities including Salmond, Middle School, and High Schools, Police Station, and Fire	X	
	Jul-18	\$249,694	to fund energy conservation measures, steam system upgrade, lighting, streetlights, primary hot water piping loop, and boiler controls, in municipal facilities including Salmond School, Middle School, Cedar School, and Facilities Building Garage	X	
	Aug-20	\$72,514	to fund energy conservation measures, DCV with fan upgrade, LED lighting, and administrative assistance, in municipal facilities including Middle School	X	
	Jan-22	\$94,001	to fund energy conservation measures, weatherization, kitchen exhaust demand controls, and administrative assistance, in municipal facilities including Center Elementary and High Schools	X	
Hanson	Dec-18	\$151,183	to fund energy conservation measures, streetlight audit, boiler replacement, direct hot water heater, lighting, weatherization, and administrative costs, in municipal facilities including Indian Head School, Town Hall, Transfer Station, Camp Kiwanee, and Police Station	X	10,674
	Jul-21	\$124,218	to fund energy conservation measures, weatherization, LED lighting, boiler controls, and administrative assistance, in municipal facilities including Highway, Camp Kiwanee, Library, Middle School, and Water Dept.	X	
	Jan-23	\$20,245	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Town Hall	X	
	Jan-24	\$173,654	to fund energy conservation measures, heat pump RTUs, hybrid vehicles, and administrative assistance, in Town Hall		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Hardwick	Dec-15	\$150,510	to fund IdleRight technology (3), interior and exterior lighting upgrades in the Fire Dept and WWTP; and weatherization measures for Town House, Municipal Building, and Highway Dept	X	2,660
	Jul-17	\$107,627	to fund energy conservation measures in municipal facilities including town vehicle fleet, Municipal Building, Paige Memorial Library, Recycling Center, Building Dept, and new Police Station. The energy conservation measures funded by this grant are: pipe insulation, temperature controls, weatherization, electric vehicle purchase, electric vehicle charging stations, and grant management assistance	X	
	Jul-18	\$88,021	to fund energy conservation measures, boiler replacement, pump upgrade, baseline BAS, and administrative costs, in municipal facilities including Hardwick Elementary School	X	
	Aug-19	\$62,683	to fund energy conservation measures, lighting and administrative support, in municipal facilities including Elementary School	X	
	Jan-24	\$200,000	to fund energy conservation measures, weatherization, air source heat pump, and administrative assistance, in municipal facilities including Richardson Building, Highway Dept., and Fire Station		
Harvard	Dec-10	\$141,200	to fund the following energy conservation measures: demand control ventilation upgrades and building automation system upgrades at the Elementary School, energy efficient boiler replacements at the Fire and Police Stations, a deep energy retrofit analysis for Town Hall and VFDs, motor, and CO2 sensor upgrades at the public library	X	6,844
	Jul-15	\$176,231	to fund energy conservation measures, administrative costs, building operator certification training, retrocommissioning, interior and exterior LED lighting, lighting controls, and furnace replacement, in municipal facilities including Public Library, Bromfield/Hildreth School Complex, Senior Center, DPW and Police	X	
	Jul-17	\$206,153	to fund energy conservation measures in municipal facilities including Bromfield School, Harvard Schools Complex and Library. The energy conservation measures funded by this grant are: lighting upgrades, weatherization, building automation system programming, and energy monitoring software	X	
	Aug-19	\$140,814	to fund energy conservation measures, lighting, in municipal facilities including Bromfield High School and Library	X	
	Jul-21	\$189,353	to fund energy conservation measures, weatherization and transformers, in municipal facilities including Library and Bromfield School	X	
	Jan-23	\$27,173	to fund energy conservation measures, weatherization and hybrid cruiser, in municipal facilities including Library and town vehicle fleet	X	
Harwich	Dec-18	\$152,910	to fund energy conservation measures, boiler, pump variable frequency drive, and energy management system, in municipal facilities including Brooks Free Library	X	13,629
	Jan-22	\$160,952	to fund energy conservation measures, HVAC upgrade and chiller, in municipal facilities including Community Center		
Hatfield	Dec-10	\$130,725	to fund the following energy conservation measures: insulation and heating system upgrades at the Water Filtration Plant office, replacement of windows at Town Hall, installation of window quilts at Smith Academy, and purchase of an electric light duty truck for multiple department use	X	3,314
	Jul-14	\$160,913	to fund energy conservation measures in the Elementary School, Smith Academy, Highway Garage, and Wastewater Treatment Plant	X	
	Jul-17	\$53,971	to fund energy conservation measures, LED lighting upgrades, weatherization, and public education materials, in municipal facilities including Hatfield Elementary School, Smith Academy High School, Public Library, WWTP Office, and Fire Dept	X	
Haverhill	Dec-18	\$303,223	to fund energy conservation measures, LED lighting, kitchen fan and refrigeration controls, transformer, electric vehicle purchase, electric bike wheels, and HVAC upgrade with fuel conversion, in municipal facilities including Whittier, Tilton, Walnut Square, Greenleaf, and Haverhill High schools, City Hall, Police HQ, Inspectional Services, Burnham Regional Center, and city vehicle fleet.	X	67,361
	Jul-22	\$191,809	to fund energy conservation measures, weatherization, battery electric vehicle (3), and administrative assistance, in municipal facilities including 16th Ave, Water Street, and High Street Fire Stations, Charles C White Pool, Citizens Center, Greenleaf, Nettle Middle, and High Schools, and city vehicle fleet	X	
Hawley	Feb-17	\$136,920	to fund energy conservation measures, lighting, solar PV, wood pellet boiler, weatherization, and heat pump, in municipal facilities including Town Office, Highway Garage, and Fire buildings	X	350
Heath	Dec-18	\$129,582	to fund energy conservation measures, lighting, furnaces, storm windows, administrative costs and energy conservation measures to be determined, in municipal facilities including Community Hall, Highway Garage, Sawyer Hall, and Fire Dept.		726
Hingham	Dec-18	\$142,232	to fund energy conservation measures, variable frequency drives, demand control ventilation improvements, and lighting, in municipal facilities including Broad Cove Sewer Pumping Station, So. Elementary School, and High School	X	24,311
	Jan-22	\$185,475	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including High School and Town Hall	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Hinsdale	Dec-17	\$130,410	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		1,908
Holland	Jul-11	\$143,250	to fund administrative costs and an energy audit to identify potential energy conservation measures in the Elementary and the following energy conservation measures: installation of an energy management system in the main building; and replacement of three classroom unit ventilators in the Elementary School	X	2,583
	Jul-17	\$138,495	to fund energy conservation measures, LED lighting, in multiple municipal facilities including Town Hall, Highway, Fire, Library, Senior Center, and Elementary School	X	
Holliston	Dec-15	\$147,445	to fund energy conservation measures, thermostats, weatherization, HVAC upgrade, and lighting with controls, in municipal facilities including Fire Station, Town Hall, and Police Station	X	14,840
	Jul-17	\$208,416	to fund energy conservation measures in municipal facilities including town vehicle fleet, Town Hall, Senior Center, and Public Library. The energy conservation measures funded by this grant are: thermostat, energy management systems, weatherization, lighting upgrades, and electric vehicle purchase	X	
	Aug-19	\$216,245	to fund energy conservation measures, kitchen hood controls, exterior lighting, weatherization, interior lighting, and lighting controls, in municipal facilities including Middle School, High School, Elementary School, Town Hall, and Community Center	X	
	Aug-20	\$104,501	to fund energy conservation measures, parking lot and interior LED lighting and lighting controls, in municipal facilities including Miller-Placentino Elementary and Pinecrest Golf Clubhouse	X	
	Jul-22	\$199,718	to fund energy conservation measures, LED streetlights and Building Operator Certification training (2), in municipal facilities including town-owned streetlights	X	
Holyoke	May-10	\$321,221	for conversion of exterior parking lot lighting to LEDs at all twelve schools, for high-efficiency LED traffic and street lights, and to purchase BigBelly Solar Compactors for public parks and high traffic areas	X	37,929
	Jul-12	\$166,716	to fund Heating Ventilation and Air Conditioning system upgrades in the Exhibit Hall in the Children's Museum including replacing the boilers with high efficiency gas boilers, replacing the rooftop air conditioning units, installing direct digital controls and demand control ventilation.	X	
	Jul-14	\$230,000	to fund energy conservation measures in City Hall and City Hall Annex	X	
	Jul-16	\$86,921	to fund administrative costs and interior and exterior LED lighting conversions at schools and six facilities	X	
	Jul-21	\$187,426	to fund energy conservation measures, LED lighting, in municipal facilities including Sullivan School	X	
	Jan-24	\$197,404	to fund energy conservation measures, air sealing, weatherization, and LED lighting, in municipal facilities including Dean and Metcalf Schools, City Hall and Annex, Children's Museum, and War Memorial		
Hopedale	Apr-21	\$137,759	to fund pumps/variable frequency drives, LED lighting, weather stripping, administrative assistance, and energy conservation measures to be determined, in municipal facilities including but not limited to the following: Junior/Senior High School, Memorial School, Library, and Police		5,998
Hopkinton	May-10	\$137,502	to fund energy efficiency measures in schools, DPW Garage, Police Dept, Fire Dept and Senior Center	X	18,943
	Jul-12	\$156,792	to fund the upgrade of the Energy Management Systems in Town Hall and the Elmwood School to modern, digital systems.	X	
	Jul-14	\$111,702	to fund exterior lighting upgrades to LED technology in four schools and Town Hall	X	
	Jul-16	\$162,614	to fund energy conservation measures, lighting, HVAC retro-commissioning and EMS upgrade, hybrid vehicle and EV charging station, at municipal facilities including Senior Center and Police Station	X	
	Jul-17	\$224,812	to fund energy conservation measures in municipal facilities including Hopkins Elementary School. The energy conservation measures funded by this grant are: variable frequency drives, LED lighting upgrade, and energy management system upgrade	X	
	Aug-20	\$184,117	to fund energy conservation measures, LED lighting, weatherization, EMS software, hybrid vehicle purchase, and EV charging station, in municipal facilities including	X	
	Jan-22	\$91,189	to fund energy conservation measures, weatherization, cooler controls, controls upgrade, weatherization and hybrid police cruiser, in municipal facilities including High, Middle, Elmwood, Hopkins, and Marathon Elementary Schools and vehicle fleet	X	
Hubbardston	Feb-20	\$135,919	to fund energy conservation measures, LED lighting, weatherization, outdoor air reset, and administrative costs, in municipal facilities including Slade Building, Clark Library, DPW, Fire, and Center School	X	4,312
	Jan-24	\$188,000	to fund energy conservation measures, motors / VFDs, air source heat pump, and administrative assistance, in municipal facilities including Center School and Library		
Hudson	Feb-20	\$170,590	to fund energy conservation measures, variable frequency pumps, weatherization, unit heater, HWR heat timer, and LED lighting, in municipal facilities including Library, Fire Station 1, Main Fire Station, Town Hall and Farley, Forest Ave. and Mulready Schools	X	19,790
	Jan-24	44,170	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall		
Huntington	Jul-12	\$140,650	to fund energy conservation measures, administrative cost, audits, lighting, weatherization, aerator sensors, and a heat pump, in municipal facilities including Town Hall, Library, DPW garage, Stanton Hall, Main & Norwich Hill Fire Depts, Water Dept and Wastewater Treatment Plant	X	2,074

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Ipswich	Feb-20	\$149,200	to fund energy conservation measures, variable speed pumps, weatherization, lighting, pipe insulation, and electric vehicle purchase, in municipal facilities including town municipal fleet, wastewater facility, School Administration Building, Middle/High	X	13,716
	Jan-22	\$200,000	to fund energy conservation measures, hot water temperature reset, LED lighting, weatherization, and pipe insulation, in municipal facilities including Middle/High School, ELD Power Plant, Doyon School, Utilities Administration, Public Library, and	X	
	Jan-24	\$167,500	to fund energy conservation measures, weatherization, LED lighting, electric vehicle, and administrative assistance, in municipal facilities including Linebrook Fire Station, Animal Shelter, Middle-High School, and town vehicle fleet		
Kingston	May-10	\$163,528	for energy efficiency measures at the Kingston Elementary School, Kingston Public Library and Smith's Lane Fire Station.	X	13,793
	Jul-12	\$199,426	to fund the following energy efficiency measures: installation of two a high efficiency condensing boilers in the elementary school and exterior LED pole-top and wall packs lighting at the public library.	X	
	Jul-14	\$112,731	to fund energy conservation measures in two schools and three municipal facilities	X	
	Jul-15	\$223,351	to fund the following energy conservation measures: at the Elementary School, replacement of a rooftop HVAC units and an interior lighting retrofit; and at the Middle School, an interior lighting retrofit	X	
	Jul-17	\$250,000	to fund energy conservation measures, energy management system and variable frequency drives, in municipal facilities including Kingston Intermediate School	X	
	Aug-19	\$158,546	to fund energy conservation measures, lighting and controls, weatherization, mechanical insulation, and administrative support, in municipal facilities including Town House, Reed Recreation Center, and Fire Dept.	X	
	Jul-22	\$72,562	to fund energy conservation measures, air source heat pump, weatherization, weather-stripping, hybrid police interceptor (2), EV charging station, and administrative assistance, in municipal facilities including Highway and Water Departments and town vehicle fleet / infrastructure	X	
	Jan-24	\$66,488	to fund energy conservation measures, air sealing, insulation, weather-stripping, LED lighting, and administrative assistance, in municipal facilities including Fire HQ, Library, Intermediate and Faunce Schools, and Harbor Master		
Lakeville	Jul-12	\$158,275	to fund idle reduction devices, consulting services, administrative support, new EMS, AHU controls, interior lighting, doors, in municipal facilities including Assawompset Elementary School, Fire Station, Police Station, Town Office building, and Book Café	X	11,762
	Jul-15	\$140,823	to fund energy conservation measures, administrative costs, hot water heating system improvements, weatherization, plug load controls, thermostats, interior lighting, lighting controls, pipe insulation, in Town Hall, Fire Department, Council on Aging	X	
	Jul-17	\$247,500	to fund energy conservation measures, lighting and controls, energy management system, insulation, refrigeration controls, and weatherization, in Assawompset Elementary School	X	
	Aug-19	\$223,390	to fund energy conservation measures, variable frequency drives, weatherization, lighting, and administrative costs, in municipal facilities including Apponequet High School	X	
	Sep-23	\$110,855	to fund energy conservation measures, heat pump system, weatherization and insulation, Wi-Fi thermostat upgrade, and administrative assistance, in municipal facilities including Animal Shelter and Loon Pond Lodge		
Lancaster	May-10	\$141,114	to fund the purchase of an electric vehicle and energy audits for Town Hall, and the following energy conservation measures: lighting upgrades in 8 municipal buildings; energy controller systems for town well pumps, building envelope improvements in several buildings; and LED streetlight conversions	X	8,455
	Jul-16	\$250,000	to fund the following energy conservation measures: at the Prescott Building, a fuel conversion (oil steam to electric heat pump) of the HVAC system, and installation of an efficient oil boiler for supplemental heating	X	
	Jul-18	\$235,002	to fund energy conservation measures, LED lighting, weatherization, and electric vehicle acquisition, in municipal facilities including Fire Station, Police Station, DPW, Thayer Memorial Library, and town vehicle fleet	X	
	Aug-20	\$194,377	to fund energy measures, weatherization and EMS, in municipal facilities including Senior/Community Center and Police HQ	X	
	Jul-21	\$31,633	to fund energy conservation measures, energy management system and hybrid vehicle purchase, in municipal facilities including Prescott Building and town vehicle fleet	X	
Lanesborough	Dec-14	\$135,300	to fund the following energy conservation measures, thermostats, weatherization, demand control ventilation sensors, fuel conversion of HVAC system, lighting, and consultant services, in municipal facilities including Lanesborough Elementary School, Police, Town Hall and DPW	X	3,027
	Jul-22	\$106,880	to fund energy conservation measures, weatherization, heat pump water heater and destratification fans, in municipal facilities including Town Hall and DPW		
Lawrence	Dec-17	\$594,140	to fund energy conservation measures, lighting, variable frequency drives, energy management systems, EV charging stations and administrative costs, in municipal facilities including City Hall and Lawrence High, Parthum, South Lawrence Elementary, Frost, Bruce, and Guillemette Schools	X	88,508
	Jan-22	\$199,996	to fund energy conservation measures, pneumatic to DDC conversion, LED lighting, variable frequency drives, steam controls, and administrative assistance, in municipal facilities including South Lawrence East School and City Hall		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Leicester	Dec-17	\$158,800	to fund energy conservation measures, LED streetlight conversion, lighting retrofits, weatherization, and administrative support, in municipal facilities including Department of Public Works and municipally owned streetlights	X	11,048
	Aug-20	\$155,900	to fund energy conservation measures, LED streetlights, LED interior and exterior lighting, weatherization, and administrative assistance, in municipal facilities including town owned streetlights, Senior Center, and High School	X	
	Jul-22	\$189,551	to fund energy conservation measures, Variable Refrigerant Flow heat pump system, hybrid police interceptor (2), and administrative assistance, in municipal facilities including Senior Center and town vehicle fleet		
Lenox	May-10	\$134,766	to fund administrative support, technical support for a solar PPA, and a solar PV mini-grants program for solar and hot water systems on commercial and residential properties and the following energy conservation measures: at the Morris School, HVAC system upgrade; and at Town Hall, phase 1 of an HVAC pumps and controls project	X	5,099
	Jul-15	\$104,507	to fund the following energy conservation measures: at Morris Elementary School, upgrade of the air handling unit controls to DDC/electronic controls; and upgrade of hydronic pumping, radiation and convection, exhaust fans controls and integration of all into the building's energy management system	X	
	Jul-17	\$244,916	to fund energy conservation measures, UV, boiler, and AHU control upgrades and HVAC system balancing, in municipal facilities Memorial Middle and High Schools	X	
	Jul-18	\$248,794	to fund energy conservation measures, LED lighting, LED streetlight conversion, and refrigerator enhancements, in municipal facilities including Town Hall, DPW Complex, Morris Elementary and Memorial Middle High Schools, and streetlights	X	
Leominster	Jul-12	\$245,575	to fund administrative costs, EMS, weatherization, refrigeration upgrades, VFDs, pump motors, de-stratification fan, exterior and interior lighting, vending misers, in municipal facilities including Johnny Appleseed, Samoset, and Skyview Schools, City Hall, Gallagher Administration Building, Council on Aging, and Veterans Center	X	43,613
	Jul-16	\$250,000	to fund a city wide streetlight LED conversion	X	
	Jul-18	\$250,000	to fund energy conservation measures, boiler replacement, in municipal facilities including City Hall	X	
	Aug-20	\$68,490	to fund energy conservation measures, heat pump and fuel conversion, in municipal facilities including Central St Fire Station	X	
	Jul-22	\$64,930	to fund energy conservation measures, air source heat pump, in municipal facilities including Northwest School Library	X	
	Jan-24	\$123,997	to fund energy conservation measures, weatherization air source heat pump, and air handler, in municipal facilities including City Hall, Senior Center, and Treasurer's Office		
Leverett	Dec-11	\$138,750	to fund energy conservation measures, pole Solar PV, interior lighting, pump variable speed drives, heating system controls with computer software, in municipal facilities including Public Safety Complex, Town Hall, Library, and Elementary School	X	1,862
	Jul-17	\$68,437	to fund energy conservation measures, LED lighting and administrative assistance in municipal facilities Public Library, Public Safety and Elementary School	X	
	Aug-20	\$17,166	to fund energy conservation measures, LED streetlights and purchase, and LED lighting, in municipal facilities including town owned streetlights and Town Hall	X	
	Jan-23	\$94,254	to fund energy conservation measures, air source heat pump, in municipal facilities including Library	X	
Lexington	May-10	\$158,083	to fund an energy efficient street lighting project using induction and compact fluorescent bulbs.	X	34,071
	Jul-13	\$47,440	to fund a LED exterior parking lot lighting at Lexington High School	X	
	Jul-14	\$54,068	to fund exterior lighting upgrade to LED technology in four schools and two municipal facilities	X	
	Jul-15	\$238,997	to fund the following energy conservation measures at municipal schools: interior lighting retrofits with LEDs at Clarke Middle, Lexington High, Fiske Elementary, Harrington Elementary, Bridge Elementary, Bowman Elementary, and Diamond Middle Schools	X	
	Jul-16	\$244,960	to fund the following energy conservation measures: installation of energy modeling analytics software in five schools and two facilities; EnergyStar refrigeration controls in two schools; and LED lighting retrofit at the Public Services Building	X	
	Jul-17	\$167,888	to fund energy conservation measures in municipal facilities including Community Center, Public Works, Bridge School, Diamond School, Harrington School, Hastings School, and Lexington High School. The energy conservation measures funded by this grant are: interior lighting upgrades, exterior school streetlights, and boiler jacket upgrade	X	
	Jul-18	\$196,455	to fund energy conservation measures, LED lighting , in municipal facilities including Clarke, Bowman, Bridge, and High Schools and Cary Library	X	
	Aug-19	\$135,564	to fund energy conservation measures, lighting and weatherization , in municipal facilities including Harrington Elementary School, Bowman Elementary School, Bridge Elementary School, and Fiske Elementary School	X	
	Aug-20	\$81,419	to fund energy conservation measures, LED lighting, in municipal facilities including Bridge, Bowman, Harrington, and Fiske Elementary Schools and High School	X	
	Jan-23	\$50,000	to fund energy conservation measures, LED lighting, in municipal facilities including High and Harrington Elementary Schools	X

Lincoln	May-10	\$140,294	to fund energy efficiency measures in municipal buildings, including K-8 school complex, Library and Town Hall.	X	6,890
	Jul-12	\$242,079	to fund energy conservation measures, electric vehicle, administrative support, energy management system, heat pump, weatherization, steam to hot water conversion, in municipal facilities including Public Safety, Hartwell and Bemis Schools	X	
	Jul-14	\$242,647	to fund project administration costs, LED streetlights for town roadways and additional energy conservation measures in the five schools and three municipal facilities	X	
	Jul-15	\$78,707	to fund energy conservation measures, administrative support, boiler, lighting, data monitoring, and transformers, in municipal facilities including Pierce House, Brooks Auditorium, School Complex, and Bemis Hall	X	
	Aug-20	\$53,715	to fund energy conservation measures, mini-split heat pump and chill beam automation upgrades, in municipal facilities including Public Safety, DPW Offices, and Town Offices	X	
Littleton	Dec-15	\$140,870	to fund energy conservation measures, LED streetlights, variable frequency drives, LED exterior lighting, load management, and pipe insulation, in municipal facilities including Town Hall, Library, Police, School Administration, Spectacle Pond WTP, Witcomb Ave Well #1, and Russell St Elementary and Shaker Lane Schools	X	10,121
	Jul-17	\$249,586	to fund energy conservation measures, LED streetlights, variable frequency drives, and exterior lighting, in municipal facilities including Spectacle Pond WTP and High School	X	
	Jul-18	\$234,314	to fund energy conservation measures, VFDs, exterior and interior lighting, and administrative costs, in municipal facilities including High, Shaker Lane, and Middle Schools	X	
	Aug-19	\$238,269	to fund energy conservation measures, demand control ventilation, RTU controllers, lighting, weatherization, capacitors, and administrative costs, in municipal facilities including Littleton High, Middle, Russell St, and Shaker Lane Schools	X	
	Aug-20	\$200,000	to fund energy conservation measures, LED lighting, unit ventilator controls, and RTU and re-heat controls, in municipal facilities including High, Middle, Russell St Schools and Town Offices	X	
	Jan-23	\$64,394	to fund energy conservation, zoning with t-stats, hybrid vehicles (3), battery electric vehicle (1), EV charging stations (2), and administrative assistance, in municipal facilities including Public Works and town vehicle fleet and infrastructure	X	
Longmeadow	Dec-13	\$155,125	to fund a ZNE feasibility study, streetlight study, streetlight audit and design, and streetlight conversion to LED technology	X	15,725
	Jan-22	\$60,819	to fund energy conservation measures, LED lighting and hybrid police cruiser, in municipal facilities including High School, Wolf Swamp Park, Strople Field, Bliss Park, and vehicle fleet	X	
Lowell	May-10	\$546,506	to fund energy conservation measures, portion of ESPC. Specifically to install a new energy efficient chiller at the JFK Civic Center and for light system upgrades including light retrofits, lighting controls, and vending machine misers in four schools: Greenhalge Elementary, McAvinnua Elementary, Murkland Elementary, and Pawtucketville Elementary.	X	113,994
	Jul-12	\$8,434	to fund administrative support and the following energy efficiency measures in municipal buildings: variable frequency driver pumps in the McAuliffe Elementary School, Butler Middle School, and Lincoln Elementary School.	X	
	Jul-13	\$194,411	to fund grant administration costs and the following energy conservation projects: replacement of condensing units at Sullivan & Wang Middle Schools and LED retrofit for historic streetlights along the Merrimack Riverwalk.	X	
	Jul-15	\$88,500	to fund electricity data analytics for G-3 time of use accounts at ten school buildings	X	
	Jul-18	\$250,000	to fund energy conservation measures, LED lighting and wireless thermostats, in municipal facilities including Morey Elementary, Reilly Elementary, Stoklosa Middle, Butler Middle, and Sullivan Middle Schools	X	
	Aug-19	\$246,523	to fund energy conservation measures, LED lighting and retrocommissioning, in municipal facilities including Morey Elementary School, Reilly Elementary School, and Stoklosa Middle School	X	
	Jul-22	\$100,000	to fund energy conservation measures, steam trap repairs, weatherization, LED lighting, and Building Operator Certification training (3), in municipal facilities including Stoklosa Middle School and multiple town buildings	X	
Lunenburg	Dec-13	\$157,225	to fund energy conservation measures, administrative costs, engineering study, lighting, variable frequency drives and air compressor, in municipal facilities including Middle and Primary Schools, Public Safety Building; and Teen Center	X	11,816
	Jul-18	\$180,020	to fund energy conservation measures, weatherization, LED lighting, plug load controls, condensing boilers, pipe insulation, electronically commutated motors, HVAC retrocommissioning, and administrative costs, in municipal facilities including Turkey Hill Elementary School, Town Hall, Ritter Memorial Administration Building, and Public Safety Building	X	
	Aug-20	\$57,410	to fund energy measures, appliances, LED lighting, boiler, mechanical insulation, retro-commissioning, hybrid vehicle, building operator certification training, and administrative assistance, in Turkey Hill Elementary, Middle/High, and Primary Schools, Senior Center, Administration Building, Library, DPW, Public Safety Building, Town Hall, and Teen Center	X	
	Jul-22	\$144,045	to fund energy conservation measures, LED streetlights, hybrid police interceptor, and administrative assistance, in municipal facilities including town-owned streetlights and town vehicle fleet	X	
Lynn	Feb-20	\$495,030	to fund energy conservation measures, lighting, BAS and HVAC controls, and new boiler, in municipal facilities including Broadway Fire, DPW, City Hall, Police Station, and Lincoln School	X	100,843
	Jul-22	\$99,418	to fund energy conservation measures, transformer, in municipal facilities including English High School	X

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Malden	Feb-17	\$332,540	to fund energy conservation measures in municipal facilities including LED streetlight conversion and electric vehicles	X	65,074
	Aug-19	\$250,000	to fund energy conservation measures, boiler replacements, in municipal facilities including Early Learning Center, Ferryway School, and Linden Elementary School	X	
	Aug-20	\$165,365	to fund energy conservation measures, boiler replacement and weatherization, in municipal facilities including Forestdale and Beebe Schools and Early Learning Center	X	
	Jul-21	\$122,249	to fund energy conservation measures, weatherization, air source heat pump, weatherization, unit heater, and electric vehicle, in municipal facilities including MacDonald Stadium, Fire 3, and city vehicle fleet	X	
	Jan-23	\$137,699	to fund energy conservation measures, attic insulation, air source heat pumps, door weather stripping, weatherization, refrigeration fan motors and fan blades, and pool recirculation motor, in municipal facilities including Pearl Street Offices, Fire #3, Public Works, Cemetery House, Middle-High School, and Salemwood K-8 School	X	
	Jan-24	\$193,022	to fund energy conservation measures, air source heat pump, pipe insulation, domestic HW heat pump, and pool solar thermal heating, in municipal facilities including 170 Centre Office, Senior Center, Beebe and High Schools		
Manchester-by-the-Sea	Dec-13	\$138,850	to fund the following energy conservation measures: at Town Hall/Police building, interior and exterior LED lighting upgrades; at the Department of Public Works Garage, interior and exterior LED lighting upgrades, and in the Public Library, a boiler replacement with fuel conversion from oil to natural gas	X	5,363
	Jul-17	\$155,981	to fund energy conservation measures in municipal facilities including town wide streetlights, town vehicle fleet, Fire Dept, and Fire Station. The energy conservation measures funded by this grant are: LED streetlight conversion, plug-in hybrid vehicle purchase, and electric vehicle charging stations	X	
	Jul-21	\$36,476	to fund energy conservation, weatherization and administrative assistance, in municipal facilities including Library and Fire	X	
	Jul-22	\$21,989	to fund energy conservation measures, Energy Management System and administrative assistance, in municipal facilities including Library	X	
Mansfield	Jun-22	\$165,000	to fund energy conservation measures LED lighting, weatherization, administrative assistance, and energy conservation measures to be determined, in municipal facilities including but not limited to: Town Hall, Council on Aging/Library Building, Plymouth St Fire Station, Animal Control, and Hatheway-Patterson / Emergency Management Agency Building		23,823
Marion	Dec-18	\$132,672	to fund energy conservation measures, boiler and fuel conversion oil to natural gas, demand control ventilation, and LED lighting, in municipal facilities including Fire Station and Sippican Elementary School	X	5,333
	Aug-20	\$112,161	to fund energy conservation measures, heat pump, weatherization, storm windows, unit heater, LED lighting, and administrative assistance, in municipal facilities Community Center, Music Hall, Library, Silvershell and Main Pumping Stations	X	
	Jan-22	\$102,000	to fund heat pump, duct insulation, and administrative assistance, in municipal facility Taber Library	X	
	Jan-23	\$194,048	to fund energy conservation measures, weatherization, air source heat pumps, and administrative assistance, in municipal facilities including Fire #1, Fire #2, and Community Center	X	
Marlborough	Dec-10	\$217,125	to fund energy conservation measures, hybrid vehicle acquisition, solar PV assessment, energy manager position, lighting, lighting controls, vender misers, HVAC ventilation upgrades, building performance optimization, VFD, and HVAC heating upgrade, at municipal facilities including city vehicle fleet, and buildings at various addresses	X	41,110
	Jul-16	\$194,336	to fund energy conservation measures, EMS controllers and heat pumps, in municipal facilities including City Hall	X	
	Jan-22	\$118,940	to fund energy conservation measures, energy management system controller upgrade and pneumatic to DDC conversion, in municipal facilities including ECLC Freeman School	X	
	Sep-23	\$175,734	to fund energy conservation measures, weatherization, BMS controls, heat pump system, and HVAC controls upgrade, in municipal facilities including High School and Recreation Dept.		
Marshfield	Feb-17	\$182,720	to fund the following energy conservation measures in Council on Aging, Ventress Memorial Library, and Police Station: interior and exterior lighting retrofits	X	25,869
	Jul-18	\$211,965	to fund energy conservation measures, LED lighting, mechanical insulation, electric vehicle acquisition and charging station, in municipal facilities including Furnace Brook and Martinson Schools, and Central Fire	X	
	Aug-19	\$246,661	to fund energy conservation measures, LED lighting, steam trap repair, pipe insulation, and grant support, in municipal facilities including Daniel Webster, Martinson, and Eames Way Elementary Schools, Furnace Brooke Middle School, and Town Hall	X	
	Aug-20	\$200,000	to fund energy conservation measures, LED lighting mechanical insulation, steam trap replacement, and administrative assistance, in municipal facilities including Martinson Elementary School and Water Treatment Plant	X	
	Jul-21	\$135,921	to fund energy conservation measures, LED lighting, boiler replacement, and administrative assistance, in municipal facilities including Furnace Brook Middle School and Central Fire Station	X	
	Sep-23	\$67,450	to fund energy conservation measures, energy management system and administrative assistance, in municipal facilities including Senior Center		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Mashpee	May-10	\$170,124	to hire an engineering firm and fund energy efficiency measures in municipal buildings, high efficiency gas-fired boiler and heat pump replacements at the Police Station, and rooftop HVAC units at KC Coombs Elementary School.	X	15,357
	Jul-12	\$13,500	to fund energy efficiency measures, weatherization, mechanical insulation, lighting controls, and administrative costs, in municipal facilities Town Hall, KC Coombs School, and Mashpee High/Middle School	X	
	Jul-15	\$163,537	to fund energy conservation measures, boilers, DCV, domestic hot water heater, energy recovery ventilators, in municipal facility KC Coombs School	X	
	Jul-17	\$62,131	to fund energy conservation measures in municipal facilities including Quashnet School and KC Coombs School. The energy conservation measures funded by this grant are: interior LED lighting retrofit	X	
	Jul-18	\$210,102	to fund energy conservation measures, HVAC improvements, gas furnace upgrades, LED lighting, variable frequency drives, and administrative costs, in municipal facilities including High and Coombs Schools, and Fire Station	X	
	Aug-20	\$150,925	to fund energy conservation measures, retro-commissioning, balance/testing, and DHW system replacement, in municipal facilities including High and Quashnet Schools	X	
Maynard	Dec-11	\$160,025	to fund energy conservation measures, weatherization, energy management system, thermostat and lighting, in municipal facilities including Green Meadow and Fowler Middle Schools	X	10,574
	Jul-14	\$100,245	to fund exterior lighting upgrades in two schools and seven municipal facilities and weatherization upgrades in Fowler School and the Police Station	X	
	Jul-15	\$104,287	to fund an interior LED lighting retrofit at Fowler School; and a town wide streetlight LED conversion	X	
	Jul-16	\$228,250	to fund energy conservation measures, LED streetlights, electric vehicle purchase, EV charging station, energy management system; infrared heating, and steam trap repair, in municipal facilities including streetlights, vehicle fleet, Fowler Middle School, Highway Barn, and Fire Dept.	X	
	Jul-17	\$245,843	to fund energy conservation measures, boiler replacement, boiler jacket, and lighting retrofits, in municipal facilities including Fowler School, Fire Dept, Town Hall, Police Station, and Waste Water Treatment Plant	X	
	Jul-18	\$242,936	to fund energy conservation measures, demand control ventilation, retrocommissioning, LED lighting, and boiler replacement, in municipal facilities including Fowler and High Schools, Library, and Town Hall	X	
	Aug-19	\$104,536	to fund energy conservation measures, LED lighting, in municipal facilities including Fowler and Green Meadow Schools	X	
	Aug-20	\$38,533	to fund energy conservation measures, transformers and BOC training, in municipal facilities including Fowler Middle School	X	
	Jan-23	\$68,837	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall	X	
Medfield	Feb-17	\$146,815	to fund energy conservation measures in municipal facilities including Medfield High School, Blake Middle School, Memorial Elementary School, Wheelock Elementary School, Public Library, and Town Hall: retrocommissioning HVAC control systems and LED interior and exterior lighting upgrades	X	12,915
	Aug-20	\$139,316	to fund energy conservation measures, retro-commissioning, weatherization, exterior LED lighting, steam trap repair, low flow aerators, lighting control panels, building operator certification training, and administrative assistance, in municipal facilities including High and Dale St Elementary Schools, Council on Aging, Public Library, and Town Hall	X	
	Jan-22	\$179,884	to fund energy conservation measures, lighting controls, LED lighting, dimulator nodes on exterior lighting, heat pump hot water heaters, EV charging stations, and administrative assistance, in municipal facilities including EV infrastructure, and High, Memorial, and Blake Schools	X	
	Sep-23	\$200,000	to fund energy conservation measures, heat pump system, insulation, variable frequency drives, and administrative assistance, in municipal facilities including Library, Townhouse, and High School		
Medford	May-10	\$271,651	to fund energy efficiency measures in school buildings and to update the municipal climate action plan	X	62,098
	Jul-12	\$250,000	to fund the following energy efficiency measures in the Chevalier Theatre: heating system replacement and conversion from oil to natural gas, separation of domestic hot water system, insulation of steam lines; and steam trap survey and repairs	X	
	Jul-14	\$140,080	to fund administration costs and energy conservation measures in the five municipal facilities or schools	X	
	Jul-16	\$211,031	to fund costs of project management, building operator certification training, and the following energy conservation measures: interior and/or exterior LED lighting upgrades in six schools and one facility	X	
	Jul-17	\$235,935	to fund energy conservation measures in municipal facilities including city wide streetlights, Brooks School, Columbus School, and Roberts School. The energy conservation measures funded by this grant are: LED streetlight conversion, cafeteria lighting upgrades, building operator training and grant management assistance	X	
	Aug-19	\$148,849	to fund energy conservation measures, lighting, boiler plant upgrade, and administrative support, in municipal facilities including Medford High School, McGlynn Middle/Elementary Schools, and Public Safety Building	X	
	Jan-22	\$100,000	to fund energy conservation measures, retro-commissioning, controls upgrade, and LED lighting, in municipal facilities including Dept of Public Works and LoConte Ice Rink	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Medway	Dec-10	\$158,450	to fund energy conservation measures, streetlight pilot, variable frequency drives, lighting, EMS controls, RTUs, weatherization, HVAC controls, vending misers in municipal facilities including well pump stations, Town Hall, Public Library, Police Station, Fire Station #2, Senior Center, Highway Barn, and Water Dept Water Station	X	13,131
	Jul-14	\$205,925	to fund conversion to LED streetlights in various locations and a new energy management system (EMS) in Memorial Elementary School	X	
	Jul-16	\$216,577	to fund the following energy conservation measures: a LED streetlight conversion on various roadways; LED lighting retrofit with sensors in two facilities; and installation of an energy management system at the Police Headquarters	X	
	Jul-18	\$95,257	to fund energy conservation measures, weatherization, electric vehicle acquisition and charging station, and building operator certification training, in municipal facilities including Fire Station 1, Senior Center, and Town Hall	X	
	Aug-19	\$215,550	to fund energy conservation measures, RTU replacement, air handling units / condensers, boiler, and electric vehicle purchase, in municipal facilities including Public Library, Police Station, and town vehicle fleet	X	
	Aug-20	\$152,488	to fund energy conservation measures, LED lighting, VFD, and hood damper, in municipal facilities including	X	
	Jan-22	\$99,094	to fund energy conservation measures, kitchen hood controls, in municipal facilities including Middle, Memorial, and McGovern Schools	X	
	Jan-23	\$9,887	to fund energy conservation measures, air source heat pump, in municipal facilities including Choate Park	X	
	Jan-24	\$84,828	to fund energy conservation measures, air source heat pumps and electric vehicle, in municipal facilities including Senior Center, Well Pump Buildings, and town vehicle fleet		
Melrose	May-10	\$176,265	to fund the services of an Owner's Agent and consultant, partial salary of an energy efficiency coordinator, and the following energy conservation measures: an LED post-top streetlight retrofit, exterior soccer field lighting controls, and interior lighting upgrades at the Police Station and Library Children's Room.	X	29,312
	Jul-13	\$250,000	to fund administration costs for an energy efficiency manager and a VAV conversion at Melrose High School	X	
	Jul-15	\$225,000	to fund a retrofit of city-owned metered and non-metered streetlights, park lights, and parking lot lights to LED technology	X	
	Jul-17	\$217,484	to fund energy conservation measures in municipal facilities including vehicle fleet, Melrose Middle and High Schools, Senior Center, Lincoln Elementary School. The energy conservation measures funded by this grant are: electric vehicle purchase, retro-commissioning, HVAC upgrades, and energy management system upgrades	X	
	Aug-19	\$219,028	to fund energy conservation measures, boiler upgrade, weatherization, variable frequency drives, RTU replacement, and lighting, in municipal facilities including Beebe Elementary School, Ripley Elementary School, Veterans Memorial Middle School, City Hall, and Roosevelt Elementary School	X	
	Jul-21	\$104,663	to fund energy conservation measures, domestic hot water replacement and LED lighting, in municipal facilities including Lincoln Elementary and High Schools	X	
	Jul-22	\$500,000	to fund energy conservation measures, decarbonization project, in municipal facilities including Public Library		
Mendon	Jul-11	\$145,925	to fund energy conservation measures, lighting, furnace, energy audit, and energy program manager, in municipal facilities including Library, Police Station, Fire Station, Senior Center, Town Hall, and Highway	X	6,251
	Jul-13	\$19,057	to fund grant administration costs and the following energy conservation measures: in the Fire Station, an energy efficient AC condenser; in the Highway Dept building, LED exterior lights and weatherization of the garage bay doors; and in Town Hall, replacement of the AC units	X	
	Jul-14	\$242,796	to fund energy conservation measures, DDC optimization, variable frequency drives, refrigeration controls, weatherization, heat pumps, energy recovery ventilation, electric vehicle, and EV charging stations, in municipal facilities including Clough Elementary School	X	
	Jul-17	\$68,062	to fund energy conservation measures in municipal facilities including Town Hall, Fire Station, Highway Dept, new Library, and Parks. The energy conservation measures funded by this grant are: lighting upgrades, lighting controls, and administrative costs	X	
	Jul-22	\$79,542	to fund energy conservation measures, retro-commissioning, battery electric vehicle, and administrative assistance, in municipal facilities including Clough School and town vehicle fleet	X	
Merrimac	Dec-18	\$141,881	to fund energy conservation measures, control update for energy management systems and energy conservation measures to be determined, in municipal facilities including Town Hall and Library	X	6,705
	Aug-20	\$199,250	to fund energy conservation measures, air source heat pump, weatherization, and unit heater replacement, in municipal facilities including Fire and Senior Center	X	
	Jul-21	\$45,597	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall and Library	X	
	Jul-22	\$69,240	to fund energy conservation measures, weatherization and LED lighting, in municipal facilities including Sweetsir and Donaghue Schools	X	
	Jan-24	\$14,800	to fund energy conservation measures, variable frequency drives, in municipal facilities including Well Pump		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Methuen	Dec-18	\$268,640	to fund energy conservation measures, demand control ventilation, motors and pumps, heat pump, furnace, DCV programming, variable frequency drive, mechanical insulation, and administrative costs, in municipal facilities including Nevins Library, Bolduc Sewer, WWTP, Central Fire, North End Fire, and Timony School	X	52,798
	Jul-21	\$172,849	to fund energy conservation measures, LED lighting, kitchen hood controls, electric and hybrid vehicle purchases, EV charging stations, and administrative assistance, in municipal facilities including Nevins Memorial Library, Central School Administration Building, Comprehensive Grammar K-8 School, and town vehicle fleet		
Middleborough	Dec-17	\$197,655	to fund energy conservation measures in municipal facilities including Town Hall Annex, Burkland Elementary School, and Goode Elementary School, measures funded are replacement of roof top unit and lighting upgrades	X	24,459
	Aug-19	\$247,440	to fund energy conservation measures, attic insulation, lighting, building commissioning, and administrative support, in municipal facilities including Town Hall, Public Library, John T. Nichols Jr. Middle School, and Memorial Early Learning Center	X	
	Jan-22	\$98,527	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Library and Council on Aging		
Middlefield	Jul-11	\$138,025	to fund administrative costs, installation of a 12.25 kW solar PV system on the Town Hall roof and to fund the following energy conservation measures: at the Town Garage, window and door replacement, replacement of the furnace and hot water heater; at the Town Hall, installation of insulation; and at the Fire House, replacement of the furnace and doors.	X	388
	Jul-18	\$10,592	to fund energy conservation measures, LED lighting, in municipal facilities including Town Hall, Senior Center, and Fire House	X	
Millbury	Jul-11	\$167,025	to fund energy conservation measures, lighting sensors, ECM motors, retro-commissioning, lighting, fan controls, boiler controls, vending misers, in municipal facilities including Millbury Memorial Jr./Sr. High School, Elmwood Street and Shaw Middle Schools, Municipal Office Building, Public Library, Asa Waters Mansion, and Town Common	X	13,884
	Jul-14	\$247,596	to fund energy conservation measures in two schools and three municipal facilities	X	
	Jul-16	\$227,085	to fund the following energy conservation measures: a town wide LED streetlight conversion, purchase of four electric vehicles and installation of three EV charging stations; at Elmwood School, interior and exterior LED lighting retrofit and a high efficiency transformer; and at Millbury High School, an LED lighting retrofit	X	
	Jul-18	\$241,480	to fund energy conservation measures, LED streetlight conversion, thermostats, HVAC system controls, insulation, storm windows, and building operator certification training, in municipal facilities including streetlights, Fire Stations, Public Library, and ASA Waters Mansion	X	
	Aug-20	\$174,605	to fund energy conservation measures, LED lighting, in municipal facilities including Municipal Office Building, Library, Senior Center, Fire Dept #2 and Senior High School	X	
	Jul-22	\$93,106	to fund energy conservation measures, LED lighting and pump upgrades and controls, in municipal facilities including Jr-Sr High School and Sewer Main Pump Station		
Millis	Dec-15	\$151,325	to fund administrative project management costs, a town-wide LED streetlight conversion and the following energy conservation measures: building envelope improvements at Animal Control, Waste Water Treatment Facility (WWTF)/Well Pump House 5 & 6, and Veterans Memorial; refrigeration controls at the Middle/High School; lighting upgrades at DPW/Pump House and Animal Control, and installation of variable frequency drives at WWTP and well stations	X	8,668
	Jul-18	\$214,844	to fund energy conservation measures, thermostats, VFDs on hot water pumps, LED lighting, de-stratification fans, and energy management system, in municipal facilities including DPW/Highway, Middle/High School, and Town Hall	X	
	Aug-19	\$219,461	to fund energy conservation measures, LED lighting, bathroom faucets, weatherization, and energy management system, in municipal facilities including DPW/Highway Garage, Middle-High School, and Town Hall	X	
	Aug-20	\$170,427	to fund energy conservation measures, LED lighting, weatherization, EMS expansion, and administrative assistance, in municipal facilities including Middle/High School, Town Hall, and Fire	X	
	Jul-21	\$54,018	to fund energy conservation measures, mechanical insulation, air source heat pump, weatherization, decorative LED streetlights, and Building Operator Certification training, in municipal facilities including Town Hall, Animal Control, Well #3 Pump Station, Norfolk Rd DWTP, Sewer Pump Station, and town streetlights	X	
	Jul-22	\$70,633	to fund energy conservation measures, air source heat pumps in municipal facilities including D'Angelis WTF and Wells 1&2, Norfolk Rd and Wells 3-6	X	
	Jan-24	\$5,450	to fund energy conservation measures, air source heat pump, in municipal facilities including Village St. Sewer		
Millville	Dec-14	\$143,625	to fund energy conservation measures, lighting, weatherization, refrigeration controls, vehicle fleet operational upgrades, public education outreach, and administrative costs, in municipal facilities including Elementary School, Police Station, Town Hall, Library, Senior Center, Fire Station, and town vehicle fleet	X	3,151
	Aug-20	\$122,164	to fund energy conservation measures, boiler replacement with fuel conversion, weatherization, LED lighting, and administrative assistance, in municipal facilities including Fire, Police and Elementary School	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Milton	Dec-10	\$157,100	to fund energy conservation measures, wind turbine, streetlights, weatherization, thermostats, HVAC controls, variable frequency drives, in municipal facilities including Town Hall, sewer pump stations, Pierce Middle School and Council of Aging	X	28,388
	Jul-15	\$235,605	to fund energy conservation measures, refrigeration controls and exterior and/or interior lighting, in municipal facilities including Public Library, Cunningham-Collicott Elementary, Glover Elementary, Milton High, Tucker Elementary, and Pierce Middle Schools	X	
	Jul-17	\$246,645	to fund energy conservation measures in municipal facilities including Cunningham-Collicott School, Glover School, Milton High School, Town Hall, Public Works, Police, and East Milton Fire Station. The energy conservation measures funded by this grant are: <u>energy management system upgrade, energy analytic software, gym and interior lighting upgrades, and boiler jacket</u>	X	
	Jul-18	\$236,830	to fund energy conservation measures, boiler controls, LED lighting, and energy management system, in municipal facilities including Cunningham-Collicott Elementary, High, Tucker Elementary, and Glover Elementary Schools, Council on Aging, and Town Hall	X	
	Aug-19	\$104,661	to fund energy conservation measures, lighting, in municipal facilities including Cunningham-Collicott and Tucker Elementary Schools	X	
	Aug-20	\$81,898	to fund energy conservation measures, LED lighting, in municipal facilities including Public Library	X	
	Jul-21	\$100,000	to fund energy conservation measures, LED lighting and building automation system controls and drivers, in municipal facilities including Tucker Elementary School and Public Library	X	
Monson	Jul-11	\$165,975	to fund an energy management system and upgrade to DDC at the Quarry Hill Elementary School and the incremental costs to purchase an energy efficient vehicle for the Senior Center.	X	8,098
	Jul-15	\$187,038	to fund energy conservation measures, pipe insulation, lighting, VFDs, weatherization, plug load controls, in municipal facilities including Quarry Hill Community and Granite Valley Middle Schools, Water & Sewer Building, Town Hall/Police Station, Fire Station, Highway Garage, and Senior Center	X	
	Jul-17	\$227,634	to fund energy conservation measures in municipal facilities including Quarry Hill Community School, Highway Garage, Monson High School, Monson Middle School, Senior Center, Fire Station, and Free Library. The energy conservation measures funded by this grant are: <u>weatherization, exterior lighting upgrades, and gym and interior lighting upgrades</u>	X	
	Aug-19	\$232,416	to fund energy conservation measures, boiler replacements, lighting, and EV charging station, in municipal facilities including Monson High School, Granite Valley Middle School, and town vehicle infrastructure	X	
Montague	May-10	\$154,944	to buy-down the cost of a performance contract, specifically energy conservation measures in Town Hall, Public Safety, and Carnegie Library buildings; lighting and lighting controls, building envelope and insulation, network controllers, an energy management system, and programmable thermostats.	X	8,580
	Jul-12	\$2,754	to fund installation of a Return Activated Sludge variable frequency drive and motor.	X	
	Jul-14	\$84,935	to fund the replacement of the rooftop unit in Shea Theatre	X	
	Jul-17	\$147,954	to fund energy conservation measures, lighting controls, replace rooftop units, and HVAC ductwork replacement, in municipal facilities including Sheffield School and Shea Theater	X	
	Aug-19	\$52,395	to fund energy conservation measures, lighting with controls and vending miser controls , in municipal facilities including Police Station, Parks & Rec Office, and Sheffield Administration Building	X	
	Jul-21	\$45,091	to fund energy conservation measures, LED interior and exterior lighting and air source heat pumps, in municipal facilities including Water Pollution Control Facility, town parking lot lights, and Library	X	
	Sep-23	\$71,400	to fund energy conservation measures, streetlight conversion to LED and hybrid plug-in vehicle purchase, in municipal facilities including town-owned streetlights and vehicle fleet		
Nahant	Dec-18	\$129,780	to fund energy conservation measures. LED streetlight conversion, in municipal facilities including town-owned streetlights	X	3,315
	Jul-21	\$195,457	to fund energy conservation measures, LED lighting, kitchen appliances, weatherization, and administrative assistance, in municipal facilities including Johnson Elementary School, Police, Fire, DPW, Town Hall, and Council on Aging	X	
	Jul-22	\$103,863	to fund energy conservation measures, air source heat pump, LED lighting, and administrative assistance, in municipal facilities including Fire Station, DPW, and Johnson School	X	
Nantucket	Feb-20	\$139,340	to fund energy conservation measures, EV charging stations, HVAC upgrades, boiler replacement, and administrative costs, in municipal facilities including High School, Town Hall/Visitors Center, and vehicle infrastructure	X	14,491
	Jan-22	\$160,988	to fund energy conservation measures, PTAC unit replacement, air source heat pump, LED lighting, Wi-Fi thermostats, and administrative assistance, in municipal facilities including Finance Dept, Dept of Public Works, Public Safety, NRTA, and Fire	X	
	Jan-24	\$177,160	to fund energy conservation measures, air source heat pump, electric vehicle, and administrative assistance, in municipal facilities including Planning Dept. and town vehicle fleet		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Natick	May-10	\$173,526	to fund a solar PV power purchase agreement at the middle school, the incremental cost of a hybrid vehicle, and for carbon dioxide sensors at town hall.	X	36,426
	Jul-13	\$126,662	to fund energy conservation measures, retrocommissioning, HVAC upgrades and controls, electric heater data points, and variable frequency drives on well pump, in municipal facilities including Morse Library, Police & Fire Headquarters, Recreation Center, Springvale Water Treatment Facility, and Captain Tom's Hill well	X	
	Jul-14	\$239,092	to fund monitoring-based commissioning and analysis of four facilities and energy conservation measures in Bennett Hemenway School, Morse Library, the Senior Center, and the Cole Recreation Center	X	
	Jul-15	\$230,004	to fund energy conservation measures, behavioral dashboards, EV vehicle, EV charging station, DC ventilation, HW pump/ fan controls, variable frequency drives, circuit monitoring, and controls upgrades, in municipal facilities including Brown, Ben-Hem, and Lilja Elementary Schools, Wilson Middle and Natick High Schools, DPW office, and Police-Fire Station	X	
	Jul-16	\$250,000	to fund energy conservation measures, EVc vehicles, EV charging station, exterior lighting, energy analytics, retro-commissioning, in municipal facilities including two facilities and four schools	X	
	Jul-17	\$155,905	to fund energy conservation measures, HVAC occupancy sensors, motor replacements, interior and exterior LED lighting retrofit, hot water heat pump, electric vehicle charging station, and hybrid vehicle upfit, in municipal facilities including Morse Institute, East School, Memorial Elementary School, and Senior Center	X	
	Jul-18	\$245,142	to fund energy conservation measures, LED lighting, VFDs for rooftop units, and ductless mini-split replacement, in municipal facilities including Eliot School, DPW EM Garage, DPW Administration, Police and Fire Stations, and Morse Institute Library	X	
	Aug-19	\$150,622	to fund energy conservation measures, LED lighting, in municipal facilities including Johnson Elementary, Community Senior Center and Central Fire	X	
	Aug-20	\$100,000	to fund energy conservation measures, LED lighting, interior and exterior and retro-commissioning, in municipal facilities including Police and Wilson Middle School	X	
	Jul-21	\$25,000	to fund energy conservation measures, reversible chiller design bid package, in municipal facilities including Morse Institute Library	X	
	Jan-22	\$500,000	to fund energy conservation measures, heating electrification and controls upgrade, in municipal facilities including Morse Institute Library		
Needham	Feb-20	\$148,143	to fund energy conservation measures, lighting, in municipal facilities including Pollard Middle, Mitchell, and Newman Schools	X	32,048
New Bedford	Feb-17	\$604,305	to fund energy conservation measures, lighting retrofits, in municipal facilities including Ashley Elementary School, Carney Elementary School, and Swift Elementary School	X	100,941
	Aug-19	\$250,000	to fund energy conservation measures, lighting, in municipal facilities including Wastewater Treatment Plants, Elizabeth Carter Brooks Elementary, Elwyn G Campbell Elementary, and Carlos Pacheco Elementary Schools	X	
New Braintree	Dec-17	\$127,285	to fund energy conservation measures, weatherization, mechanical insulation, infrared heaters, lighting upgrades, DHW upgrade, and administrative support, in municipal facilities including Town Hall, DPW & Fire Dept, Library, and Elementary School	X	990
	Aug-20	\$173,059	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Town Hall and Elementary School	X	
	Jan-23	\$63,851	to fund energy conservation measures, weatherization and administrative assistance, in municipal facilities including Grade School and Library	X	
	Jan-24	\$180,013	to fund energy conservation measures, weatherization, air source heat pump, and administrative assistance, in municipal facilities including Town Hall, and DPW/Town Barn		
New Salem	Dec-10	\$138,100	to fund the installation of a 18.7 kW ground-mounted solar PV system on town-owned land.	X	997
	Jul-13	\$25,000	to fund energy conservation, weatherization and air source heat pump, in municipal facilities including Fire Station and Library	X	
	Aug-20	\$34,322	to fund energy conservation measures, walk-in freezer and weatherization, in municipal facilities including Swift River Elementary School	X	
Newburyport	Dec-10	\$154,980	to fund energy conservation, weatherization, HVAC upgrades, and lighting in municipal facilities including Police and City Hall	X	18,295
	Jul-13	\$157,606	to fund energy conservation measures, lighting and controls, DHW replacement, weatherization, retrocommissioning, and administrative assistance, in municipal facilities including Library and Public Safety	X	
	Jul-15	\$195,892	to fund energy conservation measures, electric vehicle purchase and charging station, lighting, weatherization, HVAC retrocommissioning, and demand control ventilation, in municipal facilities including High School and Fire Station	X	
	Jul-16	\$250,000	to fund a city wide streetlight LED conversion	X	
	Jul-18	\$195,579	to fund energy conservation measures, boiler replacement, weatherization, lighting, and administrative costs, in municipal facilities including Police Headquarters, City Hall, and Library	X	
	Aug-20	\$200,000	to fund energy conservation, DCV improvements and LED lighting, in municipal facilities including High School and Library	X	
	Jul-22	\$36,867	to fund energy conservation measures, LED lighting, motors and controls, and administrative assistance, in municipal facilities including High School and Library	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Newton	May-10	\$179,500	to fund the last phase of a comprehensive 'deep energy' retrofit of 1950's building specifically the remaining envelope improvements such as replacement of original, single pane windows with triple pane fiberglass, high performance glazing system, masonry wall insulation, foundation insulation and soffit insulation.	X	87,453
	Jul-13	\$250,000	to fund a citywide streetlight replacement project with LED equivalents	X	
	Jul-15	\$236,878	to fund the following energy conservation measures: in Countryside Elementary and Oak Hill Middle Schools, interior lighting upgrades to LED with motion controls; and in Police Headquarters and Garage, interior and exterior lighting upgrades to LED with motion controls	X	
	Jul-16	\$250,000	to fund the following energy conservation measures: interior LED lighting upgrades and controls at three schools	X	
	Jul-17	\$196,157	to fund energy conservation measures in municipal facilities including Franklin Elementary School, Underwood Elementary School, Williams Elementary School, and Memorial Spaulding School. The energy conservation measures funded by this grant are: interior LED lighting and controls, exterior LED lighting retrofits	X	
	Jul-18	\$248,734	to fund energy conservation measures, interior and exterior lighting and controls, window weatherization, plug-in hybrid vehicle acquisition, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including North High and Bowen Elementary Schools, War Memorial Auditorium, and town vehicle fleet	X	
	Aug-19	\$111,217	to fund energy conservation measures, LED lighting, in municipal facilities including South High School	X	
	Aug-20	\$100,000	to fund energy conservation measures, LED lighting and controls, in municipal facilities including South High School and Water Dept.	X	
	Jul-21	\$100,000	to fund energy conservation measures, LED lighting with controls and weatherization, in municipal facilities including Horace Mann and South High Schools and Nonantum Library	X	
	Jan-23	\$100,000	to fund energy conservation measures, LED lighting with controls, mechanical insulation, weather stripping, thermostats and zone repairs, and air source heat pump, in municipal facilities including South High School and Fire #1	X	
	Jan-24	\$500,000	to fund energy conservation measures, HVAC decarbonization renovation with heat pumps, in municipal facilities including Free Library		
Norfolk	Feb-20	\$144,600	to fund energy conservation measures, infrared camera purchase, refrigeration upgrades, exterior and interior lighting, and weatherization, in municipal facilities including H. Olive Day and Freeman Kennedy Schools, Library, and DPW Building	X	11,550
	Jan-22	\$145,289	to fund energy conservation measures, energy management system and VFDs, weatherization and pipe insulation, and LED lighting, in municipal facilities including H Olive Day Main School	X	
North Adams	Feb-17	\$194,580	to fund weatherization and energy conservation measures to be determined in municipal facilities including the Library	X	12,880
	Jan-22	\$169,694	to fund energy conservation measures, weatherization, LED lighting, transformer, hybrid police cruiser, and administrative assistance, in municipal facilities including City Hall, Wastewater Treatment Plant, Vietnam Veterans Ice Rink, and vehicle fleet	X	
North Andover	Feb-17	\$169,390	to fund the following energy conservation measures in North Andover Middle School and Town Hall: conversion of interior and exterior lighting to LEDs, purchase of an electric vehicle, installation of an EV charging station, and other energy conservation measures to be approved.	X	30,711
	Jul-18	\$151,153	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Aug-19	\$92,612	to fund energy conservation measures, LED lighting, in municipal facilities including Middle School and Water Treatment Plant	X	
	Aug-20	\$125,686	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Middle, High and Elementary Schools and Library	X	
	Jul-21	\$192,078	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including DPW and Middle and High Schools	X	
	Jan-23	\$130,003	to fund energy conservation measures, interior and exterior LED lighting, door weather stripping, and air sealing, in municipal facilities including High School, Atkinson, Franklin, Kittredge, Sargent, and Thomson Elementary Schools, and Town Hall	X	
North Attleborough	Feb-20	\$187,820	to fund energy conservation measures, exterior parking lot lighting, interior LED lighting and controls, weatherization, administrative assistance, and HVAC feasibility study, in municipal facilities including Martin Elementary School, Fire HQ, Fire #2, and Town Hall	X	30,854
	Jan-22	\$178,793	to fund energy conservation measures, LED lighting, variable frequency drives, hybrid police cruiser, and administrative assistance, in municipal facilities including Community School, Town Hall, Middle School, and vehicle fleet		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Northampton	May-10	\$198,500	for a 51 kW solar power project on the Smith Vocational and Agricultural High School (SVAHS) and to purchase an energy auditor/building performance education kit for the SVAHS Home Building Program.	X	29,311
	Jul-12	\$98,000	to fund the following energy efficiency measures in municipal buildings: insulation and air sealing in the Academy of Music and Memorial Hall.	X	
	Jul-14	\$180,530	to fund energy conservation measures in the library, water treatment plant, and Smith Vocational High School, and outdoor post-top LED lighting in the downtown	X	
	Jul-17	\$247,507	to fund energy conservation measures, exterior lighting, in municipal facilities including Leeds Elementary, JFK Middle, Ryan Road Elementary, Jackson St Elementary, Northampton High, and Smith Vocational and Agricultural High Schools	X	
	Aug-19	\$250,000	to fund energy conservation measures, LED lighting, in municipal facilities including High School, WWTP, DPW, Police, Fire and Water Treatment Plant	X	
	Jul-21	\$67,635	to fund energy conservation measures, weatherization and energy recovery ventilator and air source heat pump design, in municipal facilities including Leeds Elementary School	X	
	Jan-23	\$57,596	to fund energy conservation measures, attic air sealing and insulation and crawl space insulation , in municipal facilities including Forbes Library, Leeds Elementary School, Academy of Music, and James House Learning Center	X	
Northborough	Dec-18	\$149,309	to fund energy conservation measures, boiler upgrade, energy management system, and administrative assistance, in municipal facilities including Police Station and Melican Middle School	X	15,667
	Jul-21	\$149,601	to fund energy conservation measures, LED lighting, weatherization, primary pumps, and administrative assistance, in municipal facilities including Police, DPW, Lincoln Street Elementary, Proctor Elementary, Zeh Elementary, Melican Middle, and Peaslee Elementary Schools.	X	
	Sep-23	\$127,194	to fund energy conservation measures, duct air sealing, weatherization, insulation, and administrative assistance, in municipal facilities including Senior Center and Free Library		
Northbridge	Feb-17	\$176,515	to fund energy conservation measures, thermostats, controls, lighting, and steam trap repair, in municipal facilities including Middle School, Whitinsville Social Library, and Memorial Town Hall	X	16,298
	Jul-18	\$240,220	to fund energy conservation measures, boiler upgrade, steam traps, lighting upgrades, domestic hot water tank, and administrative costs, in municipal facilities including Town Hall, Fire Dept., High and Middle Schools, and Town Hall	X	
	Aug-19	\$208,949	to fund energy conservation measures, lighting, energy management systems upgrades, and administrative support, in municipal facilities including High School, Middle School, and Police Station	X	
	Aug-20	\$164,274	to fund energy conservation measures, LED lighting, VAV control replacement and administrative assistance, in municipal facilities including High and Middle Schools	X	
	Jul-21	\$190,178	to fund energy conservation measures, LED lighting, hybrid heat pump DHW heater, HVAC univent demand control, and administrative assistance, in municipal facilities including Town Hall and Middle and High Schools	X	
	Jul-22	\$89,916	to fund energy conservation measures, LED lighting, sensors and Demand Control ventilation, and administrative assistance, in municipal facilities including High School	X	
	Jan-24	\$191,386	to fund energy conservation measures, unit ventilator controls replacement and administrative assistance, in High School		
Northfield	Jul-12	\$143,750	to fund energy conservation measures, energy audits, solar PV array, window quilts, heating system upgrade, pellet boiler, weatherization, window inserts, in municipal facilities including Town Hall, Pavilion and Library	X	2,876
	Jul-18	\$236,060	to fund energy conservation measures, insulation, doors and windows, de-stratification fans, weatherization, and administrative costs, in municipal facilities including Northfield Elementary School and Pioneer Valley Regional School	X	
	Aug-20	\$162,303	to fund energy conservation measures, air source heat pump with fuel conversion, HVAC controls, hybrid vehicle purchase, and administrative assistance, in municipal facilities including Library, Elementary School, and town vehicle fleet	X	
	Jan-24	\$178,910	to fund energy conservation measures, energy recovery ventilator (ERV) units, duct sealing, insulation, and air source heat pump, in municipal facilities including Elementary School and Dickinson Memorial Library		
Norton	Apr-21	\$173,321	to fund energy conservation measures, infrared heaters, weatherization, and administrative support, in municipal facilities including but not limited to: Fire HQ, Police, LG Nourse and HA Yelle Elementary Schools, and Public Library		19,278
Norwell	Dec-15	\$146,520	to fund a replacement of the energy management system to increase efficiency and optimize HVAC operation and control and an interior and exterior LED lighting retrofit in Town Hall	X	11,349
	Jul-18	\$250,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Middle, Vinal, Cole, and High Schools	X	
	Aug-19	\$89,019	to fund energy conservation measures, lighting and weatherization, in municipal facilities including High and Middle Schools	X	
	Jan-22	\$54,413	to fund energy conservation measures, variable refrigerant flow (VRF) system, in municipal facilities including Fire 1	X	
	Sep-23	\$173,887	to fund energy conservation measures, heat pump system, in municipal facilities including Fire Station 2		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Norwood	Feb-20	\$182,080	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including High School, Morrill Memorial Library, Public Safety Headquarters, Civic Center, and Balch, Cleveland, and Oldham Elementary Schools	X	31,441
	Jan-22	\$156,411	to fund energy conservation measures, weatherization, LED lighting, HVAC upgrade to dual fuels, EV vehicle, hybrid vehicle, Building Operator Certification training, and administrative assistance, in municipal facilities including vehicle fleet, Town Hall, and Willett, Balch, Callahan, Oldham, Cleveland, and Prescott Schools	X	
Oak Bluffs	Jun-22	\$144,000	to fund energy conservation measures, DHW heat pump heaters, heat pump system, and energy conservation measures to be determined, in municipal facilities including but not limited to the following: Sailing Camp, Council of Aging, and Library		5,472
Orange	Dec-17	\$159,830	to fund energy conservation measures, weatherization, VFD/boiler controls, BAS upgrade, lighting, and infrared heaters/fuel conversion, in municipal facilities including Town Hall and Fisher Hill School	X	7,577
	Jul-21	\$33,149	to fund energy conservation measures, weatherization, LED lighting, and hybrid cruiser purchase, in municipal facilities including Highway, Library, and town vehicle fleet	X	
	Sep-23	\$144,168	to fund energy conservation measures, battery storage, in municipal facilities including Fisher Hill School		
Orleans	Dec-18	\$134,709	to fund energy conservation measures, lighting, spray valve, thermostat, mini-splits, air dryer, hybrid vehicle, and energy conservation measures to be determined, in municipal facilities including Water Treatment Facility, Sea Call Farm, Transfer Station, Council on Aging, Community Building, Elementary School, and town vehicle fleet		6,411
Oxford	Feb-20	\$163,880	to fund energy conservation, lighting, VFDs, and administrative costs, in municipal facilities including Library, Fire, Senior Center, High and Clara Barton Elementary Schools	X	13,287
	Jul-21	\$200,000	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities	X	
	Jul-22	\$200,000	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities	X	
	Sep-23	\$200,000	to fund energy conservation measures, HVAC controls update, weatherization, and administrative assistance, in municipal facilities including Library, High and Middle Schools		
Palmer	May-10	\$169,103	to fund energy conservation measures at Town Hall including design services, conversion to a natural gas boiler, chiller, and condenser replacements with energy efficient units	X	12,372
	Jul-13	\$224,190	to fund energy conservation measures, energy management system, HVAC piping, HVAC design and commissioning, unit ventilators, and vending machine timers, in the Town Administration Building	X	
	Jul-15	\$211,584	to fund energy conservation measures, weatherization, lighting, HVAC upgrade, at municipal facilities including DPW Garage, Library, Wastewater Treatment Plant, Converse Middle, Old Mill Elementary, and Palmer High Schools	X	
	Jul-17	\$94,974	to fund energy conservation measures in municipal facilities including town vehicle fleet. The energy conservation measures funded by this grant are: electric vehicle purchases and electric vehicle charging stations	X	
	Jul-18	\$139,420	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Jan-22	\$200,000	to fund energy conservation measures, air source heat pump, weatherization, and LED lighting, in municipal facilities including Memorial Hall/Council on Aging, High School, and Old Mill Pond School	X	
Pelham	Jul-12	\$138,100	to fund hiring an engineering consultant and roof insulation and air sealing at the Community Center.	X	1,267
	Jul-18	\$29,450	to fund energy conservation measures, lighting, in municipal facilities including Rhodes Building, Highway, and Community Center	X	
	Aug-19	\$170,000	to fund energy conservation measures, variable refrigerant flow heat pump with fuel conversion, in municipal facilities including Community Center	X	
Pembroke	Dec-14	\$174,400	to fund the following energy conservation measures: at Pembroke Library, installation of a new energy management system (EMS) and variable frequency drives (VFDs); and at Town Hall, installation of a new EMS and a tower VFD	X	18,410
	Jul-16	\$250,000	to fund the following energy conservation measures: LED lighting retrofits at four schools	X	
	Jul-18	\$168,302	to fund energy conservation measures, LED lighting and boiler controls, in municipal facilities including Police, Town Hall, Library, and Hobomock, Bryantville, Middle, and North Schools	X	
	Aug-19	\$147,363	to fund energy conservation measures, boiler replacement and LED lighting, in municipal facilities including Bryantville School and Hobomock School	X	
	Jan-23	\$130,420	to fund energy conservation measures, LED lighting, transformer, weatherization, and administrative assistance, in municipal facilities including High School, Mattakesett Street Ball Field, and Town Hall	X	
	Jan-24	\$200,000	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Hobomock Elementary and High Schools, and Public Library		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Pepperell	Dec-15	\$152,910	to fund administrative costs, and the following energy conservation measures: building envelope improvements at one regional school and five facilities; lighting upgrades at three facilities; and installation of an energy management system, demand control ventilation and front end upgrades at Nissitissit Middle School	X	11,577
	Jul-17	\$247,199	to fund energy conservation measures, lighting, HVAC upgrade, weatherization, and administrative assistance, in municipal facilities including Lawrence Library, Nissitissit Middle School, Public Safety Complex, Community Center, and Highway Dept	X	
	Jul-18	\$222,005	to fund energy conservation measures, interior and exterior lighting and weatherization, in municipal facilities including Town Hall, Senior Center, Water Dept., Waste Water Dept. and Lab, Highway, Cemetery Building, and Varnum Brook Elementary School	X	
	Aug-20	\$167,129	to fund energy conservation measures, boiler replacement, LED lighting, and administrative assistance, in municipal facilities including Police and Nissitissit Middle School	X	
	Jul-22	\$189,869	to fund energy conservation measures, weatherization, destratification fans, transformers, LED lighting, and administrative assistance, in municipal facilities including Nissitissit and Varnum Brook Schools	X	
Peru	Feb-20	\$128,820	to fund energy conservation measures, lighting and energy conservation measures to be determined, in municipal facilities including Town Garage and Town Hall		804
Petersham	Dec-12	\$138,425	to fund interior lighting, energy audits, and energy conservation measures identified in Center School, Police and Fire Stations, Town Hall, Highway Barn, and Town Office Building	X	1,188
	Jul-16	\$29,649	to fund the following energy conservation measures: building weatherization improvements at Town Office Building, window inserts at Center School and installation of new overhead insulated garage doors at the Highway Barn	X	
Pittsfield	May-10	\$256,632	to fund installation of an energy management system and replace 53 unit heaters at City Hall	X	43,641
	Jul-12	\$49,543	to fund a heating system conversion from electric to high-efficiency natural gas in the Lichtenstein Art Center.	X	
	Jul-13	\$250,000	to fund HVAC upgrade from electric natural gas powered condensing boiler system at the Berkshire Athenaeum	X	
Plainfield	Feb-17	\$137,575	to fund energy conservation measures, energy audit, engineering and design services, LED lighting, weatherization, air source heat pumps, in municipal facilities including Town Hall, Hallock Building (Library & Town Offices), Hathaway Hall/Police, Highway Garage, and Public Safety Building	X	628
Plainville	Dec-17	\$144,025	to fund energy conservation measures, lighting improvements, in municipal facilities including Anna Ware Jackson Elementary School and Beatrice H. Wood Elementary School	X	9,896
	Aug-19	\$250,000	to fund energy conservation measures, boiler, weatherization, LED lighting and variable refrigerant flow system, in municipal facilities including Wood School and Jackson School	X	
	Jan-22	\$93,904	to fund energy conservation measures, weatherization, LED lighting variable refrigerant flow (VRF) system, and administrative assistance, in municipal facilities including Anna Ware Jackson School	X	
	Jan-24	\$199,984	to fund energy conservation measures, VRF heat pump system and administrative assistance, in municipal facilities including Jackson Elementary School		
Plymouth	Dec-22	\$270,000	to fund energy conservation measures, weatherstripping, retro-commissioning, steam radiator valve replacements, destratification fans, and Variable Refrigerant Flow (VRF) heat pump system, in municipal facilities including but not limited to the following: Animal Shelter, Memorial Hall, South Middle School, and Town Hall		62,131
Plympton	Dec-13	\$141,550	to fund energy conservation measures, Interior and exterior lighting, RTU controls, motors and VFDs, lighting sensors, and weatherization, in municipal facilities including Dennett School, DPW Barn, Town Hall/Police, Library, and Historical Society	X	2,939
	Jul-18	\$170,424	to fund energy conservation measures, lighting, DCV, plug load controls, hot water pump motors and VFDs, energy management system, wireless t-stats, IR heaters, exhaust fan control, weatherization, and administrative assistance, in municipal facilities including Library, Town Hall/Police, Fire Station, and Dennett Elementary School	X	
	Aug-19	\$64,497	to fund energy conservation measures, transformers, weatherization, lighting, thermostats, and appliances, in municipal facilities including Dennett Elementary School, Highway Dept., Council of Aging, Fire Station, and Historical Society	X	
	Jul-22	\$81,875	to fund energy conservation, heat pumps and administrative assistance, in municipal facilities Fire Station and Public Library	X	
	Sep-23	\$37,483	to fund energy conservation, heat pump systems and administrative assistance, in municipal facilities including Town House	X	
Princeton	Apr-21	\$130,869	to fund energy conservation measures, exterior and interior lighting, hybrid vehicle purchase, and administrative support, in municipal facilities including Goodnow Memorial Library, Fire Station #2, and Highway Garage		3,499
Provincetown	Dec-11	\$143,600	for an energy efficient heating system replacement at Veteran's Memorial School.	X	3,708
	Jul-15	\$32,302	to fund an oil to propane heating system conversion and a fuel catalyst unit at the Tourism building	X	
	Jul-18	\$34,779	to fund energy conservation measures, boiler conversion (oil to dual fuel), pump and VFD replacement, thermostats, vending misers, low flow showerheads, faucet aerators, and administrative costs, in municipal facilities including Fire Department	X	
	Aug-20	\$138,350	to fund energy conservation measures, chiller replacement with fuel conversion and administrative assistance, in municipal facilities including Town Hall	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Quincy	Dec-11	\$370,325	to fund administrative costs and the following energy conservation measures: LED replacement for the decorative streetlights; retrocommissioning, phase one, installation of an EMS interface at the High School; and exterior LED lighting retrofits at Lincoln Hancock, Clifford Marshall, Point Webster Middle, and the High School.	X	101,119
	Jul-14	\$250,000	to fund exterior lighting upgrades at five schools and four municipal facilities and EMS upgrade and retrocommissioning at two schools and one municipal facilities	X	
	Aug-20	\$200,000	to fund energy conservation measures, LED lighting, in municipal facilities including Point Webster Middle School	X	
	Jul-21	\$200,000	to fund energy conservation measures, LED lighting, expansion of building management system exhaust fan control, and hybrid cruiser purchases, in municipal facilities including city vehicle fleet and North Quincy High, Parker Elementary, Atlantic Middle, and Beechwood Knoll Elementary Schools	X	
	Jan-24	\$199,685	to fund energy conservation measures, transformers, LED lighting, hybrid vehicles, and EV charging stations, in municipal facilities including Lincoln Hancock and Beechwood Knoll Schools and town vehicle fleet and EV infrastructure		
Rehoboth	Feb-20	\$147,462	to fund energy conservation measures, air source heat pump, lighting, interior storms, weatherization and administrative support, in municipal facilities including Blanding Library/Goff Hall, Highway Department, Public Safety Building, and Town Hall	X	12,687
	Jan-23	\$171,493	to fund energy conservation measures, weatherization, air source heat pumps, EV charging stations (2), and administrative assistance, in municipal facilities including Fire #2, Fire #3, and town vehicle infrastructure	X	
Revere	Jul-11	\$366,600	to fund energy conservation measures in City Hall, the Senior Center, and the Youth Center including energy management systems, steam trap upgrades, computer management systems, pipe and attic insulation, lighting retrofits, weather sealing, and controls on vending machines.	X	59,075
	Jul-15	\$89,460	to fund acquisition of four electric vehicles and acquisition and installation of two level 2 dual head EV charging stations	X	
	Jul-18	\$9,871	to fund energy conservation measure, electric vehicle charging stations, in municipal facilities including city vehicle fleet	X	
	Aug-20	\$173,552	to fund energy conservation measures, LED lighting, weatherization, and variable speed drive, in municipal facilities including Beachmont School and T-Carroll Way Pump Station	X	
	Jan-22	\$188,510	to fund energy conservation measures, weatherization and LED lighting, in municipal facilities including Engine 5, 4, and 3, City Hall, and Library	X	
Richmond	Jul-12	\$129,866	to fund energy conservation measures, energy audits, lighting, weatherization, and administrative support, in municipal facilities including Town Hall, DPW garages, and Consolidated and Elementary Schools	X	1,405
Rochester	Feb-20	\$135,960	to fund energy conservation measures, weatherization, LED lighting, lighting controls, refrigeration controls, spray valve, and technical assistance, in municipal facilities including Council on Aging, Highway Barn, Fire Dept. #3, Memorial Library, Police Dept., Memorial School, and Town Hall	X	
	Jul-21	\$162,776	to fund energy conservation measures, weatherization, LED lighting, and administrative assistance, in municipal facilities including Town Hall and Memorial School	X	
	Jul-22	\$109,437	to fund energy measures, weatherization, air sealing, pipe insulation, door sealing, LED lighting, variable frequency drives, and administrative assistance, in municipal facilities including Fire Station # 1 and #2, and Memorial Elementary School	X	
	May-23	WITHDREW FROM THE GREEN COMMUNITY PROGRAM			
Rockland	Dec-12	\$185,425	to fund the following energy conservation measures in municipal buildings: lighting upgrades at the library, public works facility, and wastewater treatment plant; and implementation of approved energy conservation measures identified from audits.	X	17,771
	Jul-16	\$233,139	to fund energy conservation measures, administrative assistance, lighting, generator heat pump (WWTP), IR heater, weatherization, in municipal facilities Esten and Middle/High Schools, Police Dept.and five facilities	X	
	Jul-17	\$238,865	to fund energy conservation measures, refrigeration controls, retro-commissioning, boiler, lighting , and administrative costs, in municipal facilities including Middle-High and Esten Schools, WWTP, Youth Commission, Highway and Library	X	
	Jul-18	\$210,531	to fund energy conservation measures, LED lighting, EMS controls, EMS upgrade, and administrative costs/technical assistance, in municipal facilities including Middle/High and Esten Schools, Police, and Town Hall	X	
	Aug-20	\$51,962	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including WWTP	X	
	Jul-22	\$97,215	to fund energy conservation measures, pumps, variable frequency drives and controls and administrative assistance, in municipal facilities including Wastewater Plant	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Rockport	Feb-17	\$148,670	to fund energy conservation measures, energy management system, lighting retrofits, thermostats and administrative costs of grant management, in municipal facilities including Rockport High and Middle School and Public Library	X	6,959
	Aug-19	\$193,739	to fund energy conservation measures, building automation system upgrade, RTU upgrade, lighting, PID control, variable frequency drive, and administrative support, in municipal facilities including High/Middle School, Town Hall Annex, Town Hall, Police Station, Water Treatment Plant, and Wastewater Treatment Plant	X	
	Aug-20	\$182,979	to fund energy conservation measures, LED lighting, UV controls, weatherization, building operator certification training, and administrative assistance, in municipal facilities including Middle/High School	X	
Rowe	Dec-11	\$135,725	to fund energy conservation, solar PV array, weatherization, DHW heater, window quilts, educational workshops, residential energy incentive program, in municipal facilities including DPWs, Town Garage, Town Hall, Highway, Library, Parks buildings	X	422
	Jul-15	\$154,776	to fund the following energy conservation measures: at the DPW garage, an oil to wood pellet fuel heating system conversion and insulation and air sealing; at the Library, an oil to electricity fuel conversion and installation of an air source heat pump and insulation and air sealing of the building envelope; and at Town Hall, insulation and air sealing of the building envelope	X	
Rowley	Apr-21	\$136,868	to fund engineering & design services, HVAC upgrade & heat pump, and weatherization, in municipal facilities Town Hall		6,131
Royalston	Dec-17	\$102,474	to fund energy conservation measures, LED lighting, lighting controls, weatherization, a residential energy assistance program and administrative support, in municipal facilities including Town Hall, DPW buildings, Public Safety Building, Fire Station #2, Whitney Hall, and Raymond School	X	1,256
	Jan-24	\$168,689	to fund energy conservation measures, weather-stripping, air seal and insulation, and administrative assistance, in municipal facilities including DPW, Fire 2, Public Safety, Library, and Town Hall		
Rutland	Dec-18	\$145,622	to fund energy conservation measures, lighting, weatherization, mechanical insulation, idleright, an energy study, grant administration, certification training, and energy conservation measures to be determined, in municipal facilities including Community Center, Community Hall/Town Hall, DPW, Water Treatment Plant, Public Safety, and vehicle fleet	X	9,169
	Jul-21	\$172,401	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Library, DPW, Public Safety Building, and Community Center	X	
	Jan-23	\$97,272	to fund energy conservation measures, building controls and administrative assistance, in municipal facilities including Public Safety Building	X	
	Jan-24	\$200,000	to fund energy conservation measures, air source heat pump, infrared heaters and administrative assistance, in municipal facilities including DPW Office Area and Garage		
Salem	May-10	\$245,624	for energy efficient streetlights, to buy down the cost of an energy service company contract, a residential weatherization pilot program and a bike sharing pilot program.	X	44,819
	Jul-13	\$223,769	to fund energy conservation measures, administration costs, retrocommissioning studies, Energy Management System, infrared heaters, weatherization, lighting, in municipal facilities including schools, DPW HQ/Garage	X	
	Jul-15	\$229,708	to fund a complete city wide LED streetlight conversion	X	
	Jul-17	\$219,195	to fund energy conservation measures, boiler replacement, boiler jacket, and lighting, in municipal facilities including Bowditch Elementary, Bates Elementary, Witchcraft Heights Elementary, Carlton innovation, and Collins Middle Schools	X	
	Jul-18	\$247,842	to fund energy conservation measures, lighting, heating upgrades, EV charging stations, in municipal facilities including Bates Elementary and Carlton Innovation Schools, and Salerno Automotive Tech Center	X	
	Aug-20	\$76,872	to fund energy conservation measures, hybrid vehicle purchase, appliance replacement, EV charging station, building operator certification training, and administrative assistance, in municipal facilities including Police Horace Mann Laboratory School, Witchcraft Heights Elementary School, and city vehicle fleet and infrastructure	X	
	Jul-22	\$62,584	to fund energy conservation measures, EV charging stations (6), electric vehicles police (2), Building Operator Certification training, and administrative assistance, in municipal facilities including town vehicle fleet and infrastructure	X	
Salisbury	Feb-17	\$160,695	to fund energy conservation measures, street light audit study, weatherization, EV and hybrid vehicles, EV charging stations, and solar trash compactors, in municipal facilities including streetlights and vehicle fleet	X	9,212
	Jan-23	\$134,318	to fund energy conservation measures, air source heat pumps and weatherization, in municipal facilities including Public Works and Fire Dept.		
Sandisfield	Dec-18	\$128,729	to fund energy conservation measures, insulation, lighting, and solar PV installations, in municipal facilities including Town Hall, Town Hall Annex-Library, and Garage	X	982
	Jan-23	\$65,129	to fund energy conservation measures, air source heat pumps and administrative assistance, in municipal facilities including Town Hall Annex		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Saugus	Dec-15	\$208,335	to fund energy conservation measures, electric vehicle purchase, EV charging station, lighting, HVAC improvements, variable frequency drives and motors, and administrative costs, in municipal facilities including Veterans Memorial and Belmonte Middle Schools, and vehicle fleet	X	28,676
	Jul-17	\$242,903	to fund energy conservation measures in municipal facilities including Public Safety Building and Public Library. The energy conservation measures funded by this grant are: interior LED lighting retrofits, exterior LED lighting retrofits, commissioning, efficient motors, energy management system upgrade, and rooftop unit replacement	X	
	Jul-18	\$238,560	to fund energy conservation measures, interior and exterior lighting, rooftop unit replacement, pumps/motors/drives, hot water boiler, and administrative costs, in municipal facilities including Public Safety Building, Town Hall, and Senior Center	X	
	Aug-19	\$135,565	to fund energy conservation measures, lighting, RTU replacement, and administrative and technical support, in municipal facilities including DPW, Town Hall Annex, and Public Safety	X	
	Jan-22	\$118,844	to fund energy conservation measures, variable frequency drives/motors, building management system update, air source heat pump, kitchen hood controls, weatherization, and administrative assistance, in municipal facilities including Public Safety, Library, Belmonte School, Youth and Recreation Center, and Veteran's Memorial School	X	
	Jan-24	\$200,000	to fund energy conservation measures, air source heat pumps, heat pump RTU, weather-stripping, and administrative assistance, in municipal facilities including DPW and Senior Center		
Scituate	Dec-10	\$163,025	to fund energy conservation measures, weatherization, DCV, t-stats, faucet aerators, in municipal facilities including schools	X	19,185
	Jul-14	\$82,273	to fund installation of high efficiency transformers for the sewer pump stations	X	
	Jul-16	\$177,966	to fund the following energy conservation measures: installation of efficient variable frequency drives on four water treatment or well pump motors; and at Jenkins School, installation of air handling unit motors and replacement of lighting fixtures	X	
	Jul-17	\$246,133	to fund energy conservation measures in municipal facilities including Scituate High School, Jenkins Elementary School, Hatherly Elementary School, Gates Intermediate School, and Fire Station. The energy conservation measures funded by this grant are: interior LED lighting retrofits, hot water heater replacement, and boiler replacement	X	
	Jul-18	\$230,104	to fund energy conservation measures, lighting, domestic hot water heater, motors and VFDs, transformers, and de-stratification fans, in municipal facilities including Cushing Elementary, Wampatuck Elementary, Wampatuck Elementary, and High Schools, Wastewater Dept., and Musquashicut Pond Pump Station	X	
	Aug-20	\$196,841	to fund energy conservation measures, LED lighting, motor, and destratification fan, in municipal facilities including High and Wampatuck Elementary Schools, Town Library, Town Hall Wastewater Plant	X	
	Sep-23	\$99,409	to fund energy conservation measures, LED lighting, in municipal facilities including High School	X	
Seekonk	Dec-18	\$160,790	to fund energy conservation measures, energy management systems, variable frequency drives and motors, mechanical insulation, weatherization, and measures to be determined, in municipal facilities including Public Safety, Aitken Elementary, Martin Elementary, Hurley Middle, and Seekonk High Schools	X	15,568
	Jul-22	\$60,094	to fund energy conservation, weatherization and administrative assistance, in municipal facilities including Public Safety	X	
Sharon	Dec-17	\$147,649	to fund energy conservation measures, interior and exterior lighting, hybrid truck purchase, variable frequency drives, thermostats, and administrative support, in municipal facilities including East Elementary School, Deborah Sampson Park Courts, Community Center, Water Dept. HQ, DPW Garage, and town vehicle fleet	X	18,494
	Jan-22	\$53,389	to fund energy conservation measures, hybrid vehicle, water pump motor, LED lighting, and Building Operator Certification training, in municipal facilities including vehicle fleet and Heights Elementary Schools	X	
Shelburne	Dec-17	\$132,575	to fund energy conservation measures, programmable thermostats, weatherization, exterior and interior lighting, and a heat pump, in municipal facilities including the Free Library, Colwell Gym, Highway Garage, Memorial Building/Town Hall, and Village Information Center	X	1,889
	Jul-22	\$119,883	to fund energy conservation measures, air source heat pump and administrative assistance, in municipal facilities including Cowell Gymnasium	X	
Sherborn	Jul-11	\$137,450	to fund energy conservation, anti-idling, energy assessment, ighting, weatherizatin, HVAC upgrade, traffic signals, in municipal facilities including Pine Hill School, Fire and Police, Town Hall, and Library	X	4,390
	Jul-15	\$77,800	to fund the following energy conservation measures at Pine Hill School: upgrades to air handlers in the library and gym; upgrades to unit ventilators in classrooms; and insulation and air sealing of the building envelope	X	
	Jul-17	\$39,120	to fund energy conservation measures in municipal facilities including Police Station. The energy conservation measures funded by this grant are: furnace and AC replacement	X	
	Jul-21	\$71,952	to fund energy conservation measures, LED streetlights and weatherization, in municipal facilities including town streetlights, Town Hall, and DPW Garage		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Shirley	Dec-11	\$152,975	to fund the installation of idle reduction units in municipal vehicles, technical assistance to evaluate implementation of a town-wide energy savings performance contract, purchase of streetlights and the following energy conservation measures: a LED streetlight pilot project; at the War Memorial, a lighting upgrade including occupancy sensors, building envelope improvements and replacement of the boiler and hot water heater.	X	7,279
	Jul-16	\$72,742	to fund a new direct expansion/air handling unit (AHU/DX) condensing unit	X	
Shrewsbury	Dec-18	\$183,411	to fund energy conservation, VFDs, weatherization, lighting, and certification training, in municipal facilities including Town Hall and Oak Middle, Parker Middle, Shrewsbury High, Paton Elementary, Coolidge Elementary, and Parker Road Pre-K Schools	X	38,999
	Aug-20	\$184,302	to fund energy conservation measures, RTU replacement, LED lighting and building operator certification training, in municipal facilities including Parker Road Preschool, High, Floral St and Oak Middle Schools	X	
	Jan-22	\$146,604	to fund energy conservation measures, hybrid electric heat pump water heater, weatherization, LED lighting, EV charging station, police cruisers, and Building Operator Certification trainings, in municipal facilities including Spring Street School, High School, Town Hall, Senior Center, EV infrastructure, and vehicle fleet	X	
	Sep-23	\$185,000	to fund energy conservation measures, EV charging stations, hybrid vehicles, LED lighting, heat pump system and DHW heater, and Building Operator Certification training, in municipal facilities including vehicle fleet and infrastructure, Donahue Rowing Center, and High School		
Shutesbury	Jul-11	\$142,275	to fund energy conservation measures, solar PV array, interior lighting, heating upgrades and fuel conversions from oil, weatherization, in municipal facilities including Fire Station, Elementary School, and Town Hall	X	1,731
	Jan-23	\$178,503	to fund energy conservation measures, weatherization and lighting, in municipal facilities including Elementary School, Fire Station, Public Works, Library, and Town Hall		
Somerville	Jul-11	\$362,175	to fund administrative costs, a comprehensive audit of streetlights and exterior lighting, and the following energy conservation measures: installation of a new Energy Management System in the high school; interior lighting retrofit at Winter Hill and Brown Schools and City Hall Annex; and the installation of five Electric Vehicle Charging Stations	X	79,815
	Jul-16	\$248,922	to fund the following energy conservation measures: LED lighting upgrade at two schools	X	
	Jul-17	\$226,063	to fund energy conservation measures in municipal facilities including vehicle fleet, City Hall, Fire Headquarters, West Somerville School, and outdoor locations. The energy conservation measures funded by this grant are: lighting and controls upgrades and electric vehicle charging stations	X	
	Jul-18	\$187,801	to fund energy conservation measures, lighting, lighting controls, and electric vehicle charging station, in municipal facilities including Fire Engine 1, 6, and 7, JF Kennedy School, Library, Council on Aging, and town vehicle fleet	X	
	Aug-19	\$191,075	to fund energy conservation measures, lighting, lighting controls, boiler damper, boiler duct work, thermostats, fan motor, and mechanical insulation, in municipal facilities including JFK Elementary School, Benjamin G. Brown School, Edgerly Education Center, Central Library, and Senior Center	X	
	Aug-20	\$97,001	to fund energy conservation measures, LED lighting and controls, steam trap survey and repair and building operator certification training, in municipal facilities including Argenziano School and DPW Works Campus	X	
	Jan-22	\$36,715	to fund energy conservation measures, electric air source heat pump block heater for generator and LED lighting, in municipal facilities including Capuano Early Childhood Center	X	
Southampton	Dec-17	\$138,595	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		6,187
Southborough	Feb-17	\$142,865	to fund energy conservation measures, weatherstripping, air sealing, and insulating measures, in Highway Division Building, Old Transfer Station, Public Library, Town Hall, South Union School - Arts Center, New Transfer Station, and Cemetery Building	X	10,421
	Jul-18	\$250,000	to fund energy conservation measures, weatherization, HVAC motors and VFDs, and administrative costs, in municipal facilities including Trotter Middle, Neary Elementary, and Finn Elementary Schools, and Library	X	
	Aug-19	\$250,000	to fund energy conservation measures, weatherization, lighting, and administrative support, in municipal facilities including P. Brent Trotter School, Albert S. Woodward School, Margaret A. Neary School, and Finn Elementary School	X	
	Aug-20	\$200,000	to fund energy conservation measures, VFD, motors, LED lighting and administrative assistance, in municipal facilities including Neary, Finn Elementary, Trotter and Woodward Schools, and Library	X	
	Jul-21	\$200,000	to fund energy conservation measures, LED lighting, transformers, hybrid cruiser purchase, and administrative assistance, in municipal facilities including town vehicle fleet and Mary E. Finn, P. Brent Trotter, Margaret A. Neary Schools	X	
	Jul-22	\$100,000	to fund energy conservation measures, LED lighting, boiler controls, hybrid police cruiser, and administrative assistance, in municipal facilities including P. Brent Trotter School and town vehicle fleet	X	
	Sep-23	\$47,042	to fund energy conservation measures, LED lighting, in municipal facilities including P. Trent Trotter School	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Southbridge	Feb-17	\$206,130	to fund energy conservation measures, boiler installation with fuel conversion, wireless zone controls, and energy conservation measures to be determined, in municipal facilities including Town Hall	X	17,657
	Jan-23	\$78,349	to fund energy conservation measures, LED lighting in municipal facilities including High School	X	
Southwick	Jul-23	\$146,220	<i>Applicant period for grant projects is currently open; projects to be determined.</i>		9,196
Spencer	Feb-20	\$162,800	to fund energy conservation measures, infrared heater, lighting, weatherization, mechanical insulation, idle right technology, administrative assistance, and energy conservation measures to be determined, in municipal facilities including Fire Station, Water Dept, Town Hall, and vehicle fleet infrastructure	X	11,928
	Jan-23	\$156,415	to fund energy conservation measures, weatherization, infrared heaters, and administrative assistance, in municipal facilities including Police Station, Water Dept., Highway Dept., and Library	X	
Springfield	May-10	\$988,102	to fund energy conservation measures, boilers, vending misers, and energy management systems, in municipal facilities including Deberry, Mary Lynch, Brunton, Freedman, and Zanetti Schools, Fire Repair Building, and Library	X	154,789
	Jul-12	\$161,582	to fund energy conservation measures, energy management systems and boilers replacement, in municipal facilities including Pine Point Library and Balliet S.A.F.E. Middle School	X	
	Jul-14	\$100,000	to fund replacement of a steam boiler at Glenwood School	X	
	Jul-18	\$150,000	to fund energy conservation measures, boiler and EMS replacement, in municipal facilities including Talmadge Elementary School	X	
	Aug-20	\$200,000	to fund energy conservation measures, boiler, pump and DHW upgrade, in municipal facilities including Facilities Management	X	
Stockbridge	Dec-15	\$139,625	to fund tuition to attend a Building Operator Certification Level II training, weatherization and lighting retrofit in Town Offices; and replacement of the heating system (fuel conversion oil to propane) in Glendale Fire Station	X	2,003
	Jul-18	\$54,829	to fund energy conservation measures, door replacements, HVAC improvements, and lighting, in municipal facilities including Central Fire Station	X	
	Aug-20	\$13,053	to fund energy conservation measures, LED lighting, in municipal facilities including Wastewater Treatment Plant	X	
	Jan-22	\$52,240	to fund energy conservation, LED streetlight conversion, in municipal facilities including town-owned streetlights	X	
Stoneham	Dec-17	\$169,615	to fund energy conservation measures, interior and exterior LED lighting, streetlight audit/design, LED streetlight conversion, and administrative support, in municipal facilities including Town Hall, Stoneham Ice Rink, Dept of Public Works, and municipally owned streetlights	X	22,877
	Aug-19	\$250,000	to fund energy conservation measures, LED streetlight conversion and LED lighting, in municipal facilities including streetlights, Council on Aging, Library, Robinhood Elementary Schools, and South Elementary School	X	
	Aug-20	\$200,000	to fund energy conservation measures, air source heat pump with fuel conversion, LED lighting, and weatherization, in municipal facilities including DPW Offices, Town Hall, Robinhood Elementary School and Police	X	
	Jul-21	\$200,000	to fund energy conservation measures, auditorium air handler re-build, interior and exterior LED lighting, and demand control ventilation, in municipal facilities including Town Hall, Fire, Police, and South Elementary School	X	
	Jan-23	\$170,526	to fund energy conservation measures, heat recovery controls, LED lighting, attic insulation, mechanical insulation, variable frequency drive, refrigeration fan motors replacement, and wall insulation, in municipal facilities including Robinhood, South, and Colonial Elementary Schools, Senior Center, Library, Police HQ, and Middle School	X	
Stoughton	Dec-15	\$209,910	to fund installation of variable frequency drives and/or efficient motors at four pumping facilities; in addition, a lighting upgrade and installation of programmable thermostats at Pratts Court Pump House; and conversion of streetlights to LED in Tanglewood and Ladyslipper neighborhoods	X	29,132
	Aug-19	\$249,722	to fund energy conservation measures, LED lighting, boiler replacement, and administrative support, in municipal facilities including Clapp Building, Fire Station 2, Fire Station 1, Police Station, Dawe Elementary School, and Gibbons Elementary School	X	
	Aug-20	\$195,554	to fund energy conservation measures, LED lighting, interior and exterior, boiler replacement, motors and drives, and administrative assistance, in municipal facilities including DPW Complex, Gibbons and Hansen Elementary Schools, O'Donnell Middle School, Town Hall, and Cedar Hill Golf Course	X	
	Jan-22	\$184,426	to fund energy conservation measures, roof insulation, energy management system, and administrative assistance, in municipal facilities including Cedar Hill Golf Course, Town Hall, Senior Center, and Youth Commission	X	
	Sep-23	\$200,000	to fund energy conservation measures, variable frequency drives, energy management systems, heat pump system, and administrative assistance, in municipal facilities including Town Hall and Dog Pound	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Stow	Dec-15	\$144,115	to fund consultant services and the following energy conservation measures: interior and exterior lighting upgrade at the library; and at the Police Station, HVAC fuel conversion to Air-source heat pumps for heating and cooling	X	7,059
	Aug-19	\$173,452	to fund energy conservation measures, variable refrigerant flow system, HVAC energy recovery unit, and electric monitoring, in municipal facilities including Town Building and Randall Library	X	
	Aug-20	\$70,697	to fund energy conservation measures, HVAC unit replacement and LED lighting, in municipal facilities including Highway Dept and Town Building	X	
	Jul-22	\$5,000	to fund energy conservation measures, hybrid vehicle, in municipal facilities including town vehicle fleet	X	
	Jan-24	\$500,000	to fund energy conservation measures, HVAC decarbonization renovation with heat pumps, in Randall Library		
Sturbridge	Dec-18	\$143,757	to fund energy conservation measures, lighting, weatherization, and rooftop unit replacement, in municipal facilities including Joshua Hyde Library, DPW Building, Public Safety Complex, Town Hall, and Center Office Building	X	9,846
	Aug-20	\$175,694	to fund energy measures, weatherization, LED lighting, building operator certification training, hybrid vehicle purchase, and idle right devices, in municipal facilities including Public Library, Burgess Elementary School, and town vehicle fleet	X	
	Jul-21	\$119,785	to fund energy measures, LED lighting, variable frequency drive and programmable logic controller, and weatherization, in municipal facilities including Burgess Elementary School, Well #3 & #4, Water Dept., Pump Stations and Water Tank	X	
	Jan-23	\$199,924	to fund energy conservation measures, LED lighting, town vehicle fuel controls, air source heat pump, and building controls, in municipal facilities including Burgess Elementary School, town vehicles, Joshua Hyde Library, and Public Safety Complex		
Sudbury	May-10	\$136,238	for energy efficiency measures in three municipal facilities, five town schools, the Fairbanks Community Center and the Lincoln/Sudbury Regional High School, and for the incremental costs of a fuel efficient vehicle.	X	19,059
	Jul-12	\$250,000	to fund the replacement of the roof-mounted Heat Recovery Ventilation (HRV) unit at the Sudbury Atkinson Pool Facility.	X	
	Jul-14	\$250,000	to fund a town wide streetlight conversion to LED technology, and energy conservation measures in Lincoln-Sudbury RHS, Goodnow Library, and the Fairbank Community Center	X	
	Jul-17	\$250,000	to fund energy conservation measures, interior lighting, refrigeration controls, weatherization, electric vehicle purchase, electric vehicle charging station, and direct digital controls, in municipal facilities including town vehicle fleet, Curtis Middle, Haynes, Loring, Nixon, Noyes, and Lincoln Sudbury High Schools, Atkinson Pool, DPW, and Goodnow Library	X	
	Aug-20	\$96,686	to fund energy conservation measures, VFD, pump replacement, and LED lighting, in municipal facilities including Goodnow Library and DPW	X	
	Jan-23	\$15,000	to fund energy conservation measures, battery electric vehicle, in municipal facilities including town vehicle fleet	X	
Sunderland	Jul-12	\$146,450	to fund energy conservation measures, residential program, energy audits, lighting, DO controls & ORP sensors, weatherization, and Building controls, in municipal facilities including Elementary School, Public Safety, Town Offices, Wastewater Treatment Plant, Pump Station, and Library	X	3,662
	Jul-17	\$114,138	to fund energy conservation measures, digital control ventilation upgrades, insulation, window inserts, and energy recovery unit, in municipal facilities including Elementary School, Town Offices, and Public Safety Complex	X	
	Aug-19	\$152,770	to fund energy measures, LED lighting, attic insulation, VFDs/control valves, window inserts, and steam control valves, in Elementary School, Public Library, Public Safety Complex, and Town Office Building	X	
	Jul-22	\$10,000	to fund energy conservation measures, hybrid police cruiser, in municipal facilities including town vehicle fleet		
Sutton	Jul-11	\$143,050	to fund energy conservation, hydro feasibility, energy audit, exterior lighting, and heat recovery system, in municipal facilities including Stevens & Manchaug Dams, Wastewater Treatment Plant, Senior Center, Fire Stations, and Municipal Complex	X	9,361
	Jul-14	\$169,797	to fund project administration costs and energy conservation measures in the Sutton Municipal and School Complexes	X	
	Jul-16	\$121,732	to fund energy conservation measures, boiler, Weatherization, interior lighting, ECM motors, and thermostats, in municipal facilities including Senior Center, School Complex, Fire Station 2	X	
	Jul-17	\$184,945	to fund energy conservation measures in municipal facilities including town vehicle fleet and Early Learning Center. The energy conservation measures funded by this grant are: boiler replacement and electric vehicle purchase	X	
	Jul-18	\$173,229	to fund energy conservation measures, boiler replacement and LED lighting, in municipal facilities including Sutton Elementary and Middle/High Schools	X	
	Aug-19	\$42,875	to fund energy conservation measures, hot water heater, in municipal facilities including School Complex	X	
	Jul-21	\$124,807	to fund energy conservation, LED lighting, in municipal facilities including Simonian Center, Middle and Elementary Schools	X	
	Jan-23	\$100,000	to fund energy conservation, lighting, air source heat pump, heat pump water heater, ECV pump, programmable thermostats, air sealing, door insulation, and weather stripping, in municipal facilities including School ELC/Simonian and Fire #2	X	
	Jan-24	\$190,172	to fund energy conservation measures, air source heat pump, programmable t-stats, weather-stripping, air seal and insulation, and LED lighting with controls, in municipal facilities including Fire Station 3, Council on Aging, WWTP, Early Learning Center, and Middle and High Schools		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Swampscott	Dec-10	\$143,800	to fund the following energy conservation measures: high efficiency lighting retrofits and automatic lighting controls in the middle and high school, steam trap replacement in the elementary schools, and funding for a part-time Energy Manager	X	15,155
	Jul-13	\$195,853	to fund the following energy conservation measures: building envelope improvements, weatherization and/or attic insulation in Clarke and Stanley Elementary Schools, Middle and High Schools, and the Fire Station; and in Clarke Elementary, steam trap replacement; and in the Public Library, replacement of HVAC equipment	X	
	Jul-15	\$225,000	to fund a complete town wide LED streetlight conversion	X	
	Jul-17	\$241,287	to fund energy conservation measures, interior and exterior lighting, in municipal facilities including Clarke and Swampscott High Schools, Public Library, Police Station, and Town Hall	X	
	Jul-18	\$249,779	to fund energy conservation measures, economizer and DCV on rooftop units, optimized scheduling and air handling improvements, EMS system and controls on boiler system, DDC controls on unit ventilators, and interior lighting, in municipal facilities including Swampscott Middle and High Schools, and Town Hall	X	
	Aug-19	\$145,406	to fund energy conservation measures, air handling unit controls, variable frequency drives, and certification training, in municipal facilities including Middle School, High School, and Dept of Facilities Management	X	
	Jul-21	\$100,000	to fund energy conservation measures, unit ventilator controls and steam trap repair, in municipal facilities including Middle and Clarke Schools	X	
	Jan-23	\$61,626	to fund energy conservation measures, unit ventilator controls and administrative assistance, in municipal facilities including Middle School	X	
Templeton	Feb-20	\$153,180	to fund energy conservation measures, lighting, weatherization, vehicle purchase, administrative costs, and energy conservation measures to be determined, in municipal facilities including Highway Garage, Town Hall, Boynton Public Library, Fire Station #1 and #2, Cemetery Garage, and vehicle fleet		8,160
Tewksbury	Jul-11	\$207,725	to fund energy conservation measures, training, consultant services, retro-commissioning, and lighting, in municipal facilities including Police Station, Dewing, Wynn and Ryan schools	X	30,876
	Jul-14	\$157,826	to fund exterior lighting upgrades in four schools and four municipal facilities and weatherization upgrades in the DPW building and an outdoor air reset in Loella Dewing School	X	
	Jul-15	\$195,739	to fund energy conservation measures, VFDs, interior & exterior lighting, unit heater, retrocommissioning, and lighting controls, in municipal facilities including Library, Food Pantry, Senior Center, Ryan Middle and High Schools, and South Fire Station	X	
	Jul-16	\$187,201	to fund the following energy conservation measures: at the DPW, a new efficient unit heater; and at the Library, installation of new efficient hot water heating equipment	X	
	Jul-17	\$209,790	to fund energy conservation measures, EV purchase, lighting VFDs, and boiler replacement in municipal facilities including town vehicle fleet, North Street Fire, Senior Center, and Police Station	X	
	Jul-18	\$132,772	to fund energy conservation measures, boiler and pump replacement and interior lighting , in municipal facilities including Police Station and DPW	X	
	Aug-19	\$151,036	to fund energy conservation measures, LED lighting and DHW boiler, in municipal facilities including Police Dept. and Loella F. Dewing Elementary School	X	
	Aug-20	\$68,382	to fund energy conservation measures, LED lighting, in municipal facilities including Heath Brook Elementary School	X	
Tisbury	Jul-12	\$140,925	to fund a HVAC conversion to air source heat pump (fuel conversion oil to electric) at the Police Station, boiler upgrade at the library, boiler conversion (oil to propane) and indirect domestic hot water heater at the Senior Center	X	4,920
	Aug-20	\$63,621	to fund energy conservation measures, hybrid vehicle purchase, EV charging station, heat pump with fuel conversion, and administrative assistance, in municipal facilities including DPW and town vehicle fleet and infrastructure	X	
	Jul-22	\$67,937	to fund energy conservation measures, air source heat pump and administrative assistance, in municipal facilities including DPW	X	
Tolland	Feb-20	\$126,433	to fund energy conservation measures, air source heat pumps, EMS controls update, LED lighting, and idle right technology, in municipal facilities including Library, Public Safety, Town Hall, and vehicle fleet infrastructure	X	465
Topsfield	Jul-11	\$132,975	to fund energy conservation measures, weatherization, exterior and interior lighting, energy audits, EMS improvements, and VFDs, in municipal buildings including Proctor and Steward Elementary Schools, Police, Fire, Library, DPW, and Town Hall	X	6,555
	Jul-14	\$48,936	to fund a high efficiency steam boiler at the town library	X	
	Jul-15	\$31,170	to fund energy conservation, DHW heaters and weatherization, in municipal facilities Proctor andj Steward Elementary Schools	X	
	Jul-21	\$61,173	to fund energy conservation measures, LED lighting, weatherization, mechanical insulation, and administrative assistance, in municipal facilities including Fire, Cemetery, and DPW	X	
	Jul-22	\$132,000	to fund energy conservation measures, motors and variable frequency drives, LED lighting, and administrative assistance, in municipal facilities including Steward and Proctor Elementary Schools		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Townsend	Jul-12	\$156,825	to fund energy conservation, hybrid vehicle, idle reduction, administrative support, energy audits, boiler, lighting, variable frequency drives, motors, and weatherization, in municipal facilities including Town Hall, Police Station, and Water Dept	X	8,983
	Jul-16	\$196,972	to fund energy measures, boiler, AHU upgrade, exterior LED lighting, and administrative assistance in Hawthorne Brook and Spaulding Schools	X	
	Jul-21	\$162,566	to fund energy conservation measures, LED lighting with controls, weatherization, refrigeration controls, water heater, condensing unit, VFDs, EC motors, and administrative assistance, in municipal facilities including Highway Garage, Harbor Fire, Town Hall, Library, Senior and Recreation Centers, Communication Station, Hawthorne Brook Middle and Spaulding Memorial	X	
	Sep-23	\$199,950	to fund energy conservation measures, weatherization, insulation, retro-commissioning, LED lighting and administrative assistance, in municipal facilities including Spaulding Memorial School, Memorial Hall, Garage, and Library Senior Center		
Truro	Jul-11	\$141,200	to fund energy conservation measures, grant support, anti-idling, weatherization, DHW upgrade, HVAC fuel conversions, and tankless HW with controls, in municipal facilities including Public Safety Building, Community Center, Town Hall and Library	X	2,486
	Jul-15	\$80,995	to fund a upgrade to DDC of EMS and HVAC controls in municipal facilities including Central School	X	
	Jul-17	\$94,875	to fund energy conservation measures, t-stats, DCV, fan coil unit upgrade, pump controls, insulation, infrared heaters, and AHU upgrade, in municipal facilities including Safety Facility	X	
	Jul-18	\$26,314	to fund energy conservation measures, hot water pump VFD, conversion to single zone VAV on air handling unit, and administrative costs, in municipal facilities including Central Scholl	X	
	Jul-21	\$8,621	to fund energy conservation measures, air source heat pump and grant assistance, in municipal facilities including Beach Office	X	
	Jul-22	\$158,511	to fund energy conservation measures, weatherization, window replacement, and administrative assistance, in Public Safety		
Tyngsborough	May-10	\$161,649	to fund energy measures, hybrid vehicle, EV charging stations, infrared scan, weatherization, lighting, boiler, VFDs, motor/fan controls, in Town Offices, High, Middle, and Elementary Schools, Police Station	X	12,421
	Jul-14	\$115,489	to fund energy measures, lighting control upgrades and insulation, in two schools, library, town offices	X	
	Jul-16	\$250,000	to fund energy conservation, VFDs, retro-commissioning, air handling system upgrade with DCV, Optimal Start, boiler, LED lighting, and hybrid vehicle purchase, in municipal facilities including High School, Elementary School, and Town Hall	X	
	Jul-17	\$241,476	to fund energy conservation measures, interior LED lighting upgrade, boiler upgrade, and direct digital control upgrade, in municipal facilities including Tyngsborough High, Middle, and Elementary Schools and Old Town Hall	X	
	Aug-19	\$113,101	to fund energy conservation, LED lighting and duct heater upgrade, in municipal facilities including High School and Town Hall	X	
	Jan-22	\$91,033	to fund energy conservation measures, LED lighting and transformer, in municipal facilities including Elementary School	X	
Upton	Dec-14	\$148,350	to fund energy measures, roof insulation, energy management system, EV charging stations, and administrative assistance, in municipal facilities including Cedar Hill Golf Course, Town Hall, Senior Center, Youth Commission, and EV infrastructure	X	8,050
	Jul-16	\$170,549	to fund the following energy conservation measures: at the Police and Fire Stations, LED lighting retrofit, and an upgrade for the HVAC systems and controls; and at the Wastewater Treatment Plan, building weatherization improvements	X	
Uxbridge	Dec-18	\$158,776	to fund energy measures, motors and VFDs, lighting, energy studies, and grant administration, in Taft Elementary, Uxbridge High, and Melican Middle Schools; Public Library, Town Hall, Senior Center, and DPW Well Fields	X	14,270
	Aug-20	\$184,700	to fund energy conservation measures, retro-commissioning, motors and drives, LED lighting, building operator certification training, and administrative assistance, in municipal facilities including High and Whitin Schools	X	
	Jan-22	\$177,827	to fund energy conservation measures, unit ventilator pneumatic to DDC, LED lighting, and administrative assistance, in municipal facilities including Whitin School	X	
	Jan-23	\$200,000	to fund energy conservation measures, unit ventilation retrofit, LED lighting, hybrid cruisers (2), and administrative assistance, in municipal facilities including Whitin and Taft Schools, and town vehicle fleet	X	
Wakefield	Dec-22	\$189,100	to fund energy conservation measures, LED lighting and sensors, in municipal facilities including but not limited to the following: Town Hall, Public Safety Buildings (Fire and Police), and American Civic Center		27,104
Walpole	Apr-21	\$166,203	to fund LED streetlight conversion including audit, purchase, and conversion (2,079), in town-owned streetlights	X	26,652
	Jan-24	\$199,988	to fund energy conservation measures, weatherization and mechanical insulation, in municipal facilities including Boyden Elementary, Fisher Elementary, Old Post Rd Elementary, and High Schools

	Jul-22	\$200,000	to fund energy conservation measures, Energy Management System and administrative assistance, in municipal facilities including Elementary School	X	
Warwick	Dec-14	\$137,850	to fund energy conservation measures in Town Hall, Police Station, Public Library, DPW Garages. The energy conservation measures funded are weatherization, air source heat pumps, and destratification fans	X	782
	Jul-18	\$209,483	to fund energy conservation measures, transformer replacement, motors and drive upgrades, de-stratification fans, weatherization, HVAC upgrades, and administrative costs, in municipal facilities including Pioneer Valley Regional School and Warwick Community School	X	
	Aug-20	\$84,404	to fund energy conservation measures, weatherization, energy management system, VFD, and administrative assistance, in municipal facilities including Community School	X	
	Jan-22	\$95,667	to fund energy conservation measures, air source heat pumps, winserts, freezer, and administrative assistance, in municipal facilities including Community School	X	
	Sep-23	\$66,214	to fund energy conservation measures, heat pump systems, weatherization and administrative assistance, in municipal facilities including Fire Station and Community School		
Washington	Dec-22	\$126,500	<i>Applicant period for grant projects is currently open; projects to be determined</i>		493
Watertown	Dec-10	\$192,825	to fund high efficiency LED streetlight retrofits.	X	35,149
	Jul-15	\$207,505	to fund phase two of a complete town wide LED streetlight conversion	X	
	Jul-18	\$247,545	to fund energy conservation measures, interior and exterior LED lighting, plug-in hybrid vehicle acquisitions, and electric vehicle charging stations, in municipal facilities including DPW, Watertown High and Middle Schools, Library, John A. Ryan Arena, Saltonstall Park, and town vehicle fleet	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Wayland	Dec-10	\$131,775	to fund administrative support, owner's agent consultant services, and the following energy conservation measures: interior lighting upgrades at the Middle and Loker Elementary schools, and exterior lighting upgrades at the Middle School, Clay Pit, Happy Hollow, and Loker elementary schools, and Town Building, Fire Station #2, and Public Safety buildings.	X	13,724
	Jul-14	\$250,000	to fund administrative costs, building envelope improvements, a oil to gas boiler conversion, and other energy conservation measures in eight schools and municipal facilities	X	
	Jul-17	\$194,236	to fund energy conservation measures, town wide LED streetlight conversion, lighting upgrade, electric vehicle purchases, and, electric vehicle charging stations, in municipal facilities including town wide streetlights, town vehicle fleet, and Town Building	X	
	Aug-20	\$149,657	to fund energy conservation measures, retro-commissioning, hybrid EV van upfit, hybrid vehicle purchase, LED lighting, building operator certification training, and administrative assistance, in municipal facilities including High and Middle Schools and town vehicle fleet	X	
	Jan-24	\$92,813	to fund energy conservation measures, retro-commissioning, weatherization, and administrative assistance, in municipal facilities including DPW, Town Building, and Claypit Elementary School		
Webster	Dec-17	\$180,885	to fund energy conservation measures in municipal facilities including municipally owned streetlights, measures funded are LED streetlight conversion and administrative support	X	17,651
	Aug-19	\$207,772	to fund energy conservation measures, boiler replacements, lighting, and administrative support, in municipal facilities including Bartlett High School, Police Station, and Town Hall	X	
	Jul-21	\$165,789	to fund energy conservation measures, LED lighting, weatherization, and administrative assistance, in municipal facilities including Middle School, Fire Headquarters, Fire #2, and Sewage Treatment Plant	X	
Wellesley	Dec-17	\$137,250	to fund energy conservation measures in municipal facilities including Municipal Way Campus (DPW), measures funded are water systems energy audit and external LED lighting	X	30,191
	Aug-20	\$137,920	to fund energy conservation measures, exterior and interior LED lighting, hybrid vehicle purchase and administrative assistance, in municipal facilities including High School and town vehicle fleet	X	
	Jan-22	\$37,000	to fund energy conservation measures, hybrid police cruisers and LED lighting, in municipal facilities including vehicle fleet and Water/Sewer Garage	X	
Wellfleet	Dec-14	\$140,000	to fund energy conservation measures, ECM motors, boilers, controls, variable frequency drives and motors, and infrared heaters, in municipal facilities including Town Hall, Elementary School, and DPW Barn	X	3,635
	Jul-17	\$120,423	to fund energy conservation measures in municipal facilities including Police Station. The energy conservation measures funded by this grant are: dedicated outside air system with variable frequency drive, split heat pumps, insulation, interior and exterior lighting upgrades and lighting controls	X	
	Aug-20	\$137,761	to fund energy conservation measures, heat pump water heater, EMS, LED lighting, VFD and motors, in municipal facilities including Council on Aging, Elementary School, Library, and Town Hall	X	
	Jul-22	\$200,000	to fund energy conservation measures, Variable Refrigerant Flow heat pump system, Energy Recovery ventilation, and hybrid police cruiser, in municipal facilities including New Fire Station and town vehicle fleet		
Wendell	Dec-12	\$136,847	to fund energy conservation measures, energy audits, residential energy campaign, solar feasibility study, thermal imaging camera, bike racks, destratification fans, lighting with sensors, ECM pump upgrades, duct replacement, window quilts, air source heat pump, thermostats, in municipal facilities including Senior Center, Police Dept, Highway Garage, Fire Station, Town Hall, Free Library, and Town Offices	X	926
Wenham	May-10	\$138,974	to buy down the cost of an energy savings performance contract for implementation of energy conservation measures at the Town Hall, Fire Station, Police Station, Council on Aging and Public Library.	X	4,987
	Jul-12	\$70,807	to fund energy efficiency measures in the Hamilton-Wenham Regional School District: motor and variable frequency drive (VFD) upgrades for pumps; and kitchen ventilation controls at Buker, Cutler, and Winthrop elementary schools.	X	
	Jul-14	\$245,603	to fund a town wide streetlight conversion to LED technology, and energy conservation measures in the Hamilton Wenham Regional Middle and High Schools, and four municipal facilities	X	
	Jul-16	\$225,730	to fund an upgrade of the Building Automation System at the Hamilton Wenham Regional High School / Miles River Middle School Complex	X	
	Aug-19	\$125,190	to fund energy conservation measures, LED lighting, in municipal facilities including Hamilton Wenham Public Library, Fire Station, Police Station, Town Hall, and Highway Dept.	X	
	Aug-20	\$122,744	to fund energy conservation measures, LED lighting, retro-commissioning, steam trap repair, and administrative assistance, in municipal facilities including Library, Iron Rail Building, Boy Scout Barn (Iron Rail) and Council on Aging	X	
	Jan-23	\$65,127	to fund energy conservation measures, weatherization, in municipal facilities including Town Hall, Library, Recreation Center, and Iron Rail	X	
	Jan-24	\$50,000	to fund energy conservation measures, air source heat pumps for HVAC conversion, in Council on Aging		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
West Boylston	Dec-17	\$145,435	to fund energy conservation measures, vending misers, smart power strips, lighting, and appliance replacements, in municipal facilities including Middle/High, Library, and DPW Building	X	7,855
	Aug-20	\$104,347	to fund energy conservation measures, exterior LED lighting, VFD, weatherization, and administrative assistance, in municipal facilities including Library and Outdoor Sports Facilities	X	
	Jan-22	\$94,046	to fund energy conservation measures, LED lighting, HVAC upgrade, and administrative assistance, in municipal facilities including Shepard Building, Dept of Public Works, and 148 Worcester St, 214 Woodland St, Thomas Basin Pump Stations	X	
West Brookfield	Feb-20	\$134,440	to fund energy conservation measures, energy management system, weatherization, lighting, thermostats, air handling unit replacement, and administrative assistance, in municipal facilities including Town Hall, Highway Dept., Fire, and Senior Center	X	3,820
	Jan-24	\$180,526	to fund energy conservation measures, LED lighting, weatherization, and transformers, in municipal facilities including Elementary School, Town Hall, Merriam Gilbert Library, Senior Center, Fire Dept., and Water Dept.		
West Newbury	Dec-13	\$140,900	to fund energy conservation measures: interior and exterior lighting efficiency retrofits of the 1910 Building, interior and exterior lighting efficiency retrofits of the Public Safety Complex, and a lighting efficiency retrofit of the Memorial Library	X	4,544
	Jul-17	\$133,154	to fund lighting in municipal facilities including Page Elementary, Public Safety, DPW, and Children's Castle Early Learning	X	
	Aug-20	\$75,815	to fund energy conservation measures, DDC for EMS system and hybrid vehicle, in municipal facilities Town Office Building	X	
	Jan-22	\$5,000	to fund energy conservation measures, hybrid police cruiser, in municipal facilities including vehicle fleet	X	
	Jan-23	\$32,000	to fund energy conservation measures, energy management system, in municipal facilities including Town Office Building	X	
West Springfield	Dec-15	\$222,765	to fund energy conservation measures, lighting, lighting controls, refrigeration controls, vendor misers, streetlight audit, and administrative costs, in municipal facilities including Water Treatment Plant, Fausey, Mittineague, Coburn, Tatham, Ashley, Middle, and High Schools, Fire HQ, Police Station, West Side Teen Center, and City Hall	X	28,629
	Jan-22	\$37,399	to fund energy conservation measures, LED lighting in High School	X	
West Stockbridge	Apr-21	\$127,556	to fund LED lighting, energy audit, administrative support, and energy conservation measures to be determined, in municipal facilities including but not limited to: Wastewater Plant, Fire/DPW, and Town Hall		1,338
West Tisbury	Jul-12	\$143,250	to fund energy conservation measures, anti-idles, heating system fuel conversions, air source heat pump, and window replacement, in municipal facilities including Howe's House, Fire 1, Fire 2, and Howes House	X	3,635
	Aug-20	\$12,500	to fund energy conservation measures, hybrid vehicle purchase and EV charging station, in municipal facilities including town vehicle fleet and infrastructure	X	
Westborough	Dec-18	\$152,096	to fund energy conservation measures, weatherization and lighting, in municipal facilities including DPW, Fire Station, Senior Center, Water Purification, War Memorial, and Gibbons Middle, Hastings Elementary, Armstrong Elementary, Westborough High, and Mill Pond Intermediate Schools	X	21,499
	Aug-20	\$146,514	to fund energy conservation measures, LED lighting and hybrid vehicle purchase, in municipal facilities including Armstrong Elementary School, Town Hall, Senior Center, Fire, and town vehicle fleet	X	
	Jan-22	\$199,282	to fund energy conservation measures, LED lighting, in municipal facilities including Mill Pond Elementary School	X	
Westfield	Feb-17	\$266,565	to fund energy conservation measures, lighting, weatherization, steam traps, refrigeration controls, and electric vehicle & charging station, in municipal facilities including North Middle, South Middle, Munger Hill, Paper Mill, Vocational, and High Schools, Twiss St Garage, Fire Headquarters, and Head Start Building	X	40,575
	Aug-19	\$202,525	to fund lighting, in municipal facilities including South Middle School, DPW Garage, and Airport	X	
	Aug-20	\$168,740	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Vocational School, Fire HQ, Southampton Rd Fire Station, and High, Munger Hill and Papermill Elementary Schools	X	
Westford	Dec-13	\$156,025	to fund energy conservation measures, certification training, lighting, boiler and controls, in municipal facilities including Middle School, Police, Library, Senior Center, and Highway	X	24,446
	Jul-15	\$230,988	to fund energy conservation measures, energy management system and lighting, in municipal facilities including Stony Brook Middle, Rita Miller, and Crisafulli Schools, Library and Highway Facility	X	
	Jul-16	\$250,000	to fund the following energy conservation measures: LED lighting retrofits at four facilities; at Abbot School, EnergyStar food service equipment; and upgrades of energy management systems and equipment at one school and one facility	X	
	Jul-17	\$250,000	to fund energy conservation measures, lighting and energy management system upgrade, in municipal facilities including Water Dept, Senior Center, Blanchard School, and Westford Academy	X	
	Jul-18	\$250,000	to fund energy conservation measures, LED streetlight conversion, in municipal facilities including streetlights	X	
	Aug-20	\$95,000	to fund energy measures, DDC on ventilation units and LED lighting, in Westford Academy and Blanchard School	X	
	Jan-22	\$34,680	to fund energy conservation measures, LED lighting, Building Operator Certification training, hybrid vehicle purchase (2) and electric vehicle purchase, in municipal facilities including Abbot, Day, and Robinson Schools	X	
	Jan-24	\$97,530	to fund energy measures, air seal and weather-stripping, in Westford Academy and Miller Elementary School		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Westhampton	Dec-18	\$129,135	to fund energy conservation measures, lighting and energy conservation measures to be determined, in municipal facilities including Town Hall, Town Hall Annex, Library, and DPW Garage		1,614
Westminster	Dec-12	\$141,500	to fund energy conservation measures, interior and exterior lighting, water circulation pump with variable frequency drive, interior storm windows, weatherization, and administrative assistance, in municipal buildings including Academy Hill and Meetinghouse Elementary Schools, Forbush Library, Town Hall, Public Safety, Public Works, and Senior Center	X	8,275
	Jan-22	\$178,273	to fund energy conservation measures, LED lighting, in municipal facilities including Forbush Library, Town Hall, and Westminster Elementary and Meeting House Schools	X	
	Sep-23	\$199,999	to fund energy conservation measures, BMS controls, LED lighting, and weatherization, in municipal facilities including Elementary and Meetinghouse Schools		
Weston	Dec-11	\$138,675	to fund a boiler replacement in the Middle School with a gas-fired high efficiency condensing boiler.	X	11,666
	Jul-14	\$243,707	to fund energy management system, retro-commissioning, and boiler at four schools and Fire Headquarters	X	
	Aug-20	\$199,999	to fund energy conservation measures, interior and exterior LED lighting, in municipal facilities including Library, Town Hall, Fire HQ, Fire #2, Woodland, Country, Middle, and High Schools, Community Center, and DPW	X	
	Jul-22	\$176,839	to fund energy conservation measures, air sealing, weather stripping, pipe insulation, LED lighting, and EV charging station (2), in municipal facilities including Woodland Primary, Country Elementary, Middle and High Schools and town vehicle infrastructure		
Westport	Feb-20	\$158,710	to fund energy conservation measures, lighting, furnace replacement, and energy manager costs, in municipal facilities including Senior Center, Town Hall and Annex, and Library	X	16,359
	Jan-22	\$200,000	to fund energy conservation measures, LED lighting and administrative assistance, in municipal facilities including Beach Grove Cemetery, Harbormaster Facility, Highway Dept, Macomber and Westport Elementary Schools	X	
	Jan-23	\$467,000	to fund energy conservation measures, Decarbonization Project, in municipal facilities including Town Hall		
Westwood	Dec-12	\$138,875	to fund energy conservation measures, lighting, lighting controls, HVAC heating system improvements, steam trap repairs and new steam line, in municipal buildings including Deerfield and Hanlon Schools and Town Hall	X	16,213
	Jul-15	\$242,000	to fund the following energy conservation measures: a streetlight conversion to LEDs; installation of building management controls at the Library and Downey Elementary Schools; and a lighting retrofit with LEDs at the Library	X	
	Jul-16	\$210,142	to fund the following energy conservation measures: at Downey School, upgrades to the demand ventilation HVAC controls in classrooms and an LED lighting retrofit; and LED lighting retrofits in one facility and one school	X	
	Jul-17	\$183,136	to fund energy conservation measures, lighting, variable frequency drives, and building control upgrade, in municipal facilities including Recreation Pool, and High School and Martha Jones Elementary Schools	X	
	Jul-18	\$250,000	to fund energy conservation measures, LED lighting, thermal pool cover and reel, unit ventilator motors, and BMS controls, in municipal facilities including Westwood High, Thurston Middle, and Martha Jones Schools, and Recreation Pool	X	
	Aug-19	\$183,783	to fund energy conservation measures, LED lighting, unit ventilators, and pool water heater boiler, in municipal facilities including Thurston Middle School and Recreation Pool	X	
	Aug-20	\$100,000	to fund energy conservation measures, unit ventilator conversion, in municipal facilities including Thurston Middle School	X	
	Jul-22	\$90,000	to fund energy conservation measures, LED lighting and HVAC upgrade with air cleaning, in municipal facilities including Sheehan Elementary and Thurston Middle Schools	X	
Weymouth	Dec-15	\$277,635	to fund the following energy conservation measures: installation of an energy management system at Town Hall; interior lighting upgrades at Town Hall, Nash, Murphy, Hamilton, and Wessagusset Elementary Schools, Pratt Library, and the Police Station	X	57,670
	Jul-17	\$250,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including DPW, Fire Stations 2, 3, and 5, Weymouth High and Johnson Schools, Branch Library, School Administration Building, Teen Center, Town Hall Annex, and Winter St Water and Great Pond Treatment Plants	X	
	Jul-18	\$250,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including Hamilton Primary, Pingree Primary, Seach Primary, Talbot Primary, and Wessagusset Elementary Schools, and Fire Station 2	X	
	Aug-19	\$225,373	to fund energy conservation measures, lighting, and weatherization, in municipal facilities including Adams Middle School, McCulloch Building, High School, and Town Hall	X	
	Aug-20	\$194,661	to fund energy conservation measures, LED lighting, transformer, weatherization, and administrative assistance, in municipal facilities including Adams Middle, Pingree, Murphy and High Schools	X	
	Jan-22	\$100,000	to fund energy conservation measures, LED lighting and weatherization, in municipal facilities including School Administration Building, and Lawrence W Pingree, Abigail Adams Middle, Wessagusset Elementary, Ralph Talbot Elementary Schools	X	
	Jan-24	\$100,000	to fund energy conservation measures, control system upgrade, in municipal facilities including Police HQ		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Whately	Dec-12	\$137,950	to fund to fund an ASHRAE Level II energy audit of the elementary school; and at the Elementary School, installation of a new Energy Management System and an interior LED lighting upgrade	X	1,631
	Jul-17	\$164,310	to fund energy conservation measures in municipal facilities including Town Hall. The energy conservation measures funded by this grant are: HVAC equipment upgrade, building envelope improvements, and interior lighting retrofit	X	
	Jul-22	\$91,903	to fund energy conservation measures, weatherization, in municipal facilities including Elementary School	X	
Whitman	Dec-15	\$166,215	to fund the following energy conservation measures: interior lighting upgrades at Town Hall, Library, Fire Station, and Council on Aging; installation of variable frequency drives on pumps at Oakland St., Rowena, Auburn, Commercial, and Old Coach Pump Stations	X	15,279
	Jul-17	\$197,408	to fund energy conservation measures in municipal facilities including Dept of Public Works, Police Station, Whitman Middle School, Fire Dept, Public Library, and Town Hall. The energy conservation measures funded by this grant are: interior LED lighting retrofits, steamer kettle, boiler replacement, energy management system, and convactor valve control	X	
	Jul-18	\$250,000	to fund energy conservation measures, LED streetlight conversion, interior lighting, and kitchen ovens, in municipal facilities including streetlights and Conley Elementary and Middle Schools	X	
	Aug-19	\$147,241	to fund energy conservation measures, air handler / condensing /DX units, interior storm windows, dishwasher, convection oven, and LED lighting, in municipal facilities including DPW, Library, and Duvall Elementary School	X	
	Aug-20	\$8,916	to fund energy conservation measures, hybrid vehicle purchase and appliance replacement, in municipal facilities including Council on Aging, Fire, and town vehicle fleet	X	
Wilbraham	Dec-18	\$152,815	to fund energy conservation measures, furnace replacement, HVAC, EMS, lighting, and weatherization, in municipal facilities including Dept. of Public Works, Library, Fire, and Town Hall	X	14,551
	Jan-22	\$170,434	to fund energy conservation measures, LED lighting, HVAC upgrade, weatherization, and hybrid police cruisers, in municipal facilities including Information Technology Building, Little Red Schoolhouse, Public Library, Fire 2, Dept of Public Works, Police, and vehicle fleet	X	
	Jan-24	\$54,358	to fund energy conservation measures, air source heat pump, pipe insulation, and hybrid vehicle, in municipal facilities including IT Building, Library, Little Red Schoolhouse, and town vehicle fleet		
Williamsburg	Dec-13	\$142,975	to fund energy conservation measures, energy audits, lighting, thermostats, weatherization, fuel conversion and new boiler with variable frequency drives and pump motor upgrades, in municipal facilities including James School, Town Offices, and Haydenville and Meekings Libraries	X	2,475
	Jul-18	\$28,149	to fund energy conservation measures, LED streetlight conversion and interior LED lighting, in municipal facilities including Town Offices and streetlights	X	
Williamstown	Dec-10	\$142,000	to fund energy conservation, retrocommissioning, weatherization, lighting, mechanical insulation, energy education program, solar PV roof, in municipal buildings Cemetery, Elementary School, DPW, Library, Town Hall and Council on Aging	X	7,813
	Jul-16	\$65,936	to fund the following energy conservation measures: purchase of electric vehicle (BEV) and installation of an EV charging station; and new efficient modulating/condensing hot water boilers at Milne Public Library	X	
	Jan-24	\$196,300	to fund energy conservation measures, heat pump HW heater, heat pump, weatherization, outreach, EV charging stations, and administrative assistance, in municipal facilities including DPW, Milne Library, multiple town buildings, and EV infrastructure		
Winchendon	Feb-17	\$176,245	to fund energy conservation measures, lighting retrofits, weatherization, baseline BAS, and secondary pump upgrade, in municipal facilities including Town Hall, Beals Library, Murdock Middle and High School, and Fire Station	X	10,352
	Jul-18	\$246,827	to fund energy conservation measures, interior and exterior LED lighting, weatherization, and BAS expansion, in municipal facilities including Murdock, Memorial, and Toy Town Schools, and Beal's Memorial Library	X	
	Aug-19	\$189,673	to fund energy conservation measures, building automation system expansion; radiant heat, lighting , and boiler replacement, in municipal facilities including Murdock School, Memorial School, DPW Garage, Senior Center, and Police Station	X	
	Jul-21	\$196,510	to fund energy conservation, LED lighting, building controls, infrared heaters, building operator certification training, and hybrid cruisers (2), in municipal facilities including DPW, town vehicle fleet, and Memorial and Murdock High Schools	X	
	Jan-23	\$66,449	to fund energy conservation measures, air source heat pump, in municipal facilities including Town Hall	X	

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Winchester	Dec-10	\$151,475	to fund an Energy Conservation Coordinator position and the following energy conservation measures; retro-commissioning of the HVAC system and addition of variable frequency drives (VFDs) on Heat Pumps at McCall Middle School.	X	22,662
	Jul-13	\$198,620	to fund energy conservation measures, energy management system, demand control ventilation, hot water boiler, variable frequency drives, air handling unit, occupancy sensors, motor on circulation pump, in municipal facilities including Public Library, Public Safety Building, McCall Middle, Lynch, Ambrose, and Lincoln Schools, and Town Hall	X	
	Jul-14	\$250,000	to fund conversion of streetlights to LED technology	X	
	Jul-15	\$115,203	to fund energy conservation measures, EV purchase, EMS controls upgrade, and exterior lighting, in municipal facilities including Library, Senior Center, and Town Hall	X	
	Jul-16	\$200,674	to fund energy conservation measures, lighting, refrigeration controls, HVAC upgrades, heat pump, weatherization, steam trap upgrade, building controls, in municipal facilities including Town Hall, and McCall, Parkhurst, and Mystic Schools	X	
	Jul-17	\$235,096	to fund energy conservation measures, weatherization, EMS upgrade and retro-commissioning, lighting and sensors, and EV charging station, in municipal facilities including Public Safety Building, and Lincoln Elementary, Parkhurst, and High Schools	X	
	Jul-18	\$206,401	to fund energy conservation measures, steam heating system zone creation, LED lighting, and recommissioning, in municipal facilities including Muraco Elementary, Ambrose Elementary, and Mystic Schools	X	
	Aug-20	\$100,000	to fund energy conservation measures, LED lighting, weatherization, and destratification fans, in municipal facilities including Ambrose Elementary School and Town Hall	X	
	Jul-21	\$76,548	to fund energy conservation measures, LED lighting and door weatherization, in municipal facilities including Police, DPW, Ambrose Elementary School, Town Hall, and Lynch	X	
	Jan-23	\$75,256	to fund energy conservation measures, steam trap repair and replacement, in municipal facilities including Recreation Dept. and Parkhurst	X	
	Jan-24	\$99,999	to fund energy conservation measures, LED lighting, attic insulation, and transformers, in municipal facilities including McCall Middle School, Cemetery, and Water Treatment Plant		
Windsor	Dec-15	\$137,880	to fund energy conservation measures, replacement of the heating system and fuel conversion, solar array, and point of use water heaters, in municipal facilities including Town Offices	X	821
	Aug-19	\$57,820	to fund energy conservation measures, heating replacement, weatherization, door replacement, and thermal curtains, in municipal facilities including Town Office	X	
	Jul-21	\$45,595	to fund energy conservation measures, air source heat pump, weatherization, and thermal shades, in municipal facilities including Town Hall	X	
	Sep-23	\$38,580	to fund energy conservation measures, weatherization and insulation, in municipal facilities including Town Hall and Garage		
Winthrop	Dec-12	\$169,625	to fund administrative costs and energy conservation measures, lighting, energy management system, refrigeration controls, weatherization, steam traps, and variable frequency drives and motor upgrades in municipal facilities including Newton Cultural Center, Gorman/Ft. Banks Elementary, Middle School, Town Hall, Police Station, and two pump stations	X	18,505
	Jul-14	\$235,000	to fund energy conservation measures in the Cummings and Middle Schools	X	
	Jul-15	\$163,629	to fund energy conservation measures, weatherization, lighting retrofits, at the Larsen Ice Rink, Public Works building and parking lot, Ferry Terminal and Pier, Ft. Banks and Cummings Elementary Schools	X	
	Jul-16	\$119,649	to fund the following energy conservation measures: at the DPW, new infrared heaters; at Central Fire Station, repairs of steam traps and valves; Energy Analytics software for two schools; an update of controls for the chiller in the Larsen Rink	X	
	Jul-18	\$217,505	to fund energy conservation measures, LED lighting and administrative costs, in municipal facilities including Police Station, Public Library, Central Fire Station, Senior Center, and Fort Banks Elementary School	X	
	Jan-24	\$191,133	to fund energy conservation measures, weatherization, air source heat pump, and electric vehicle, in municipal facilities including DPW, Police, and town vehicle fleet		

GREEN COMMUNITY DESIGNATIONS REACH 291

MA Green Communities	Designation Date / Award Date	Designation / Competitive Grant Award	Grant Project Summary	100% Done	Population
Woburn	Jul-11	\$231,925	to fund an LED streetlight conversion, main thoroughfares and many secondary roads, retrofit downtown decorative lights	X	41,056
	Jul-14	\$250,000	to fund conversion of streetlights to LED technology	X	
	Jul-15	\$242,000	to fund energy conservation measures, retrocommissioning, lighting and controls, HVAC and EMS upgrades, and rooftop unit, in municipal facilities including Memorial High, Malcolm White and Reeves Elementary Schools, Joyce Middle School, Linscott-Rumford School, Senior Center, and Police Station	X	
	Jul-16	\$250,000	to fund energy conservation measures, HVAC fuel conversions, exterior and interior lighting, refrigeration controls, and retrocommissioning, in municipal facilities including Kennedy, Alta Vesta, Goodyear, Memorial High, and White Schools, and other municipal facilities	X	
	Jul-17	\$249,452	to fund energy conservation measures, insulation, retro-commissioning, interior and exterior lighting, thermostats, electric vehicle purchase, and EV charging station, in municipal facilities including vehicle fleet and infrastructure, City Hall, Joyce Middle, JFK Middle, and Shamrock Elementary Schools, Dept of Public Works, and Horn Pond Water Treatment Plant	X	
	Jul-18	\$230,530	to fund energy conservation measures, LED lighting, EMS controls for heating and ventilation, electric vehicle acquisition, and electric vehicle charging station, in municipal facilities including Police Dept., City Hall, Joyce Middle and Hurd-Wyman Elementary Schools, Senior Center, and town vehicle fleet	X	
	Aug-19	\$139,684	to fund energy conservation measures, air source heat pump and LED lighting, in municipal facilities including Senior Center and Joyce Middle School	X	
	Aug-20	\$100,000	to fund energy conservation measures, air source heat pumps and weatherization, in municipal facilities including Senior Center	X	
	Jan-22	\$53,463	to fund energy conservation measures, LED lighting, weatherization and EV vehicle, in municipal facilities including Cemetery Building, Dept of Public Works, Senior Center, Water Treatment Plant, and vehicle fleet	X	
Worcester	May-10	\$852,083	to fund a residential stretch code implementation program that provides grants to property owners to upgrade existing buildings to meet the performance requirements of the Stretch Energy Code and to fund an outreach campaign to market the program and educate residents.	X	205,918
	Jul-16	\$248,849	to fund costs of program management and LED lighting at Claremont and Woodland Academies	X	
	Aug-19	\$225,225	to fund energy conservation measures, lighting, transformers, certification training, and administrative support, in municipal facilities including Senior Center and Forest Grove Middle School	X	
Worthington	Dec-18	\$128,495	<i>Applicant period for grant projects is currently open; projects to be determined</i>		1,182
Wrentham	Dec-22	\$144,600	to fund energy conservation measures, Energy Management System replacements and upgrade boiler to digital controls, in municipal facilities including but not limited to the following: Public Safety Building, Senior Center, Roderick, Janelli, and Delaney-Vogel Schools		12,209
Yarmouth	Dec-18	\$191,601	to fund energy conservation measures, energy management systems, variable frequency drives, weatherization, air conditioning, air handling unit, condenser, electric vehicle purchase, hybrid vehicle, and administrative support, in municipal facilities including Town Hall, Water Dept., Police, Recreation Dept., Bayberry Golf Course, Senior Center and town vehicle fleet	X	25,286
	Jul-22	\$200,000	to fund energy conservation measures, anaerobic digester, hybrid police interceptor (6), and administrative assistance, in municipal facilities including Septage Treatment Plant and town vehicle fleet
