@MassRMV I had a pleasant experience with Suraya at the Brockton location! She was extremely helpful, so calm and helped me resolve my issues. It hasn't always been a pleasant experience at the RMV but people like Suraya makes it a lot easier. THANK YOU SURAYA!

RMV Good News Stories – Emails/Letter Received

I visited the Plymouth RMV Branch at about 2:45 pm on Thursday, January 13, 2022. A gentleman at customer service counter number eight (8) helped me. My wife recently passed away and I needed our car registrations amended. It appeared he was a line supervisor, but he still found the time to help me with my request while being courteous, compassion, and very professional.

Hi I am writing to let you know about the **exceptional service** I experienced today at the Worcester Registry of Motor Vehicles. First off, I came to the registry expecting to find a full parking lot. In fact I had even considered taking a taxi to avoid this problem. Much to my surprise I was able to easily find a spot to park my big pickup truck! Then when I went inside the registry I was expecting to wait in a big long line. Instead I was **pleasantly greeted by an agent** who directed me straight to the service desk with no wait! At this window I met an **enthusiastic representative** who processed my transaction **quickly and efficiently**. I was in and out within a very short period of time, and the **friendliness and professionalism** of your staff was **amazing**! I know that you guys have a high volume of customers to help every day and to provide such **great service** with **genuine enthusiasm** is above and beyond and deserves to be recognized. Thanks!
