Pharmacy & Therapeutics Committee

NOTICE AND APPLICATION TO PARTICIPATE

Dear Potential Clinical and Non-Clinical Advisory Committee Members,

Thank you for your interest in joining the Pharmacy & Therapeutics (P&T) Committee. This advisory committee serves an important role for the Oregon Health Authority (OHA). The P&T Committee's legislative mandate is to provide recommendations which include:

- Evaluating evidence-based reviews of prescription drug classes or individual drugs to assist in making recommendations to the OHA for drugs to be included on the preferred drug list (PDL).
- Advising the OHA on administration of Federally mandated Medicaid retrospective and prospective drug use review (DUR) programs which includes recommending utilization controls, prior authorization requirements, quantity limits and other conditions for coverage.
- Making recommendations based on evaluation of the available evidence regarding safety, efficacy and value of
 prescription drugs, as well as the ability of Oregonians to access prescriptions that are appropriate for their
 clinical conditions.
- Publish and distribute educational information to prescribers and pharmacists regarding the committee activities and the drug use review programs.
- Collaborating with the Health Evidence Review Commission (HERC) on topics involving prescription drugs that require further considerations under the purview of the HERC.

The committee is made up of 11 members and the commitment is for 3 consecutive years, with a legislatively mandated meeting frequency of no less than quarterly, but historically has been meeting every other month in Salem. Appointed members will be reimbursed mileage incurred in the performance of the member's official duties according to current policy.
